CONDENSED NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE HALF YEAR ENDED 31 DECEMBER 2020

1. REPORTING ENTITY

BauMart Holdings Limited ("**BauMart**", "**Company**" or "**Parent Entity**") is a public company limited by shares incorporated in Australia whose shares are traded on the Australian Securities Exchange.

These consolidated financial statements comprise the Company and its subsidiaries (together referred to as the "**Consolidated Entity**" or "**Group**") and authorised for issue by the Board of Directors on 24 February 2021.

2. BASIS OF PREPARATION

These general purpose interim financial statements for the half-year reporting period ended 31 December 2020 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: Interim Financial Reporting. The Consolidated Entity is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of BauMart Holdings Limited and its controlled entities (referred to as the "Consolidated Entity" or "Group"). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2020, together with any public announcements made during the following half-year.

These interim financial statements were authorised for issue on 24 February 2021.

a) Accounting Policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

b) New and amended Accounting Standards and Interpretations adopted by the Group

None of the new standards and amendments to standards that are mandatory for the first time for the financial year beginning 1 January 2020 affected any of the amounts recognised in the current period or any prior period.

The Group has adopted the new Conceptual Framework for Financial Reporting, which is applicable to annual reporting periods beginning on or after 1 January 2020. The adoption of this Conceptual Framework from 1 January 2020 has not led to any changes in accounting or disclosure for the Group, but the new Conceptual Framework may be referred to if accounting matters arise that are not addressed by accounting standards.

The Group has adopted the new definition of Material included in AASB 2018-7 Amendments to Australian Accounting Standards – Definition of Material, which is applicable to annual reporting periods beginning on or after 1 January 2020. The amendments provide a new definition of material which now extends materiality consideration to obscurity and clarify that materiality now depends on the nature or magnitude of information.

The Group has adopted the new definitions of Business and associated guidance in AASB 2018-6 Amendments to Australian Accounting Standards – Definition of a Business, which is applicable to annual reporting periods beginning on or after 1 January 2020. The amendments clarify the minimum requirements for a business, narrowing the definition of business and of outputs, and also provide guidance to help entities assess whether an acquired process is substantive.

CONDENSED NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE HALF YEAR ENDED 31 DECEMBER 2020

3. SIGNIFICANT ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

The preparation of the interim financial report requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing the interim financial report, the significant judgments made by management in applying the Consolidated Entity's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial report as at and for the year ended 30 June 2020. Critical accounting judgements, estimates and assumptions adopted by management are discussed below.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amount recognised in the financial statements are outlined below:

Estimation of useful lives of assets

The estimation of the useful lives of assets has been based on historical experience. The condition of the assets are assessed at least once per year and considered against the remaining useful life. Depreciation charges are included in Note 8.

Carrying value of assets

The plastic injection mould generates income from the units produced, which has a direct effect on the carrying value of the asset.

Business combinations

Business combinations are initially accounted for on a provisional basis. The fair value of assets acquired, liabilities and contingent liabilities assumed are initially estimated by the Consolidated Entity taking into consideration all available information at the reporting date. Fair value adjustments on the finalisation of the business combination accounting is retrospective, where applicable, to the period the combination occurred and may have an impact on the assets and liabilities, depreciation and amortisation reported cash flows.

Going Concern

The interim financial report has been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The Consolidated Entity incurred a net profit of \$3,559,045 during the half year (2019: Net Loss of \$166,963). Included in trade and other receivables at 31 December 2020 is an amount of \$687,950 owed. The ability of the Consolidated Entity to pay its debts as and when they fall due and to continue as a going concern is dependent upon the Consolidated Entity's ability to generate positive cash flows through its existing business and/or raise further equity.

The Directors are of the opinion that there are reasonable grounds to believe the Consolidated Entity will be able to pay its debts as and when they become due and payable, and therefore continue as a going concern after consideration of the following factors:

- The Consolidated Entity has net working capital deficiency of \$376,226 this includes cash reserves of \$209,933 as at 31 December 2020;
- The Consolidated Entity has no loans or borrowings;
- The Directors are confident that the trade receivables amount of \$687,950 referred to in Note 5 are fully recoverable following discussions with the debtors;
- The budgets and forecasts reviewed by the Directors for the next 12 months anticipate that the business will produce improved results;
- The mining-equipment transaction, announced in October 2019, is expected to generate positive cashflow for the remainder of the 2-year period;
- While it is the Consolidated Entity's intention to be cash flow positive through operations, the Consolidated Entity may be required to raise additional capital either through equity or debt in order to continue as a going concern. The Directors are confident that the Consolidated Entity will be able to raise further working capital either through debt or equity as and when required to continue to support the business.

