Atturra Limited- Correction in Independent Auditor's Report

In the Annual Report for the year ended 30 June 2022, released on the ASX on 30 August 2022, the amount of overall materiality stated in the Materiality section of the independent auditor's report should read \$700,000. The version of the independent auditor's report to be distributed to members and available on our website will be corrected to remove the word 'million' after \$700,000.
