1. THE BID

1.1 The Bid

- (a) The Bidder agrees to make each of the Target Share Bid and the Target Option Bids:
 - (i) which will, subject to this document, be subject to the Target Share Bid Conditions and the Target Option Bid Conditions, as applicable;
 - (ii) in accordance with the terms of the Agreed Announcement;
 - (iii) in accordance with all applicable law (including the ASX Listing Rules); and
 - (iv) so far as reasonably practicable, in accordance with the Indicative Timetable.
- (b) The Bidder and the Target agree to make the Agreed Announcement to ASX as soon as practicable after the parties have executed this document.

1.2 Target's assessment of the Bid

The Target represents and warrants to Bidder that:

- (a) the Target Directors have met and considered the possibility of the Bidder agreeing to make the Bids;
- (b) all of the Target Directors have informed the Target that, if the Bidder complies with clause 1.1:
 - (i) the Target Directors will unanimously recommend that, in the absence of a Superior Proposal or a Target Option Superior Proposal, Target Securityholders accept the offers to be made to them under the Bids;
 - (ii) each Target Director will, in the absence of a Superior Proposal or a Target Option Superior Proposal, accept the relevant Bid Offer in respect of the Target Shares and Target Options owned by them by no later than the Acceptance Date (**Acceptance Intention**);

- (c) each Target Director will not withdraw, revise, revoke or qualify or make any public statement inconsistent with, the recommendation in clause 1.2(b)(i) unless a Superior Proposal or a Target Option Superior Proposal emerges and:
 - (i) that Superior Proposal or Target Option Superior Proposal was not procured or obtained by the Target in connection with a breach of clause 6 of this document;
 - (ii) the matching right procedure in clause 6.6 has been fully complied with by the Target; and
 - (iii) the Target Directors, acting in good faith and having obtained written legal advice, conclude that their legal obligations or fiduciary duties require them to take the action which is proposed to be taken under this clause 1.2(c),

provided that a statement made by the Target or the Target Directors to the effect that no action should be taken by the Target Securityholders pending the assessment of a Competing Proposal or a Target Option Competing Proposal by the Target Board or the completion of the matching right process set out in clause 6.7 or clause 6.8, and any other statement referred to in clause 6.7(d) or clause 6.8(d), does not constitute a change, qualification or withdrawal of any Target Director's recommendation.

For the purposes of this agreement, it is acknowledged and agreed that the inclusion in any public statement of a Target Director's Personal Interest does not constitute a Target Director withdrawing, revising, revoking, adversely modifying or making a public statement inconsistent with the recommendation in clause 1.2(b)(i).

1.3 Bidder may use Subsidiary

- (a) The Bidder may satisfy its obligations under clause 1.1 by causing a wholly-owned Subsidiary to do the things referred to in clause 1.1 provided that the Bidder nominates the same wholly-owned Subsidiary for each of the Target Share Bid and the Target Option Bids.
- (b) If the Bidder uses a wholly-owned Subsidiary then:
 - (i) references in this document to the Bid Offers are references to the Bid Offers by the wholly-owned Subsidiary (except that any shares to be issued as consideration under the Bid Offers are to be Bidder Shares);
 - (ii) references in this document to the Bidder making the Bid Offers are references to Bidder causing the wholly-owned Subsidiary to make the relevant Bid Offer;
 - (iii) the Bidder must procure that its relevant wholly-owned Subsidiary performs and observes the Bidder's obligations under this document (other than with respect to the issue of Bidder Shares as consideration under the Bid Offers);
 - (iv) the Bidder unconditionally and irrevocably guarantees to the Target the due performance and observance by its wholly-owned Subsidiary of all of the Bidder's obligations under this document; and
 - (v) the Bidder remains liable to Target for the due performance of those obligations by that wholly-owned Subsidiary.

2. FACILITATING THE BID

2.1 Access to information

- (a) To the extent reasonably required in connection with the Bids, during the Exclusivity Period, the Target will use its reasonable endeavours to provide the Bidder with access to:
 - (i) its books and records;

- (ii) any information reasonably requested by the Bidder; and
- (iii) its senior management, external auditors and accountants and other advisers,

subject to any existing confidentiality obligations owed to third parties or applicable privacy laws and provided that such access is reasonably necessary and does not place an unreasonable burden on the ability of the Target to run its business.

