SILVER CITY MINERALS LIMITED

CORPORATE GOVERNANCE STATEMENT - 2016

The Board of Directors of the Company is responsible for the corporate governance of the Group. The Board guides and monitors the business and affairs of the Group on behalf of the shareholders by whom they are elected and to whom they are accountable. The Board has approved this Corporate Governance Statement. This Corporate Governance Statement is current on the date that the Directors' report is signed in accordance with a resolution of Directors made pursuant to s.298 (2) of the Corporations Act 2001.

In accordance with the ASX Corporate Governance Council's (the "Council's") Principles and Recommendations (3rd edition), the Corporate Governance Statement must contain certain specific information and also report on the Group's adoption of the Council's best practice recommendations on an exception basis, whereby disclosure is required of any recommendations that have not been adopted by the Group, together with the reasons why they have not been adopted. The Group's corporate governance principles and policies are therefore structured with reference to the Council's best practice recommendations.

This Section addresses each of the Corporate Governance Principles and, where the Company has not followed a Recommendation, this is identified with the reasons for not following the Recommendation.

Principle 1: Lay solid foundations for management and oversight

Recommendation 1.1 – Functions reserved to the Board and delegated to senior executives

The Company has established functions reserved to the Board and functions delegated to senior executives.

The functions reserved to the Board include:

- (1) oversight of the Company, including its control and accountability systems;
- (2) appointing and removing the Managing Director (MD) (or equivalent), including approving remuneration of the MD and the remuneration policy and succession plans for the MD;
- (3) ratifying the appointment and, where appropriate, the removal of the Chief Financial Officer (or equivalent) and the Secretary;
- (4) input into the final approval of management's development of corporate strategy and performance objectives;
- (5) reviewing and ratifying systems of risk management and internal compliance and control, codes of conduct and legal compliance;
- (6) monitoring senior management's performance and implementation of strategy, and ensuring appropriate resources are available;
- (7) approving and monitoring the progress of major capital expenditure, capital management and acquisitions and divestitures;
- (8) approving and monitoring financial and other reporting;
- (9) appointment and composition of committees of the Board;
- (10) on recommendation of the Audit Committee, appointment of external auditors; and
- (11) on recommendation of the Nomination and Remuneration Committee, initiating Board and director evaluation.

The functions delegated to senior executives include:

- (1) implementing the Company's vision, values and business plan;
- (2) managing the business to agreed capital and operating expenditure budgets;
- (3) identifying and exploring opportunities to build and sustain the business;
- (4) allocating resources to achieve the desired business outcomes;
- (5) sharing knowledge and experience to enhance success;
- (6) facilitating and monitoring the potential and career development of the Company's people resources;
- (7) identifying and mitigating areas of risk within the business;
- (8) managing effectively the internal and external stakeholder relationships and engagement strategies;
- (9) sharing information and making decisions across functional areas;
- (10) determining the senior executives' position on strategic and operational issues; and
- (11) determining the senior executives' position on matters that will be referred to the Board.

In addition, the functions reserved for the Board are summarised in the Group's Board Charter, a copy of which is available on the Group's website, www.silvercityminerals.com.au.

Recommendation 1.2 – Information in Relation to Board Candidates

The Nomination and Remuneration Committee of the Board ensures that appropriate checks are undertaken before a person is appointed as a Director, or before a person is put forward to shareholders as a candidate for election as a Director. If the Nomination and Remuneration Committee concludes that it would be appropriate to consider the appointment of an additional Director, an extensive process is undertaken to identify suitable candidates, usually involving an external search firm. That process will involve identifying the skills and experience required of the candidate, compiling lists of potential candidates, identifying a short list of candidates to be interviewed, conducting interviews, obtaining and checking information in relation to the character, experience, education, criminal record and bankruptcy history of the short listed candidates, and selecting a recommended candidate.

The Group provides shareholders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director by providing all material information concerning the proposed Director in the Explanatory Memorandum that accompanies each Notice of Meeting at which candidates are proposed for election or re-election.

