| 19 | Closing date for receipt of acceptances or renunciations                                                                                                                                                                       |  |
| 20 | Names of any underwriters                                                                                                                                                                                                      |  |
| 21 | Amount of any underwriting fee or commission                                                                                                                                                                                   |  |
| 22 | Names of any brokers to the issue                                                                                                                                                                                              |  |
| 23 | Fee or commission payable to the broker to the issue                                                                                                                                                                           |  |
| 24 | Amount of any handling fee payable to brokers who lodge acceptances or renunciations on behalf of security holders                                                                                                             |  |
| 25 | If the issue is contingent on security holders' approval, the date of the meeting                                                                                                                                              |  |
| 26 | Date entitlement and acceptance form and offer documents will be sent to persons entitled                                                                                                                                      |  |
| 27 | If the entity has issued options, and the terms entitle option holders to participate on exercise, the date on which notices will be sent to option holders                                                                    |  |
| 28 | Date rights trading will begin (if applicable)                                                                                                                                                                                 |  |
| 29 | Date rights trading will end (if                                                                                                                                                                                               |  |

applicable)

- 30 How do security holders sell their entitlements *in full* through a broker?

- 31 How do security holders sell *part* of their entitlements through a broker and accept for the balance?

- 32 How do security holders dispose of their entitlements (except by sale through a broker)?

- 33 <sup>+</sup>Issue date

## Part 3 - Quotation of securities

*You need only complete this section if you are applying for quotation of securities*

- 34 Type of <sup>+</sup>securities  
(tick one)

- (a) ☒ <sup>+</sup>Securities described in Part 1

- (b) ☐ All other <sup>+</sup>securities

Example: restricted securities at the end of the escrowed period, partly paid securities that become fully paid, employee incentive share securities when restriction ends, securities issued on expiry or conversion of convertible securities

### Entities that have ticked box 34(a)

#### Additional securities forming a new class of securities

*Tick to indicate you are providing the information or documents*

- 35 ☐ If the <sup>+</sup>securities are <sup>+</sup>equity securities, the names of the 20 largest holders of the additional <sup>+</sup>securities, and the number and percentage of additional <sup>+</sup>securities held by those holders

- 36 ☐ If the <sup>+</sup>securities are <sup>+</sup>equity securities, a distribution schedule of the additional <sup>+</sup>securities setting out the number of holders in the categories

1 - 1,000

1,001 - 5,000

5,001 - 10,000

---

<sup>+</sup> See chapter 19 for defined terms.

10,001 - 100,000  
100,001 and over

37 ☐ A copy of any trust deed for the additional +securities

### Entities that have ticked box 34(b)

38 Number of +securities for which +quotation is sought

|  |
|--|
|  |
|--|

39 +Class of +securities for which quotation is sought

|  |
|--|
|  |
|--|

40 Do the +securities rank equally in all respects from the +issue date with an existing +class of quoted +securities?

If the additional +securities do not rank equally, please state:

- the date from which they do
- the extent to which they participate for the next dividend, (in the case of a trust, distribution) or interest payment
- the extent to which they do not rank equally, other than in relation to the next dividend, distribution or interest payment

|  |
|--|
|  |
|--|

41 Reason for request for quotation now

Example: In the case of restricted securities, end of restriction period

(if issued upon conversion of another +security, clearly identify that other +security)

|  |
|--|
|  |
|--|

42 Number and +class of all +securities quoted on ASX (including the +securities in clause 38)

| Number | +Class |
|--------|--------|
|        |        |

## Quotation agreement

1 +Quotation of our additional +securities is in ASX's absolute discretion. ASX may quote the +securities on any conditions it decides.

2 We warrant the following to ASX.

- The issue of the +securities to be quoted complies with the law and is not for an illegal purpose.
- There is no reason why those +securities should not be granted +quotation.
- An offer of the +securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty

- Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any +securities to be quoted and that no-one has any right to return any +securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the +securities be quoted.
- If we are a trust, we warrant that no person has the right to return the +securities to be quoted under section 1019B of the Corporations Act at the time that we request that the +securities be quoted.

3 We will indemnify ASX to the fullest extent permitted by law in respect of any claim, action or expense arising from or connected with any breach of the warranties in this agreement.

4 We give ASX the information and documents required by this form. If any information or document is not available now, we will give it to ASX before +quotation of the +securities begins. We acknowledge that ASX is relying on the information and documents. We warrant that they are (will be) true and complete.

# Appendix 3B – Annexure 1

## Calculation of placement capacity under rule 7.1 and rule 7.1A for eligible entities

Introduced 01/08/12 Amended 04/03/13

### Part 1

| Rule 7.1 – Issues exceeding 15% of capital                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