- (b) All information provided under this document is subject to the terms of the Confidentiality Deed. For the avoidance of doubt, nothing in this document or the Confidentiality Deed restricts any party from including any information in the Bidder's Statement or Target's Statement for the purpose of, and only to the extent reasonably necessary for, complying with the Corporations Act, the ASX Listing Rules or any other applicable law provided always that each, to the extent reasonably practicable, consults in good faith with the other party as to the form and content of any such disclosures before that information is disclosed in that Bidder's Statement or Target's Statement (as the case may be).

2.2 Consultation regarding Bidder and Target Statements

- (a) The Bidder will give the Target a reasonable opportunity (as set out in the Indicative Timetable) to review an advanced draft of each of the Bidder's Statements in respect of the Bids and will consult in good faith with the Target with respect to any comments the Target may have on the Bidder's Statements which comments Target agrees to provide as promptly as possible. If requested in writing by the Bidder, the Target agrees to confirm, no later than 3 Business Days after receiving the request, the factual accuracy of information in the draft Bidder's Statements that relates to the Target or any of its Subsidiaries.
- (b) The Target will give the Bidder a reasonable opportunity (as set out in the Indicative Timetable) to review an advanced draft of each of the Target's Statements in respect of the Bids and will consult in good faith with the Bidder with respect to any comments the Bidder may have on that Target's Statements, which comments the Bidder agrees to provide as promptly as possible. If requested in writing by the Target, the Bidder agrees to confirm, no later than 3 Business Days after receiving the request, the factual accuracy of information in the draft Target's Statements that relates to the Bidder or any of its Subsidiaries.

2.3 Early despatch of offers

For the purposes of item 6 in section 633(1) of the Corporations Act, the Target agrees that offers under the Bids may be sent to the holders of Target Shares and Target Options, as the case may be, on the day on which is 5 days after the finalised Bidder's Statements for both of the Bids is sent to the Target or within 28 days after that day.

2.4 Target's Statement

- (a) The Target must use its reasonable endeavours to despatch the Target's Statements for each of the Bids to Target Securityholders as soon as practicable after the despatch of the Bidder's Statements.
- (b) The Target must ensure that each of the Target's Statements:
 - (i) prominently displays the recommendation of the Target Directors referred to in clause 1.2(b)(i); and
 - (ii) includes a summary of the Pre-Bid Acceptance Deed(s).

2.5 Target Register

Target will provide all necessary information and details (including in an electronic form nominated by the Bidder, acting reasonably) about the Register which the Bidder reasonably requires in connection with the Bids, including providing requested information to an agent of the Bidder for foreign nominee and unmarketable parcel sale purposes (if required).

2.6 Indicative timetable

Without prejudice to the remainder of the obligations contained in this clause 2, each party agrees to use their respective reasonable endeavours to comply with the Indicative Timetable, as varied by the parties at any time or from time to time.

2.7 Conduct of business

Subject to this document, during the Exclusivity Period, the Target must conduct its business and operations:

- (a) in the ordinary course; and
- (b) in accordance with all applicable laws and regulations, and
- (c) consistent with the Budget and Work Program,

provided that nothing in this clause 2.7 restricts the Target from engaging in:

- (d) anything required or permitted to be done or not done under this document or otherwise required to be done in connection with the legal obligations for the implementation of the Bids; or
- (e) matters consented to in writing by the Bidder (acting reasonably).

For the purposes of this clause 2.7, responding to the Bids and any Competing Proposal (together with all associated activities and expenditures) in accordance with this document is deemed to be the Target carrying on its business in the ordinary course.

2.8 Target Promote the Bids

- (a) In the absence of a:
 - (i) Competing Proposal or a Target Option Competing Proposal which may, pending an assessment by the Target Board and completion of the matching right process set out in clause 6.7 and clause 6.8 (as applicable), constitute a Superior Proposal or a Target Option Superior Proposal;
 - (ii) Superior Proposal or a Target Option Superior Proposal,