Recommendation 1.3 – Written Agreements with Directors and Senior Executives

The Group has letters of appointment with each non-executive Director, and service contracts with the MD and the other senior executives. Further details are set out in the Remuneration Report. The letters of appointment with the non-executive Directors cover topics including:

- (1) the term of appointment;
- (2) the time commitment envisaged, including committee work;
- (3) remuneration;
- (4) disclosure requirements;
- (5) the requirement to comply with key corporate policies;
- (6) the Group's policy on non-executive Directors seeking independent professional advice;
- (7) the circumstances in which the Director's office becomes vacant;
- (8) indemnity and insurance arrangements;
- (9) rights of access to corporate information; and
- (10) confidentiality obligations.

Recommendation 1.4 – Company Secretary

The Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board. The role of the Company Secretary includes:

- (1) advising the Board and its committees on governance matters;
- (2) monitoring that Board and committee policy and procedures are followed;
- (3) coordinating the timely completion and despatch of Board and committee papers;
- (4) ensuring accurate minutes are taken of Board and committee meetings; and
- (5) helping to organize and facilitate the induction and professional development of Directors.

Recommendation 1.5 – Diversity Policy

The Company has established a policy concerning diversity. The Company recognises the need to set diversity measures in each of its operating locations taking into account the differing diversity issues within each geographic location in which it operates.

A copy of the diversity policy is available from the Company's website. The policy includes requirements for the Board, at the appropriate stage of its development, to establish measurable objectives for achieving gender diversity and, once established, for the Board to assess annually both the objectives and progress in achieving them.

Due to the size of the Company and its workforce and its current stage of development the Board does not consider it appropriate to set measurable objectives at this time.

The Company intends to establish measurable objectives at the appropriate stage of its development.

At the date of this report the Company has only 2 employees (including the Managing Director) all of which are male.

The Company has a services contract with Variscan Mines Limited ("Variscan"), a major shareholder, whereby Variscan provides the Company with technical, accounting and administrative services.

All of the employees are defined as senior management. The Group defines "senior executive positions" as positions held by employees who actively participate in the daily supervision, planning and administrative processes required by the company to help meet its objectives.

The Board comprises of five directors all of whom are male with one female alternate director.

The Group is not a "relevant employer" under the Workplace Gender Equality Act, because the Group had less than 80 employees in Australia for more than 6 months of the year ending June 30, 2016.

Recommendation 1.6 – Process for evaluating the performance of the Board

In accordance with the Charter of the Nomination and Remuneration Committee, the Committee is responsible for the:

- (1) evaluation and review of the performance of the Board against both measurable and qualitative indicators established by the Committee;
- (2) evaluation and review of the performance of individual Directors against both measurable and qualitative indicators established by the Committee;
- (3) review of and making of recommendations on the size and structure of the Board; and
- (4) review of the effectiveness and programme of Board meetings.

An evaluation of the performance of the Board, its committees and individual Directors took place during the financial year. That evaluation was in accordance with the above process.

Recommendation 1.7 – Performance evaluation of Senior Executives

The Group has established performance indicators for senior executives.

Recommendation 2.3 – Independence of Directors

The Council defines independence as being free from any interest, position, association or relationship that might influence, or could reasonably be perceived to influence, in a material respect his or her capacity to bring an independent judgement to bear on issues before the board and to act in the best interests of the Group and its shareholders generally.

The Board has determined that only two of its four non-executive directors are independent as defined under Recommendation 2.3. The Company is therefore at variance with Recommendation 2.3 in that a majority of directors are not independent. Mr Jones is a director of Variscan and Mr Hume is a director of Sentient. Both Variscan and Sentient are substantial shareholders of the Company and accordingly Mr Jones and Mr Hume are not considered by the Board to be independent directors as defined in Recommendation 2.3.

Mr Torrey is the Managing Director and Chief Executive Officer of the Company. As the Chief Executive Officer of the Company, Mr Torrey is not an independent Director of the Company in accordance with the definition above.

Accordingly the directors considered by the Board to be independent are Messrs Besley and Plimer.

Each individual member of the Board is satisfied that whilst the Company may not comply with Recommendation 2.3, all directors bring an independent judgment to bear on Board decisions.

The length of service of each Director who held office as at 30 June 2016 is as follows:

R Besley	6.3 years
