Dear Sir

WESTERN METALS ADMINISTRATION

A Voluntary Administrator has been appointed to Western Metals Copper Limited, the majority and co-shareholder, with GME Resources, in NiWest Limited.

This constitutes a default under the NiWest Shareholders Deed and gives rise to a Default Purchase Option whereby GME Resources has the option to acquire the NiWest holding of Western Metals Copper for an agreed value or failing agreement an independently determined value.

GME Resources has thirty days to exercise its option and will give consideration to doing this over the period.

Yours faithfully