to the extent reasonably requested to do so by the Bidder during the Exclusivity Period, the Target will support each of the Bids and participate in efforts reasonably required by the Bidder to promote the merits of the Bids, including meeting with key Target Securityholders, analysts, management, press and other parties mutually agreed (together with the Bidder, to the extent reasonable), but only to the extent that the Target Directors consider, after taking advice from the Target's legal adviser, that they may do so without breaching or being reasonably likely to breach their legal obligations or fiduciary duties.
- (b) During the Bid Offer Period and unless the Target Directors have withdrawn their recommendation of the Bid Offers in accordance with clause 1.2(c), the Target agrees:
 - (i) to include in all public statements relating to each of the Bid Offers, a statement to the effect that the Target Directors unanimously recommend that the Target's Securityholders accept the respective Bid Offers in the absence of a Superior Proposal or a Target Option Superior Proposal (as applicable); and
 - (ii) not to make any public statement or take any other public action which would suggest that, subject to a Superior Proposal or a Target Option Superior Proposal emerging, each of the Bid Offers are not unanimously recommended by the Target Directors,

provided that a statement made by the Target or the Target Directors to the effect that no action should be taken by the Target Securityholders pending the assessment of a Competing Proposal or a Target Option Competing Proposal by the Target Board or the completion of the matching right process set out in clause 6.7 or clause 6.8, and any other statement referred to in clause 6.7(d) or clause

6.8(d), does not constitute a change, qualification or withdrawal of any Target Director's recommendation.

2.9 Bid Conditions

- (a) Until the end of the day which is 3 Business Days after the end of the relevant Bid Offers Period, the Target must not, and must procure that each of its Subsidiaries does not, take (or fail to take) any action or otherwise do (or fail to do) anything that might cause the non-fulfilment of any Bid Condition for the relevant Bid.
- (b) Subject to this document, nothing in this clause 2.9 prevents the Target or the Target Directors from taking, or failing to take, action where to do otherwise would or is reasonably likely to, in the reasonable opinion of the Target Directors, acting in good faith and having obtained legal advice, constitute a breach of the legal obligations of the Target or the legal obligations or fiduciary duties of the Target Directors.
- (c) To avoid any doubt, in this document, a reference to a Bid Condition being breached includes a reference to a Bid Condition not being, or not being capable of being, satisfied or fulfilled.
- (d) If any event occurs or becomes apparent to a party which would cause any of the Bid Conditions to be breached or not satisfied or fulfilled, that party must, to the extent that it is actually aware of such information, immediately notify the other party in writing of the event and any associated information with regard to that event.

2.10 Remaining Target Convertibles

- (a) Prior to the Target Share Bid becoming unconditional and subject to any necessary ASX waivers, the Bidder must make an offer to acquire all of the Remaining Target Convertibles (outstanding as at such date) from each holder of Remaining Target Convertibles or seek such holder's consent for the cancellation of its Remaining Target Convertibles on terms materially consistent (including the Remaining Target Convertible Consideration amount) as the Bid Offers (**Remaining Target Convertible Offer**).
- (b) If a Remaining Target Convertible Offer is accepted, the acquisition or cancellation of the relevant Remaining Target Convertibles must be completed within 5 days of the Bidder having declared the Target Share Bid unconditional and acquired voting power in the Target of at least 50.1%
- (c) The Remaining Target Convertible Consideration must increase in an equivalent manner to any increase in the consideration offered under the Target Share Bid Offer.
- (d) The Target and the Bidder acknowledge and agree that, in order to effect the:
 - (i) cancellation of Remaining Target Convertibles contemplated in clause 2.10(a), it may be necessary to obtain a waiver from ASX Listing Rule 6.23.2; and
 - (ii) transfer of Remaining Target Convertibles whose terms include that they are non-transferable, Target will need to agree to amend those terms (with the consent of the holder of those Remaining Target Convertibles) and it may be necessary to obtain a waiver from ASX Listing Rule 6.23.4,

and, to the extent required, the Target agrees to apply to ASX for such waivers as soon as practicable after the date of this document and to consult with the Bidder in relation to any application made under this clause 2.10(d) (including to give the Bidder a reasonable opportunity to review an advanced draft of any such application and after incorporating any reasonable comments received from the Bidder on the advanced draft).

- (e) The Target must ensure the Target Board, in addition to the obligation under clause 2.10(d), does all things and takes all actions required by the terms of the Remaining Target Convertibles, the Corporations Act, the ASX Listing Rules and the Target Constitution in respect of the Remaining Target Convertibles and any offer made under clause 2.10(a).

