VOTING INFORMATION, EXCLUSIONS AND PROHIBITIONS

The business of the Meeting affects your Shareholding and your vote is important.

Voting prohibition statement in relation to Resolution 1

A vote on this Resolution must not be cast (in any capacity) in favour of the Resolution by or on behalf of either of the following persons:

- a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report; or
- b) a Closely Related Party of such a member.

However, such person (the voter) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- a) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- b) the voter is the Chair of the Meeting and the appointment of the Chair of the Meeting as proxy:
 - i) does not specify the way the proxy is to vote on this Resolution; and
 - ii) expressly authorises the Chair of the Meeting to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Voting exclusions in relation to Resolution 3

As the Company has not currently identified allottees of Securities pursuant to Resolution 3, a voting exclusion statement is not required.

Important information concerning proxy votes on Resolution 1

The Corporations Act places certain restrictions on the ability of Key Management Personnel and their closely related parties to vote on the Resolutions connected directly or indirectly with the remuneration of the Key Management Personnel.

Additionally, the Company will disregard any votes cast as Resolution 1 by any person appointed as a proxy by any person who is either a member of the Key Management Personnel or a Closely Related Party of such a member, unless:

- a) it is cast by the person as proxy for a person who is entitled to vote, in accordance with directions on the proxy form; or
- b) it is cast by the Chair of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

For these reasons, Shareholders who intend to vote by proxy should carefully consider the identity of their proxy and are encouraged to direct their proxy as to how to vote on all Resolutions. In particular, Shareholders who intend to appoint the Chair of the Meeting as their proxy (including an appointment by default) are encouraged to direct the Chair of the Meeting as to how to vote on all Resolutions.

If the Chair of the Meeting is appointed, or taken to be appointed, as your proxy, you can direct the Chair of the Meeting to vote for, against or abstain from voting on Resolution 1 by marking the box opposite the Resolution on the Proxy Form. You should direct the Chair of the Meeting how to vote on this Resolution.

However, if the Chair of the Meeting is your proxy and you do not direct the Chair of the Meeting how to vote in respect of Resolution 1 on the Proxy Form, you will be deemed to have directed and expressly authorised the Chair of the Meeting to vote your proxy in favour of the Resolution. This express authorisation acknowledged that the Chair of the Meeting may vote your proxy even if:

- (a) Resolution 1 is connected directly or indirectly with the remuneration of a member or members of the Key Management Personnel of the Company; and
- (b) the Chair of the Meeting has an interest in the outcome of Resolution 1 and, that votes cast by the Chair of the Meeting for this Resolution, other than as authorised proxy holder, will be disregarded because of that interest.

Voting, Attendance Entitlement and proxy

A Member who is entitled to attend and cast a vote at the Meeting and who wishes to vote on the Resolutions contained in this Notice should either attend in person at the time, date and place of the Meeting set out above or appoint a proxy or proxies to attend or vote on the Member's behalf.

A Member who is entitled to attend and cast a vote at the Meeting and who wishes to vote on the Resolutions contained in this Notice should appoint the Chairman of the Meeting as their proxy to attend and vote on the Member's behalf. Copper Search encourages shareholders to **appoint the Chairman of the Meeting as their proxy**.

Shareholders are encouraged to lodge their Proxy Forms online at <https://investor.automic.com.au/#/loginsah>.

In completing the attached Proxy Form, Members must be aware that where the Chair of the Meeting is appointed as their proxy, they will be directing the Chair of the Meeting to vote in accordance with the Chair of the Meeting's voting intention unless you indicate

otherwise by marking the “For”, “Against” or “Abstain” boxes. The Chair of the Meeting intends to vote undirected proxies in favour of each item of business. Members should note that they are entitled to appoint the Chair of the Meeting as a proxy with a direction to cast the votes contrary to the Chair of the Meeting’s voting intention, or to abstain from voting, on any Resolution in the Proxy Form. Also, Members may appoint, as their proxy, a person other than the Chair of the Meeting.