14. ISSUED CAPITAL (continued)

(c) Capital risk management

The Consolidated Entity's objectives when managing capital is to safeguard its ability to continue as a going concern, so that it can provide returns for shareholders and benefits for other stakeholders and to maintain an optimum capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Consolidated Entity may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Board seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position although there is no formal policy regarding gearing levels.

There were no changes in the Consolidated Entity's approach to capital management during the half year. The Consolidated Entity is not subject to any externally imposed capital requirements.

15. CONTINGENCIES AND COMMITMENTS

The Consolidated Entity does not have any contingent liabilities as well as contractual commitments at balance and reporting dates.

16. SUBSIDIARIES

During the period ended 31 December 2020, the wholly owned subsidiary BMX was deregistered on 15 July 2020.

17. FINANCE LEASE RECEIVABLE

In October 2019, the Consolidated Entity secured a finance lease contract with Newfield Resources Limited (ASX:NWF) (**Newfield**) to supply various underground mining equipment, including 2x Drill Rig Jumbos, 2x Haul trucks and 2x LHD Loaders. The Consolidated Entity's wholly owned subsidiary, Buildmart Services Pty Ltd (**Buildmart**) has sourced and financed the purchase of mining equipment with a total value of ~AUD\$3.6m. As at 31 December 2020, Buildmart has a liability to pay to the manufacturer of \$808,039 and accrued interest payable of \$70,939 at a rate of 8% on the outstanding balance. Refer ASX announcement dated 4 October 2019 for additional information.

The initial contract term is for 3 years, subject to early termination and purchase options with an implied interest rate of 14% per annum. The contract, in the form of a finance lease, will generate approximately AUD\$1.2m in interest income over its 3-year tenure.

Under the contract, Buildmart will provide service and maintenance support for the first 12 months. Newfield will assume responsibility for servicing and maintenance of the equipment for the remainder of the term.

The equipment cost of ~AUD\$2.3m has been funded through existing working capital and a 12-month accounts payable credit term has been obtained from the manufacturer to assist with ongoing working capital requirements.

For accounting purposes, the transaction has been recorded as a finance lease. A finance lease receivable of \$1,503,485 is comprised of current and non-current assets of \$799,589 and \$703,896 respectively. The Consolidated Entity has not recognised an asset since all risks and rewards have been transferred to Newfield at the commencement of the lease.

The Consolidated Entity recognised interest income from the finance lease of \$217,279 as at 31 December 2020.

Balance at beginning of year	144,744,757	144,744,757
Balance at end of year	144,744,757	144,744,757

Diluted earnings/(loss) per share must be calculated where potential ordinary shares on issue are dilutive. There are no potential ordinary shares outstanding as set out in Note 14.

19. SEGMENTS INFORMATION

The Consolidated Entity has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (chief operating decision makers) in assessing performance and determining the allocation of resources. The Consolidated Entity is managed primarily based on product category and service offerings since the diversification of the Consolidated Entity's operations inherently have notably different risk profiles and performance assessment criteria. Operating segments are therefore determined on the same basis. Reportable segments disclosed are based on aggregating operating segments where the segments are considered to have similar economic characteristics and are also similar with respect to the products sold and/or services provided by that segment.

Types of products and services by segment

Materials Handling Supply

The Materials Handling Supply division is focused on the Australia and New Zealand wide supply of plastic materials handling unit load devices, such as plastic pallets and plastic crates.

Building Materials Supply

The Building Materials Supply is focused on the supply of building products and materials procured from local and offshore suppliers to both the residential and commercial property construction markets.

Source & Procurement Supply

The Sourcing and Procurement division is focused on providing specialised procurement solutions to a broad range of sectors.