- (f) The Bidder agrees that the Target Share Bid Offer will extend to all Target Shares issued as a result of exercise of Remaining Target Convertibles from the Record Date to the end of the Bid Offer Period.

2.11 Board changes

- (a) Conditional upon the Bidder:
 - (i) declaring the Target Share Bid to be free from all Bid Conditions or the Target Share Bid otherwise becoming unconditional; and
 - (ii) having acceptances of at least 50.1% of all Target Shares,

the Bidder will have the right to appoint such number of nominees (**Nominee Directors**) so as to comprise the majority of the Target Board.
- (b) The Target is not obliged to appoint Nominee Directors if the Target Board (acting reasonably) concludes that a person nominated to be a Nominee Director is not of good character or repute or has inappropriate experience to be a director of a public company in Australia or does not hold (or has not applied for) a Director Identification Number, in which case the Target must inform the Bidder of this fact and ask for an alternative person to act as a Nominee Director.
- (c) Conditional upon the Bidder:
 - (i) declaring the Target Share Bid to be free from all Bid Conditions or the Target Share Bid otherwise becoming unconditional;
 - (ii) having acceptances of at least 90% of all Target Shares;
 - (iii) the payment of all outstanding Target Director fees; and
 - (iv) procuring director and officer run off insurance for the Target Directors for a 7 year period,

the Target agrees, subject to clause 2.11(d), to procure the resignation of all of the Target Directors, other than the Nominee Directors, from their positions on the Target Board.
- (d) Conditional upon the Bidder:
 - (i) declaring the Target Share Bid to be free from all Bid Conditions or the Target Share Bid otherwise becoming unconditional; and
 - (ii) having acceptances of at least 50.1% of all Target Shares,

the Bidder agrees to offer one position on the Bidder's board of directors to an existing Target Director subject to the appointee either having been agreed with the Bidder or otherwise such person being reasonably acceptable to the Bidder's board of directors and having regard to ASX's 'good fame and character' criteria for directors.
- (e) For the sake of clarity, the resignation of a Target Director from their position on the Target Board pursuant to clause 2.11(c) will have no impact on that Target Director's employment with the Target pursuant to the terms of any employment agreement entered into by the Target and that Target Director prior to the date of this agreement.

2.12 Key Target personnel

- (a) Subject to the overall business requirements of the Bidder, the Bidder will offer to continue the employment of all Target personnel.
- (b) The Bidder will include in the Bidder's Statement disclosure in respect of the Bidder's intention in respect of these matters.

2.13 Euroz Hartleys success fee

- (a) The Bidder notes that the Target may be required to pay the success fee to Euroz Hartleys under clause 3(b) of the Euroz Hartleys Agreement (**Transaction Success**

Fee) and that Euroz Hartleys may elect to receive a portion of the Transaction Success Fee in the form of fully paid ordinary shares in the Target (up to the limit contemplated in clause 3(b) of the Euroz Hartleys Agreement) (**Share Component**).

(b) The Bidder agrees that if:

- (i) the Target is required to pay the Transaction Success Fee to Euroz Hartleys; and
- (ii) Euroz Hartleys elects to receive the Share Component of the Transaction Success Fee,

then upon the Target Share Bid achieving acceptances in respect of 90% of the Target Shares the subject of the bid and the Target Share Bid being declared or becoming unconditional, the Bidder agrees that it will satisfy the Share Component on behalf of the Target by issuing such number of Bidder Shares to Euroz Hartleys as Euroz Hartleys would have received had it held and accepted the Share Component into the Target Share Bid.

3. TARGET OPTIONS

3.1 Non-transferable

The terms of issue of the Target Options provide that the Target Options are not transferable and as such the Target Option Bids will be subject to the Target Option Bid Transfer Condition.

3.2 ASX waiver

The Target agrees to apply to ASX for such waivers of the ASX Listing Rules as may be required for the purposes of the Target Option Bid Transfer Condition as soon as practicable after the date of this document and to consult with the Bidder in relation to any application made under this clause 3.2 (including to give the Bidder a reasonable opportunity to review an advanced draft of any such application and after incorporating any reasonable comments received from the Bidder on the advanced draft).

3.3 Target Option Bid Transfer Condition

Subject to the Bidder having declared the Target Share Bid unconditional and acquired voting power in the Target of at least 50.1%, the Bidder agrees to declare each of the Target Option Bids to be free from the Target Option Bid Conditions on the Business Day following the satisfaction of the Target Option Bid Transfer Condition.