A proxy need not be a Member of the Company. For the convenience of Members, a Proxy Form is enclosed. A Member who is entitled to attend and cast two or more votes is entitled to appoint two proxies. Where two proxies are appointed, each appointment may specify the proportion or number of voting rights each proxy may exercise. If the Member appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half of the votes able to be cast by the appointing Member.

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form. In order to be valid, the Proxy Form must be received by the Company at the address specified below, along with any power of attorney or certified copy of a power of attorney (if the Proxy Form is signed pursuant to a power of attorney), by no later than 48 hours before the Meeting (i.e., by no later than 10:00am ACDT on 20 November 2023):

ANNUAL GENERAL MEETING - EXPLANATORY NOTES

These Explanatory Notes accompanying this Notice of Meeting are incorporated in and comprise part of this Notice of Meeting and should be read in conjunction with this Notice of Meeting.

If any Shareholder is in doubt as to how they should vote, they should seek advice from their legal, financial or other professional adviser prior to voting.

Introduction

These Explanatory Notes have been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be considered at the Annual General Meeting of the Company. The Directors recommend Shareholders read these Explanatory Notes in full before making any decision in relation to the Resolutions.

Terms defined in the Notice of Meeting have the same meaning in these Explanatory Notes.

Receiving financial statements and reports

The Corporations Act requires that Shareholders consider the annual consolidated financial statements and reports of the Directors and auditor every year.

There is no requirement either in the Corporations Act or the Constitution for Shareholders to approve the financial report, the Directors' report or the auditor's report. Shareholders will be given a reasonable opportunity at the Meeting to:

- a) ask questions about, or make comments on, the management of the Company; and
- b) ask a representative of the Company's Auditor, BDO, questions relevant to:
 - 1) the conduct of the audit;
 - 2) the preparation and content of the Auditor's Report;
 - 3) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - 4) the independence of the Auditor in relation to the conduct of the audit.

A Member who is entitled to cast a vote at the Meeting may submit written questions to the Company's Auditor if the question is relevant to the content of the Auditor's report or the conduct of the audit of the annual financial report. A written question must be submitted by giving the question to the Company no later than 5:00pm ACDT on Wednesday 15 November 2023, being five business days before the day on which the Meeting is to be held and, the Company will then, as soon as practicable after the question has been received, pass the question on to the Auditor.

The Chair of the Meeting will allow a reasonable opportunity at the Annual General Meeting for a representative of the Company's Auditor to answer any such written questions submitted. If the Company's Auditor has prepared written answers to written questions, the Chair of the Meeting may allow these to be tabled at the Meeting and such written answers will be available to Members as soon as practicable after the Meeting. The Company will make copies of the question list reasonably available to Members attending the Meeting.

No Resolution is required to be moved in respect of this item of general business.

GENERAL BUSINESS

Resolution 1: Adoption of Remuneration Report

The Remuneration Report for the financial year ended 30 June 2023 is set out in the Directors' Report within the 2023 Annual Financial Report, which is available on the Company's website: <https://coppersearch.com.au/>. The Remuneration Report sets out the Company's remuneration arrangements for Directors, including the Managing Director, and members of the Company's Key Management Personnel.

Section 300A of the Corporations Act requires the Directors to include a Remuneration Report in their report for the financial year. Section 250R(2) of the Corporations Act requires the Remuneration Report to be put to a vote at the Company's Annual General Meeting. The vote on the Resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

The Directors believe that the Company's remuneration policies and structures are appropriate relative to the size of the Company and its business.

Board Recommendation: The Board, while noting that each Director has a personal interest in their own remuneration from the Company, recommends that Members vote in favour of Resolution 1.

Resolution 2: Re-election of Mr Christopher Sutherland as a Director of the Company

In accordance with clause 7.3 of the Constitution, there must be an election of Directors at each Annual General Meeting. A retiring Director is eligible for re-election.

