CORPORATE GOVERNANCE STATEMENT

This Corporate Governance Statement is current as at 26 September 2025 and has been approved by the Board of the Company on that date.

This Corporate Governance Statement discloses the extent to which the Company will follow the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations – 4th Edition (Recommendations). The Recommendations are not mandatory, however the Recommendations that will not be followed have been identified and reasons provided for not following them along with what (if any) alternative governance practices the Company intends to adopt in lieu of the recommendation.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

The Company's Corporate Governance Plan is available on the Company's website at www.blackcanyon.com.au.

Principle 1: Lay solid foundations for management and oversight

YES	The Company has adopted a Board Charter that sets out the specific roles and responsibilities of the Board, the Chair and management and includes a description of those matters expressly reserved to the Board and those delegated to management. The Board Charter sets out the specific responsibilities of the Board, requirements as to the Board's composition, the roles and responsibilities of the Chairman and Company Secretary, the establishment, operation and management of Board Committees, Directors' access to Company records and information, details of the Board's relationship with management, details of the Board's performance review and details of the Board's disclosure policy. A copy of the Company's Board Charter, which is part of the Company's Corporate Governance Plan, is available on the Company's website.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	YES	a) The Company has guidelines for the appointment and selection of the Board and senior executives in its Corporate Governance Plan. The Company's Nomination Committee Charter (in the Company's Corporate Governance Plan) requires the Nomination Committee (or, in its absence, the Board) to ensure appropriate checks (including checks in respect of character, experience, education, criminal record and bankruptcy history (as appropriate)) are undertaken before appointing a person, or putting forward to security holders a candidate for election, as a director. In the event of an unsatisfactory check, a director is required to submit their resignation. b) Under the Nomination Committee Charter, all material information relevant to a decision on whether or not to elect or re-elect a director must be provided to security holders in the Notice of Meeting containing the resolution to elect or re-elect a director.

Recommendation 1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	YES	The Company's Nomination Committee Charter requires the Nomination Committee (or, in its absence, the Board) to ensure that each Director and senior executive is personally a party to a written agreement with the Company which sets out the terms of that Director's or senior executive's appointment. CORPORATE GOVERNANCE STATEMENT

PRINCIPLES AND RECOMMENDATIONS	COMPLY (YES/NO)	EXPLANATION
Recommendation 1.5 A listed entity should: (a) Have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: (i) the measurable objectives set for that period to achieve gender diversity; (ii) either: (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in the Workplace Gender Equality Act. If the entity was in the S&P / ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.	PARTIALLY	a) The Company has adopted a Diversity Policy which provides a framework for the Company to establish, achieve and measure diversity objectives, including in respect of gender diversity. The Diversity Policy is available, as part of the Corporate Governance Plan, on the Company's website. b) The Diversity Policy allows the Board to set measurable gender diversity objectives and to continually monitor both the objectives and the Company's progress in achieving them. c) The Board does not presently intend to set measurable gender diversity objectives because: i. The Board does not anticipate there will be a need to appoint any new Directors or senior executives due to the limited nature of the Company's existing and proposed activities and the Board's view that the existing Directors and senior executives have sufficient skill and experience to carry out the Company's plans; ii. If it becomes necessary to appoint any new Directors or senior executives, the Board will consider the application of the measurable diversity objectives and determined whether, given the small size of the Company and the Board, requiring specified objectives to be met will unduly limit the Company from applying the Diversity Policy as a whole and the Company's policy of appointing the best person for the job;] and iii. The respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes) for each financial year will be disclosed in the Company's Annual Report.
Recommendation 1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	YES	a) The Company's Nomination Committee (or, in its absence, the Board) is responsible for evaluating the performance of the Board, its committees and individual Directors on an annual basis. It may do so with the aid of an independent advisor. The process for this is set out in the Company's Corporate Governance Plan, which is available on the Company's website. b) The Company's Corporate Governance Plan requires the Company to disclose whether or not performance evaluations were conducted during the relevant reporting period. The Company has completed performance evaluations in respect of the Board, its committees (if any) and individual Directors for each financial year in accordance with the above process.

Recommendation 1.7 A listed entity should: (a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	YES a) The Company's Nomination Committee (or, in its absence, the Board) is responsible for evaluating the performance of the Company's senior executives on an annual basis. The Company's Remuneration Committee (or, in its absence, the Board) is responsible for evaluating the remuneration of the Company's senior executives on an annual basis. A senior executive, for these purposes, means key management personnel (as defined in the Corporations Act) other than a non-executive Director. The applicable processes for these evaluations can be found in the Company's Corporate Governance Plan, which is available on the Company's website. b) The Company's Corporate Governance Plan requires the Company to disclose whether or not performance evaluations were conducted during the relevant reporting period. The Company intends to complete performance evaluations in respect of the senior executives (if any) for each financial year in accordance with the applicable processes. At this stage, due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Company has not appointed any senior executives.
Principle 2: Structure the board to be effective and add value	
Recommendation 2.1 The board of a listed entity should: (a) have a nomination committee which: (i) has at least three members, a majority of whom are independent directors; and (ii) is chaired by an independent director, and disclose: (iii) the charter of the committee; (iv) the members of the committee; and (v) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or (b) if it does not have a nomination committee, disclose that fact and the processes it employs to address Board succession issues and to ensure that the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.	PARTIALLY a) The Company does not have a Nomination Committee. The Company's Nomination Committee Charter provides for the creation of a Nomination Committee (if it is considered it will benefit the Company), with at least three members, a majority of whom are independent Directors, and which must be chaired by an independent Director b) The Company does not have a Nomination Committee as the Board considers that the Company will not currently benefit from its establishment. In accordance with the Company's Board Charter, the Board carries out the duties that would ordinarily be carried out by the Nomination Committee under the Nomination Committee Charter, including the following processes to address succession issues and to ensure the Board has the appropriate balance of skills, experience, independence and knowledge of the entity to enable it to discharge its duties and responsibilities effectively: - devoting time at least annually to discuss Board succession issues and updating the Company's Board skills matrix; and - all Board members being involved in the Company's nomination process, to the maximum extent permitted under the Corporations Act and ASX Listing Rules