3.4 Attorney for the Target Optionholders

- (a) The Target acknowledges that the Bidder will seek to be appointed as the attorney for each Target Optionholder who accepts a Target Option Bid Offer (**Accepting Target Optionholder**) for the purposes of, amongst other things, amending the terms and conditions of issue of their Target Options, subject to the satisfaction of the Target Option Bid Transfer Condition, to permit the transfer of their Target Options to the Bidder under the terms of the relevant Target Option Bid.
- (b) The Target agrees to do all things and takes all actions reasonably required by the Bidder in order to effect amendments to the terms and conditions of issue of the Target Options held by an Accepting Target Optionholder for the purposes referred to in clause 3.4(a).

4. TAKEOVER OFFER

4.1 Variation

- (a) Subject to clause 4.1(b), the Bidder may vary the terms of either of the Bids in any manner permitted by the Corporations Act provided the varied terms are no less favourable to holders of Target Shares or Target Options, as the case may be, than the Agreed Bid Terms (**Varied Bid**).

- (b) The Bidder acknowledges and agrees that any statement made by the Target or the Target Directors to the effect that no action should be taken by the Target Securityholders pending the assessment of any Varied Bid by the Target Board, and any other statement referred to in clause 6.7(d) or clause 6.8(d), does not of itself:
 - (i) constitute a change, withdrawal, modification or qualification of any recommendation by the Target Board or any Target Director;
 - (ii) contravene this document;
 - (iii) give rise to an obligation for the Target to pay the Compensating Amount under clause 5; or
 - (iv) give rise to a termination right under clause 9.2.

4.2 Waiver of conditions and extension

- (a) Subject to the Corporations Act and the terms of any applicable waiver of the ASX Listing Rules, the Bidder may:
 - (i) subject to clause 4.2(b), declare any or all of the Target Share Bid and the Target Option Bids to be free from any Bid Condition; and
 - (ii) subject to clause 4.2(c), extend one or more of the Target Share Bid and the Target Option Bids at any time.
- (b) The Bidder agrees to declare the Target Share Bid to be free from all Bid Conditions upon the Bidder having acceptances of at least 50.1% of all Target Shares.
- (c) Unless required to do so by the Corporations Act, the Bidder may only extend the Target Share Bid and the Target Option Bids beyond the period ending 2 months after the commencement of the Bid Offer Period if:
 - (i) the Bidder has declared the Target Share Bid to be free from all Bid Conditions; or
 - (ii) the Target has provided its prior written consent.

5. COMPENSATING AMOUNT

5.1 Undertaking given by the Target

Subject to clauses 5.2 and 5.4 and the parties having released the Agreed Announcement in accordance with clause 1.1(b), the Target undertakes to pay the Compensating Amount to the Bidder if:

- (a) the Target accepts or enters into or offers to accept or enter into, any agreement arrangement or understanding regarding a Competing Proposal or a Target Option Competing Proposal, other than the Target entering into a confidentiality agreement with a Third Party consistent with the provisions of clause 6.4(b);
- (b) any Target Director approves or recommends or makes an announcement or statement in support of a Competing Proposal or a Target Option Competing Proposal or announces an intention to do any of those acts;
- (c) the Target Directors fail to make, withdraws or adversely modifies the unanimous recommendation contemplated by clause 1.2(b)(i);
- (d) the Target or any of the Target Directors does (or omits to do) anything (whether or not it may be permitted by the terms of this document) which results in any of the Bid Conditions for either Bid being breached and the Bidder does not declare the relevant Bid Offer free of the breached condition (which the Bidder is under no obligation to do);
- (e) there is a breach of clause 6 by the Target; or

- (f) there is a material breach of this document (whether clause 6 or otherwise) by the Target,

and the Bidder terminates this document pursuant to clauses 9.1 (other than pursuant to clause 9.1(a)(iii) or clause 9.1(a)(iv)) or 9.2.

5.2 Exception

Notwithstanding clause 5.1, no Compensating Amount is payable by the Target to the Bidder where the Target terminates this document in accordance with clause 9.1 other than with respect to any Compensating Amount to which the Bidder becomes entitled prior to the event or circumstance giving rise to the Target's right of termination occurring.