ASX Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Clause 7.3 of the Constitution provides that at the Company's annual general meeting, one-third of the Directors, or, if their number is not a multiple of 3, then the number nearest one-third (rounded down to the nearest whole number), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

Accordingly, Mr Christopher Sutherland is required to retire as Directors of the Company and being eligible, has offered himself for re-election. A resume of Mr Sutherland follows:

Mr Christopher Sutherland (Non-Executive Director and Chair)

Mr Sutherland is an experienced executive who has held senior management positions in various engineering, maintenance, and contracting businesses with operations in Australia, Asia, Europe and the USA. He holds a Bachelor of Engineering (UWA) and completed the Advanced Management Program at Harvard Business School in 2001. For 20 years, he was in various engineering and management roles with leading engineering companies including Clough and WorleyParsons. He was then appointed Managing Director and Group CEO of Programmed from January 2008 until his retirement in September 2019. Programmed was a major public listed ASX company until October 2017 when it was acquired (for an enterprise value of A\$1 billion) by a major Japanese company. He is now a non-executive director of Fremantle Port Authority, Matrix Engineering & Composites Ltd (advanced manufacturing) and Remsense Technology Ltd (remote imaging and virtual technology).

The Board considers Mr Sutherland to be an independent Director.

Mr Sutherland has been a Director of the Company since 2 June 2021.

Board Recommendation: The Directors (other than Mr Sutherland who is not entitled to make, and does not make, a recommendation in relation to the Resolution) recommend that Shareholders vote in favour of Resolution 2.

The Chair of the Meeting intends to vote all undirected proxies in favour of the re-election of Mr Sutherland.

Resolution 3: Approval of 10% Additional Placement Capacity

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its fully paid ordinary issued Share capital through placements over a 12 month period after the Annual General Meeting at which approval by special resolution of the issue is obtained (**10% Placement Facility**). This 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1 and allows the Company to issue up to 25% of its fully paid ordinary issued capital in total.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity at the date of this Notice of Meeting and must remain compliant with the requirements of Listing Rule 7.1A at the date of the Meeting to be able to utilise the additional capacity to issue Equity Securities under that Listing Rule.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

The Company is now seeking Shareholder approval by way of a Special Resolution which requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If Resolution 3 is passed, the Directors will be able to issue Equity Securities in the Company for up to 10% of the Company's fully paid ordinary Securities on issue during the period up to 12 months after the Meeting, calculated in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

If Resolution 3 is not passed, the Directors will be unable to issue Equity Securities under the Company's 10% Additional Placement Capacity and the Company will be unable to raise funds using the Company's 10% Additional Placement Capacity.

Number of Securities

The formula for calculating the maximum amount of Securities to be issued or agreed to be issued under the 10% Placement Facility is calculated as follows:

$$(A \times D) - E$$

A is the number of fully paid ordinary Securities on issue 12 months before the date of issue or agreement:

- plus the number of fully paid ordinary Securities issued in the 12 months under an exception in Listing Rule 7.2 (other than exception 9, 16 or 17);
- plus the number of fully paid ordinary Securities issued in the 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - o the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or
 - o the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- plus the number of fully paid ordinary Securities issued in the 12 months under an agreement to issue Securities within Listing Rule 7.2 exception 16 where:
 - o the agreement was entered into before the commencement of the 12 months; or
 - o the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- plus the number of partly paid ordinary Securities that became fully paid in the 12 months;
- plus the number of any other fully paid ordinary Securities issued in the 12 months with approval under Listing Rule 7.1 or Listing Rule 7.4 (excluding an issue of Shares under the Company's 15% placement capacity without Shareholder approval);
- less the number of fully paid ordinary Securities cancelled in the 12 months.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under this Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement and where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

The ability to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

A number of scenarios showing potential issues under Listing Rule 7.1A are detailed in **Table 1**.

As at the date of this Notice of Meeting, the Company does not have any intention to issue any Equity Securities under ASX Listing Rule 7.1A.