Equipment Investments

The Equipment Investments division is focused on acquiring specialised equipment. The business model contemplates the acquisition of specialised equipment with the intention of leasing the equipment to specialised operators, providing the Consolidated Entity with lease income. This segment will be amended in FY21 following the sale of the glass processing equipment.

Basis of accounting for purposes of reporting by operating segments

Accounting policies adopted

Unless stated otherwise, all amounts reported to the Board of Directors as the chief decision maker with respect to operating segments are determined in accordance with accounting policies that are consistent to those adopted in the annual financial statements of the Consolidated Entity.

All inter-segment loans payable and receivable are eliminated on consolidation for the Consolidated Entity's financial statements.

19. SEGMENTS INFORMATION (continued)

Segment Assets

Where an asset is used across multiple segments, the asset is allocated to the segment that receives the majority of economic value from the asset. In the majority of instances segment assets are clearly identifiable on the basis of their nature and physical location.

Segment Liabilities

Liabilities are allocated to segments where there is direct nexus between the incurrence of the liability and the operations of the segment. Borrowings and tax liabilities are generally considered to relate to the Consolidated Entity and are not allocated. Segment liabilities include trade and other payables and certain borrowings.

Unallocated items

Items of revenue, expenses, assets and liabilities which are not considered part of the core operations of any segment are allocated to Corporate and Administrative:

DIRECTORS' DECLARATION

In the opinion of the Directors of BauMart Holdings Limited:

1. the consolidated financial statements and notes, set out on pages 9 to 21, are in accordance with the *Corporations Act 2001*, including:
 - (a) complying with Accounting Standards AASB 134: Interim Financial Reporting and the Corporations Regulations 2001; and
 - (b) giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2020 and its performance for the half-year ended on that date; and
2. there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Dated at Perth, Western Australia this 24th day of February 2021

Signed in accordance with a resolution of the Directors.

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF
BAUMART HOLDINGS LIMITED**

Report on the Half Year Financial Report

Conclusion

We have reviewed the half-year financial report of Baumart Holdings Limited, which comprises the condensed consolidated statement of financial position as at 31 December 2020, the condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the year then ended, a summary of significant accounting policies and other explanatory information and condensed notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration for Baumart Holdings Limited (the consolidated entity). The consolidated entity comprises both Baumart Holdings Limited (the Company) and the entities it controlled during the half year.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the accompanying half year financial report of Baumart Holdings Limited for the period ended 31 December does not present fairly, in all material respects, or giving a true and fair view of the consolidated entity's financial position as at 31 December 2020 and of its financial performance and its cash flows for the half-year ended on that date; in accordance with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Baumart Holdings Limited in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Material Uncertainty Regarding Going Concern

Without qualification to the review conclusion expressed above, attention is drawn to the following matters:

As referred to in Note 3 to the financial statements, the financial statements have been prepared on the going concern basis. At 31 December 2020, the entity has cash and cash equivalents amounting to \$209,933 and has a net working capital deficiency of \$373,226. The ability of the consolidated entity to continue as a going concern is subject to the consolidated entity returning to profitability and achieving the budgeted revenues or raising additional capital. In the event that the consolidated entity is not successful in achieving budgeted revenues and returning to profitability or raising additional capital, the consolidated entity may not be able to meet its liabilities as they fall due and the realisable value of the consolidated entity's assets may be significantly less than book values.

Responsibility of Management for the Financial Report

Management of Baumart Holdings Limited are responsible for the preparation and fair presentation of the half year financial report in accordance with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001 and for such internal control management determine is necessary to enable the preparation and fair presentation of the half year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the financial report based on our review. ASRE 2410 requires us to conclude whether anything has come to our attention that causes us to believe that the financial report does not present fairly, in all material respects, or giving a true and fair view of the consolidated entity's financial position as at 31 December 2020 and of its financial performance and its cash flows for the half-year ended on that date; in accordance with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Dear Directors

RE: BAUMART HOLDINGS LIMITED

In accordance with section 307C of the *Corporations Act 2001*, I am pleased to provide the following declaration of independence to the directors of Baumart Holdings Limited.

As Audit Director for the review of the financial statements of Baumart Holdings Limited for the half year ended 31 December 2020, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

Yours sincerely
