NOTES:

- (1) Bentley has accounted for its investment in SRK (53,689,857 shares being 19.89% of SRK's total issued share capital) (30 June 2021: 53,689,857 shares; 19.89%) at a carrying value of \$15.03 million (based on the closing bid price on ASX of 28 cents per share) at month end (30 June 2021: \$14.3 million; 26.5 cents).
- (2) Units invested in unlisted managed funds are valued at the unit price published by the fund administrator as at month end – the unit price reflects the net asset backing of the fund.
- (3) The post-tax NTA Backing per share figure is reported net of provision for tax liabilities on realised and unrealised gains on investments, in accordance with the Company's income tax accounting policy. Refer Note 5 (Tax) on pages 30 and 31 of Bentley's 30 June 2020 Annual Report for further information in this regard.
- (4) Bentley's current accounting policy is to recognise deferred tax assets arising from its carried forward tax losses and its unrealised loss on investments only to the extent of offsetting any deferred tax liabilities arising from its unrealised gains on investments.
- (5) Bentley's current accounting policy uses the first in-first out method of calculating gains or losses on sales of share investments.