5.3 Undertaking given by the Bidder

- (a) The Bidder undertakes to pay the Compensating Amount to the Target if the Target terminates this document in accordance with clause 9.1(a)(i) or clause 9.1(a)(ii).
- (b) Notwithstanding clause 5.3(a), no Compensating Amount is payable by the Bidder to the Target where the Bidder terminates this document in accordance with clauses 9.1 or 9.2 except any Compensating Amount to which the Target becomes entitled prior to the event or circumstance giving rise to the Bidder's right of termination occurring.

5.4 Payment Condition

Despite the occurrence of any event referred to in clause 5.1, the Compensating Amount will not be payable if the Bidder elects to proceed with any of the Bids and acquires any Target Shares or Target Options under the Bids. The Compensating Amount must be refunded to the Target within 10 Business Days after the Bidder acquires any Target Shares or Target Options under any of the Bids if it was paid to the Bidder before that time.

5.5 Compensating Amount

The Compensating Amount is \$90,000, being approximately 1% of the Target's equity value, as consideration under the Bid Offers, which amount is payable only once and without set-off or withholding.

5.6 Acknowledgments

- (a) Each party acknowledges and agrees that they would not have entered into this document without this clause 5 and that the Compensating Amount represents a reasonable amount to contribute to compensation of the actual costs (including adviser costs and out of pocket expenses) and reasonable opportunity costs of the party to which it is payable.
- (b) Each party agrees that this clause 5 does not limit the rights of the other party in respect of any other claims that such party may have against the other, whether under this document or otherwise.

5.7 Warranty

The Bidder warrants that the Target entering into this document (including in particular clauses 5 and 6) is necessary to induce the Bidder to make both of the Bids.

5.8 Demand for payment

- (a) Any demand by a party for payment of the Compensating Amount must be in writing stating in reasonable detail the circumstances giving rise to the payment.
- (b) A party must pay the Compensating Amount to the other within 10 Business Days of receipt of the demand and the Bidder or the Target being entitled to the Compensating Amount under clause 5.1 or 5.3 (as the case may be).

5.9 Compliance with law

- (a) **Unlawful Amount** means all or any part of the payment required to be made under clause 5.1 that is found by the Takeovers Panel or a court to be unlawful, involve a breach of director's duties or to constitute Unacceptable Circumstances.

- Aurum has 6 company-owned drill rigs operating at its Boundiali Project and has ordered two new diamond drill rigs to deploy following completion of the Proposed Merger

¹ Based on Mako and Aurum collective cash balances as at 15 October 2024, and prior to costs associated with the transaction.

⁸ Refer to footnote 1.

Recommended Takeover Offer for Mako

Aurum Resources Limited (ASX: AUE) ("**Aurum**") and Mako Gold Limited (ASX: MKG) ("**Mako**") are pleased to announce that they have reached an agreement to merge to create a well-funded, stand-out emerging exploration and development gold business in West Africa.

The companies have executed a Bid Implementation Agreement (the "**BIA**") to effect the merger by way of off-market takeover bids (the "**Offers**") under which Aurum will bid for 100% of the shares and 100% of the Class A Options and Class B Options in Mako ("**Proposed Merger**").⁹

The Proposed Merger will allow both Aurum and Mako securityholders to benefit from the combination of Aurum's strong balance sheet and exceptional drilling efficiencies, with A\$20 million in cash to deploy into rapid work programs targeted at further resource definition across Aurum and Mako's assets in northern Côte d'Ivoire.

The merged company will be driven by a highly experienced Board and Management team with extensive gold experience from grass roots discovery, through to resource drill-out, feasibility studies, project finance and production.

Commenting on the proposed merger, Aurum Managing Director Dr Caigen Wang said:

"The Aurum team is excited to apply our skills to the Napié Project, which we consider has great potential to quickly evolve into a multi-million ounce project with a dedicated owner-operated multi-rig drilling programme which can be delivered at a cost significantly below standard contract rates."

"We see strong similarities between Napié and the Abujar Project where the Aurum executive team, when running Tietto Minerals Ltd, were able to rapidly grow resources to 3.8Moz, and propel Abujar into production before being acquired in mid-2024 for over A\$768 million."

