General Information

The financial statements cover ActivePort Group Ltd as a Group consisting of ActivePort Group Ltd and the entities it controlled at the end of, or during, the year. The financial statements are presented in Australian dollars, which is ActivePort Group Ltd.'s functional and presentation currency.

ActivePort Group Ltd is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Level 28
140 St Georges Terrace
Perth WA 6000

A description of the nature of the Group's operations and its principal activities are included in the directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 29 February 2024. The directors have the power to amend and reissue the financial statements.

Directors' Report

The Directors present their report, together with the financial statements, on the consolidated entity (referred to hereafter as the "Group") consisting of ActivePort Group Ltd (referred to hereafter as the "Company", "ATV" or "parent entity") and the entities it controlled at the end of, or during the financial half-year ended 31 December 2023.

Directors

The following persons were directors of the Company during the whole of the financial half-year and up to the date of this report, unless otherwise stated:

P Christie	Executive chairman
C Daly	Non-executive director
K Soares	Executive director
M Middleton	Executive director

Principal activities

The Group's primary assets are its network orchestration software, its network-as-service platform, and its information systems managed services business.

The ActivePort software business derives high-margin revenue by licensing its software to customers that use it to orchestrate their networks and connect their customers to the cloud.

The network as a service (NaaS) platform called Global Edge enables organisations to connect the operations to the cloud using a self-service web interface.

The managed services business delivers mission critical information technology, services and support to enterprise customers across Australian and parts of South East Asia.

Operating and financial review

ActivePort delivered outstanding results across all three segments of its business in the first half of FY24.

The focus for the managed services business in the last half of FY23 was to optimise for profit and the results began to show through in this first half of FY24.

The Global Edge NaaS product was ported to its go-live environment and is now in the final phases of testing ready for launch in H2 of FY24. Global Edge promises to deliver consistent recurring revenue growth as becomes a global platform capable of competing effectively in the burgeoning SD-WAN market.

The software business continued to deliver outstanding revenue results. Three new multi-million-dollar contracts were signed in the half with telco operators in Australia, Singapore and the UAE.

The technical team completed a number of new products that offer new revenue opportunities for the Group. Our deep packet inspection tool allows customers to analyse and optimise traffic on their networks at an application level, the LAN configuration product enables remote configuration of almost all devices on any network from any location and our foray into sub-sea fibre orchestration enables wholesale buyers to self-provision and optimise bandwidth at the wavelength level.

Directors' Report (continued)

Of particular interest is the new version of our GPU orchestration software. This product is used by telcos to deliver cloud gaming to their mobile network customers but can also be used for AI applications and other virtual compute applications. With our partner Radian Arc, we continue to deliver and evolve this solution to the extent that it is rapidly becoming known in the cloud gaming industry as a serious contender in the cloud gaming sphere alongside Amazon, GeForce Now, Xbox and PlayStation.

ActivePort Compute Version 3 is targeting high volume markets and promises to be the most cost effective, highly scalable, high performance streaming services in the market.

Despite tight financial constraints, the ActivePort team optimised for profit and continued to deliver new products and highly profitable software revenue.

The success of the group effort to optimise operations for profit shines through in the half year result with the positive EBITDA for the half year.

Cash receipts were constrained by some long-tailed projects that were incomplete in the reporting period that should resolve themselves in the second half.

Revenue remained strong with a greater contribution from highly profitable software offset by an intentionally lower revenue result from the services business as we optimised that part of the group for profit.

The loss for the Group after providing for income tax amounted to \$572,294 (31 December 2022: loss of \$4,126,471).

Dividends

No dividends were paid or proposed to be paid to members during the half year ended 31 December 2023 (31 December 2022: nil).

Directors' Report (continued)

Events after the reporting period

There has been no matter or circumstance that has arisen since 31 December 2023 that has significantly affected, or may significantly affect:

- the Group's operations in future financial years;
- the result of those operations in future financial years; or
- the Group's state of affairs in future financial years.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

On behalf of the directors

A handwritten signature in blue ink, appearing to be "Peter Christie", with a horizontal line underneath it.

Notes to the Condensed Consolidated Financial Statements

Note 1. Material accounting policy information

These general purpose financial statements for the half-year reporting period ended 31 December 2023 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by the Group during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, except for the policies stated below.

New or amended Accounting Standards and Interpretations adopted

The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Going concern

The Group reported had a net asset position of \$29,872,801 and net current assets of \$1,986,183 as at 31 December 2023 and incurred a loss of \$572,294 and net operating cash outflow of \$86,990 for the half-year ended 31 December 2023.

The Group's ability to continue as a going concern and meet its debts and future commitments as and when they fall due is dependent on a number of factors, including:

- delivery of existing and new products through the Group's distribution network to generate sales revenues and positive cash flows; and
- the ability of the Group to raise additional funding.

The Directors consider the going concern basis of preparation to be appropriate based on forecast cash flows and confidence in raising additional funds, if necessary. The Group does not expect significant change to market conditions. The Directors don't believe that it is going to be necessary for ATV to seek further capital for business as usual operations. In the remainder of the year ending 30 June 2024, ATV will be looking to expand operations in India, Africa, Middle East and Asia. This will involve growing the Group's partnerships, leveraging existing relationships and consideration on setting up ATV offices in strategic locations.

In the event that the Group is not successful in managing the discretionary expenditure as well as in raising funds from short term financing or from the issue of new equity, there exists a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern and realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

The financial statements do not include any adjustment relating to the recoverability or classification of recorded asset amounts or to the amounts or classification of liabilities that might be necessary should the Group not be able to continue as a going concern.

Note 2. Operating segment information

The consolidated entity is organised into four operating segments: ActivePort Software, Managed Service Provider (MSP), Network and Corporate Services.

Directors Declaration

In the directors' opinion:

- the attached financial statements and notes comply with the Corporations Act 2001, Australian Accounting Standard AASB 134 'Interim Financial Reporting', the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the financial half-year ended on that date; and
- there are reasonable grounds to believe that the Group will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of directors made pursuant to section 303(5)(a) of the Corporations Act 2001.

On behalf of the directors

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF ACTIVEPORT GROUP LIMITED**

Report on the Interim Financial Report

Conclusion

We have reviewed the accompanying interim financial report of ActivePort Group Limited (**Company**) and its subsidiaries (**Group**), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the Group comprising the Company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the interim financial report of ActivePort Group Limited is not in accordance with the *Corporations Act 2001* including:

- (a) Giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Material uncertainty related to going concern

We draw attention to Note 1, which indicates that the Group incurred a loss of \$572,294 and had net operating cash outflows of \$86,990 for the half-year ended 31 December 2023. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

RSM Australia Partners is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any jurisdiction.

RSM Australia Partners ABN 36 965 185 036

Liability limited by a scheme approved under Professional Standards Legislation

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's responsibility for the review of the financial report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (**Code**) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of ActivePort Group Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Directors' responsibility for the half-year financial report

The directors of the ActivePort Group Limited are responsible for the preparation of the interim financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the interim financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the interim financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of an interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
