EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. RESOLUTIONS 1 TO 4 – ISSUE OF OPTIONS TO RELATED PARTY

1.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue an aggregate of 120,000,000 Options (**Options**) to Graham McGarry, Geoff Greenhill, Sarah Shipway and Jason Bontempo (or their nominee) (**Related Parties**) on the terms and conditions set out below.

Resolutions 1 to 4 seek Shareholder approval for the issue of the Options to the Related Parties.

1.2 Section 195(4) of the Corporations Act

Section 195 of the Corporations Act provides that a Director of a public company may not vote or be present during meetings of Directors when matters in which that Director holds a “material personal interest” are being considered, except in certain limited circumstances. Section 195(4) relevantly provides that if there are not enough Directors to form a quorum for a Directors meeting because of this restriction, one or more of the Directors may call a general meeting and the general meeting may pass a resolution to deal with the matter.

It might be argued (but it is neither conceded nor, indeed, is it thought by the Board to be the case) that each of the Directors comprising the Board have a material personal interest in the outcome of Resolutions 1 – 4 as a issue of Options is proposed for each Director. If each does have such an interest, then in accordance with Section 195(4) a quorum could not be formed to consider the matters contemplated by Resolutions 1 – 4 at Board level.

Accordingly, for the avoidance of any doubt, and for the purpose of transparency and best practice corporate governance, the Company also seeks Shareholder approval for the purposes of section 195(4) of the Corporations Act for the issue of Options to each Director pursuant to Resolutions 1 – 4.

1.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Options to the Related Parties constitutes giving a financial benefit and each of the Related Parties is a related party of the Company by virtue of being a Director.

As the Options are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Options. Accordingly, Shareholder approval for the issue of Options to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

1.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of Options falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 1 to 4 seek the required Shareholder approval for the issue of the Options under and for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.11.

1.5 Technical information required by Listing Rule 14.1A

If Resolutions 1 to 4 are passed, the Company will be able to proceed with the issue of the Options to the Related Parties within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Options (because approval is being obtained under Listing Rule 10.11), the issue of the Options will not use up any of the Company's 15% annual placement capacity.

If Resolution 1 to 4 are not passed, the Company will not be able to proceed with the issue of the Options and will seek alternative remuneration.

1.6 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

Pursuant to and in accordance with Listing Rule 10.13 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 1 to 4:

- (a) the Options will be issued to the following persons:
 - (i) Graham McGarry (or their nominee) pursuant to Resolution 1;
 - (ii) Geoffrey Greenhill (or their nominee) pursuant to Resolution 2;
 - (iii) Sarah Shipway (or their nominee) pursuant to Resolution 3; and
 - (iv) Jason Bontempo (or their nominee) pursuant to Resolution 4,each of whom falls within the category set out in Listing Rule 10.11.1 by virtue of being a Director;
- (b) the maximum number of Options to be issued to the Related Parties (being the nature of the financial benefit proposed to be given) is 120,000,000 comprising:
 - (i) 40,000,000 Options to Graham McGarry (or his nominee) pursuant to Resolution 1;
 - (ii) 40,000,000 Options to Geoffrey Greenhill (or his nominee) pursuant to Resolution 2;
 - (iii) 20,000,000 Options to Sarah Shipway (or her nominee) pursuant to Resolution 3; and
 - (iv) 20,000,000 Options to Jason Bontempo (or his nominee) pursuant to Resolution 4,
- (c) the terms and conditions of the Options are set out in Schedule 1;
- (d) the Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Options will occur on the same date;
- (e) the issue price of the Options will be nil. The Company will not receive any other consideration in respect of the issue of the Options (other than in respect of funds received on exercise of the Options);
- (f) the purpose of the issue of the Options is to provide a performance linked incentive component in the remuneration package for the Related Parties to align the interests of the Related Parties with those of Shareholders, to motivate and reward the performance of the Related Parties in their roles as Directors and to provide a cost effective way from the Company to remunerate the Related Parties, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties;

- (g) the Options are unquoted Options. The Company has agreed to issue the Options to the Related Parties subject to Shareholder for the following reasons:
- (i) the Options are unquoted; therefore, the issue of the Options has no immediate dilutionary impact on Shareholders;
 - (ii) the deferred taxation benefit which is available to the Related Parties in respect of an issue of Options is also beneficial to the Company as it means the Related Parties are not required to immediately sell the Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options on the terms proposed;
- (h) the number of Options to be issued to each of the Related Parties has been determined based upon a consideration of:
- (i) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
 - (ii) the remuneration of the Related Parties; and
 - (iii) incentives to attract and retain the service of the Related Parties who have appropriate knowledge and expertise, while maintaining the Company's cash reserves.

The Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options upon the terms proposed;

- (i) the total remuneration package for each of the Related Parties for the previous financial year and the proposed total remuneration package for the current financial year are set out below:

Related Party	Current Financial Year	Previous Financial Year
Graham McGarry	713,750 ¹	164,250 ⁵
Geoffrey Greenhill	483,800 ²	164,250 ⁶

- (m) the relevant interests of the Related Parties in securities of the Company as at the date of this Notice are set out below:

Related Party	Shares ¹	Options
Graham McGarry	244,366,268	90,222,603
Geoffrey Greenhill	188,382,040	49,983,306
Sarah Shipway	4,067,200	1,186,267
Jason Bontempo	Nil	Nil

Notes:

1. Fully paid ordinary shares in the capital of the Company (ASX: BCN).
 2. Quoted Options exercisable at \$0.025 each on or before 17 August 2022 (ASX: BCNOB).
- (n) if the Options issued to the Related Parties are exercised, a total of 120,000,000 Shares would be issued. This will increase the number of Shares on issue from 2,866,807,076 (being the total number of Shares on issue as at the date of this Notice) to 2,980,807,076 (assuming that no Shares are issued and no convertible securities vest or are exercised) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 4.03%, comprising 1.34% by Graham McGarry, 1.34% by Geoffrey Greenhill, 0.67% by Sarah Shipway and 0.67% by Jason Bontempo;

The market price for Shares during the term of the Options would normally determine whether the Options are exercised. If, at any time any of the Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Options, there may be a perceived cost to the Company.

- (o) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	\$0.046	28/04/2020
Lowest	\$0.022	23/03/2020
Last	\$0.039	11/12/2020

- (p) each Director has a material personal interest in the outcome of Resolutions 1 to 4 on the basis that all of the Directors (or their nominees) are to be issued Options should Resolutions 1 to 4 be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on Resolutions 1 to 4 of this Notice; and
- (q) the Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Resolutions 1 to 4.

2. RESOLUTION 5 – REPLACEMENT OF CONSTITUTION

2.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

Resolution 5 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and Listing Rules.

This will incorporate amendments to the Corporations Act and Listing Rules since the current Constitution was adopted in 27 November 2017.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature with the material proposed changes set out in section 2.2.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website www.beaconminerals.com.au and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 9093 2477). Shareholders are invited to contact the Company if they have any queries or concerns.

2.2 Summary of material proposed changes

Restricted Securities (clause 2.12)

The Proposed Constitution complies with the recent changes to Listing Rule 15.12 which took effect from 1 December 2019. As a result of these changes, ASX will require certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) to execute a formal escrow agreement in the form Appendix 9A, as is currently the case. However, for less significant holdings (such as non-related parties and non-promoters), ASX will permit the Company to issue restriction notices to holders of restricted securities in the form of the new Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.

Direct Voting (clause 13, specifically clauses 13.35 – 13.40)

The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.

Partial (proportional) takeover provisions (new clause 36)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of

being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (a) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (b) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 5.