"We look forward to collaborating with the strong Mako technical team to marry their exploration skills with our exploration and cost efficiencies to drive benefits for all of our shareholders. Between driving growth at Napié and being well on the path to delivery of a maiden resource at our own Boundiali Project later this year, we see strong potential for Aurum to become a strong emerging gold developer in Côte d'Ivoire with two assets with long-life potential in close proximity to each other."

Commenting on the proposed merger, Mako Managing Director Peter Ledwidge said:

"We are pleased to agree this deal with the highly capable team at Aurum. The Aurum executive team have a demonstrable track record of being able to rapidly and very cost effectively drill-out resources using their owner-operator model."

"We have always believed our Napié Project has potential to host multi-million ounces of gold, and pleasingly, due to relative sizes of Mako and Aurum, upon close of the Proposed Merger, Mako securityholders will remain a meaningful part of the expanded group, and therefore will share in the continued upside to the growth in Napié, as well as gain exposure to the rapidly evolving Boundiali Project where Aurum expects to deliver its maiden resource in late 2024."

"We recommend all securityholders embrace this merger as a catalyst to unlock value from Napié."

⁹ Refer to footnote 5.

Terms of the Offers

Mako shareholders will receive 1 Aurum share for every 25.1 Mako shares they hold ("**Share Offer**"), representing a strong premium to Mako's trading price over an extended period. Based on the 5-day volume weighted average price for Aurum shares of 0.455 on 11 October 2024, the Share Offer represents:

Aurum will offer to existing holders of the:

 - the bid Share Offer has been declared unconditional; and
 - Aurum has acquired voting power in Mako of at least 50.1%.

Subject to the Share Offer being unconditional and Aurum acquiring voting power in Mako of at least 50.1%, Aurum has committed to declare each of the bids in respect of the Option Offers to be unconditional following receipt of the ASX Waiver.

The Share Offer and the Option Offers are collectively referred to as “**the Offers**”. Separate to the Option Offers, Aurum will also offer to acquire the balance of the Mako Options on issue which are not the subject of the Option Offers, with such acquisition to occur by way of private treaty.

Full details of the conditions of the Offers are set out in the BIA which will be released via a further announcement.

Mako Directors’ Recommendations

The Directors of Mako unanimously recommend that, in the absence of a superior proposal in respect of each of the Offers, all shareholders and option holders support the Proposed Merger.

All Mako Directors have provided intention statements to accept the Offers in respect of any Mako shares and options that they own or control, subject in each case to there being no superior proposal. To this end, the shares held by the Directors of Mako represent 1.55% of Mako shares on issue.

Pre-Bid Acceptances

Aurum has entered into pre-bid acceptance agreements in respect of 17.8% of the Mako shares on issue (the “**Pre-Bid Agreements**”). In summary:

- Dundee Resources Limited, Sparta Invest AG, Delphi Unternehmensberatung Aktiengesellschaft, Geodrill Limited and David Harper have each entered into Pre-Bid Agreements with Aurum, representing 17.8% of Mako’s shares on issue; and
- the parties have contractually committed to accept the Offers in respect of the shares and options they hold by no later than 10 days after the Offer opening, subject to there being no superior proposal in respect of the relevant Offer.

The combination of Pre-Bid Agreements with Mako’s larger shareholders (noted above) and Board of Directors provides for holders of 19.35% of Mako shares to be accepting the Offers, subject to no superior proposal.

Exclusivity

The BIA contains various standard “no shop”, “no talk”, “notification” and “matching rights” provisions. Mako has also agreed that it will not solicit any competing proposals or participate in any discussions or negotiations in relation to any competing proposal (unless failure to do so would involve a breach of the fiduciary duties of its Directors).

The BIA also details the circumstances under which Mako may be required to pay a 1% break fee to Aurum and circumstances where Aurum may be required to pay Mako a reverse break fee, both equivalent to approximately \$90,000 and payable in certain circumstances.

Board of Directors and Management Team

Following completion of the Proposed Merger, Aurum will invite Mr Steven Zaninovich (existing Mako Non-Executive Director) to join the Board of Aurum, with the view to drawing on Steven’s mine development experience as the merged businesses’ assets are progressed through studies and ultimately targeting development.

