About ActivePort Group Ltd

ActivePort Group Ltd is an Australian software company that engineers, delivers and supports a network and cloud orchestration product. ActivePort software lets customers manage all their cloud hosting and networking technology end-to-end, from one single screen. Using ActivePort’s unique software, customers can create network connections, deliver cloud services, and manage their data at a local, national, or global scale. The result is simplicity, agility, speed, and lower costs. ActivePort also delivers information technology managed services to enterprise customers.