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Additional Placement Capacity as follows:

1. Timing

The date by which the Equity Securities may be issued is the earlier of:

- i) 12 months after the date of this Annual General Meeting;
- ii) the time and date of the Company's next annual general meeting; and
- iii) the time and date of approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

2. Minimum issue price

The issue price of Equity Securities issued under this 10% Additional Placement Capacity must be in an existing quoted class of the Company's Equity Securities and issued for a cash consideration per security which is not less than 75% of the VWAP for Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- i) the date on which the price at which the Securities are to be issued is agreed by the Company and the recipient of the Securities; or
- ii) if the Securities are not issued within 10 trading days of the date in paragraph i), the date on which the Securities are issued.

3. Purposes for which Equity Securities may be issued

The Company may seek to issue the Equity Securities to use the funds raised towards an acquisition of new projects, assets or investments (including expenses associated with such acquisition), continued exploration or development

expenditure on the Company's current assets and/or general working capital. Shares issued under the 10% Additional Placement Capacity will be for cash consideration only.

4. Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Additional Placement Capacity, there is a risk of economic and voting dilution to existing Shareholders, including the risk that:

- i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting in which the approval under rule 7.1A is given; and
- ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

Table 1 below shows:

- i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary Securities the Company has on issue. The number of ordinary Securities on issue may increase as a result of ordinary Securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future meeting of Shareholders; and
- ii) two examples where the issue price of ordinary Securities has decreased by 50% and increased by 100% as against the current market price.

TABLE 1

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.10 50% decrease in issue price	\$0.20 Issue Price	\$0.40 100% increase in issue price
Current Variable A	10% voting dilution	8,240,794 Shares	8,240,794 Shares	8,240,794 Shares
82,407,942 Shares	Funds raised	\$824,000	\$1,648,000	\$3,296,000
50% increase in current Variable A	10% voting dilution	12,361,191 Shares	12,361,191 Shares	12,361,191 Shares
123,611,913 Shares	Funds raised	\$1,236,000	\$2,472,000	\$4,944,000
100% increase in current Variable A	10% voting dilution	16,481,588 Shares	16,481,588 Shares	16,481,588 Shares
164,815,884 Shares	Funds raised	\$1,648,000	\$3,296,000	\$6,593,000

Table 1 has been prepared on the following assumptions:

- Variable A being 82,407,942 Shares as at the date of this Notice of Meeting;
- The issue price set out above is based on a price of 20 cents per Share, being the approximate market price of the Copper Search Shares during September 2023.
- The Company issues the maximum number of Equity Securities available under the 10% Additional Placement Capacity.
- The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no options or performance rights are exercised into Shares before the date of issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- **Table 1** does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Additional Placement Capacity, pursuant to an exception set out in Listing Rule 7.2 or any other issue with the approval of shareholders.
- **Table 1** shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The funds raised have been rounded to the nearest thousand dollars.

5. Allocation policy

The Company's allocation policy is dependent upon the prevailing market conditions at the time of any proposed issue pursuant to the 10% Additional Placement Capacity. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to, but not limited to, the following factors:

- i) The purpose of the issue;
- ii) the methods of raising funds that are available to the Company, but not limited to, rights issues or other issues in which existing security holders can participate;
- iii) the effect of the issue in the Equity Securities on control of the Company;
- iv) the financial situation and solvency of the Company;
- v) prevailing market conditions; and
- vi) advice from corporate, financial and broking advisors (if applicable).

The allottees under the 10% Additional Placement Capacity have not been determined as at the date of this Notice, but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

6. Previously obtained approval under ASX Listing Rule 7.1A

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at the 2022 annual general meeting on 23 November 2022. There have been no Equity Securities issued, or agreed to be issued, under ASX Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

Board Recommendation: The Directors recommend that Shareholders vote in favour of Resolution 3.

The Chairman of the Meeting intends to vote all undirected proxies in favour of the approval of 10% Additional Placement Capacity.