Following these changes, the Aurum Board and executive management will consist of:

- Mr Troy Flannery, Non-Executive Chairman
- Dr Caigen Wang, Managing Director
- Mr Mark Strizek, Executive Director
- Mr Steven Zaninovich, Non-Executive Director

Profile of the Merged Company

The Proposed Merger will result in a well-funded, low-cost West African gold explorer with two key gold projects, including 868,000 ounces at 1.20g/t gold Maiden Mineral Resource across the Napié project,¹⁰ and a maiden Mineral Resource Estimate for the Boundiali Gold Project targeted for late CY2024.

Upon completion of the Proposed Merger, the enlarged group will have approximately 192 million shares on issue with an estimated pro-forma market capitalisation of approximately A\$90 million (based on Aurum's closing price of A\$0.47 on 11 October 2024). Aurum shareholders will hold approximately 79.5% and Mako shareholders will hold approximately 20.5% of the merged company.¹¹

Napié Gold Project

Mako's Napié project hosts 868,000 ounces at 1.20g/t gold Maiden Mineral Resource and is located along the same belt as the 3.4Moz Abujar Mine discovered by Tietto. The project area covers 224km² and consists of the Tchaga and Gogbala deposits located on the Napié shear, with only around 4.4km of a total of 30km systematically drilled to date included in the Mineral Resource Estimate.

Napié is a shallow, open pittable, high grade resource with a maximum resource depth between 160 meters and 195 meters across the two deposits and has access to hydroelectricity, bitumen road and water. Deeper and extensional drilling has the potential to rapidly add to existing ounces at Napié.

Preliminary recovery test work at Tchaga returned average recoveries of over 94%, with strong recoveries attributable to the gold associated with the pyrite (not locked within the pyrite).¹²

Once Aurum has achieved at least 50.1% interest in Mako, it intends to commence diamond drilling at Napié utilising its owner-operated diamond rigs (provided that the expenditure for such operations can be achieved within the company's current budget plan).

Mako has recently completed rock chip sampling at the Komboro prospect at the Napié project, which returned very high-grade results including 170g/t Au, 41.92g/t Au and 6.27g/t Au, showing potential for resource growth in the underexplored, northern part of Mako's permits.¹³

Boundiali Gold Project

The Boundiali Gold Project is situated on the same greenstone belt as Resolute's (ASX:RSG) Syama (11.5Moz) and Perseus' (ASX:PRU) Sissingue (1.4 Moz) gold mines to the north with excellent access to roads, services and power infrastructure.

¹⁰ The information relating to the Mineral Resource at the Napié project is extracted from the ASX Announcement titled: "Mako Delivers 868koz Maiden Resource to Provide Strong Growth Platform at Napié" dated 14 June 2024. Mako confirms that it is not aware of any new information or data that materially affects the information included in the original market announcement, and in the case of estimates of Mineral Resources or Ore Reserves, that all material assumptions and technical parameters underpinning the estimates in the relevant market announcement continue to apply and have not materially changed.

¹¹ Assuming that no convertible securities are exercised by either group of shareholders and that there are no other changes to either party's capital structure.

The Boundiali Gold Project¹⁴ comprises four neighbouring exploration tenements as set out in figure 1 below. Current drilling activities are focused on the BM and BD tenements. The tenements are being aggressively explored using Aurum's low-cost owner-operator diamond drilling model with +40,000m drilled since October 2023.

Aurum has total drilling capacity of up to approximately 10,000m/month though utilisation of its current 6 company-owned diamond rigs. With the newly ordered two diamond drill rigs, the drilling capacity will be increased by 30%.

A maiden Mineral Resource Estimate for the Boundiali Gold Project is targeted for late CY2024.

Aurum and Mako have entered into an unsecured loan agreement pursuant to which Aurum has agreed to provide Mako with a working capital facility of up to A\$1.5 million (with drawdowns capped at \$250,000 per month) to assist with costs incurred by Mako in connection with the Proposed Merger and working capital during the transaction implementation.

¹⁴ Refer to About Aurum's Boundiali Gold Project for details of tenement interest

Following the occurrence of an Early Termination Event,¹⁵ Aurum may issue Mako an early termination notice requiring repayment of the amount outstanding by no later than 45 days from the date of the notice (“**Early Termination Date**”).

Accordingly, the loan must be repaid on the earlier of:

- the last date of the term (being the period of twelve months commencing on the date of execution of the BIA); and
- the Early Termination Date.

The loan otherwise bears interest at 10% per annum and the loan agreement contains standard representations, warranties, undertakings and events of default for a facility of this nature.
