Investor Presentation

May 2015

Important Notice & Disclaimer

This presentation has been prepared by SkyFii Limited (ACN 009 264 699) (**SkyFii** or the **Company**), in relation to a placement (**Placement**) of new fully-paid ordinary shares in SKF (**New Shares**) to investors pursuant to section 708A of the Corporations Act 2001 (Cth) (**Corporations Act**). The Placement is exempt from the disclosure requirements of Part 6D.2 of the Corporations Act. The offer of New Shares to which this presentation relates complies with the requirements of section 708A(5) of the Corporations Act as modified by the Australian Securities and Investments Commission by instrument dated on or about 8 May 2015 (a copy of which is available from the Company upon request) and a “cleansing notice” complying with section 708A(5)(e) will be lodged with the ASX.

The information contained in this presentation is current at the date of this presentation. The information is a summary overview of the current activities of the Company and does not purport to be all inclusive or to contain all the information that a prospective investor may require in evaluating a possible investment. This presentation is for general information purposes and is not intended to be and does not constitute a prospectus, product disclosure statement, pathfinder document or other disclosure document for the purposes of the Corporations Act and has not been, and is not required to be, lodged with the Australian Securities & Investments Commission. It is to be read in conjunction with the Company’s disclosures lodged with the Australian Securities Exchange.

The material contained in this presentation is not, and should not be considered as, financial product or investment advice. This presentation is not (and nothing in it should be construed as) an offer, invitation, solicitation or recommendation with respect to the subscription for, purchase or sale of any security in any jurisdiction, and neither this document nor anything in it shall form the basis of any contract or commitment. This presentation is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor which need to be considered, with or without professional advice, when deciding whether or not an investment is appropriate.

This presentation may contain information as to past performance of the Company. Such information is given for illustrative purposes only, and is not – and should not be relied upon as – an indication of future performance of the Company. The historical information in this presentation is, or is based upon, information contained in previous announcements made by the Company to the market.

The words "anticipate", "believe", "expect", "project", "forecast", "estimate", “outlook”, “upside”, "likely", "intend", "should", "could", "may", "target", "plan" and other similar expressions are intended to identify forward-looking statements. Indications of, and guidance on, future earnings and financial position and performance are also forward-looking statements, as are statements regarding the Company’s plans and strategies, the development of the market and the outcome of the Placement.

Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Company, which may cause actual results to differ materially from those expressed or implied in such statements.

The Company cannot give any assurance or guarantee that the assumptions upon which management based its forward-looking statements will prove to be correct or exhaustive beyond the date of its making, or that the Company's business and operations will not be affected by other factors not currently foreseeable by management or beyond its control. Such forward-looking statements only speak as at the date of this announcement and the Company assumes no obligation to update such information. The release, publication or distribution of this presentation in jurisdictions outside Australia may be restricted by law. Any failure to comply with such restrictions may constitute a violation of applicable securities laws.

In deciding whether to participate in any placement or subscription for or acquisition of the Company’s shares, you should read this presentation in its entirety and carefully consider the risks outlined in the Company’s Replacement Prospectus dated 15 October 2014. You should also consider consulting your financial or legal adviser so as to ensure you understand fully the terms of any placement or subscription for or acquisition of the Company’s shares, and the inherent risks of making an investment in the Company’s shares.
