NOTICE OF ENERGY E&P CONFERENCE CALL **Eagle Ford Shale - Its Potential, Opportunities, and Challenges**

A Conversation with Antares Energy

We are continuing our discussions on emerging shale oil plays. This time, the focus is on the Eagle Ford, where activities are brisk in all three areas (dry gas, wet gas, and oil windows) of the play. James Cruickshank (Chairman/CEO), Matt Gentry (COO) and Greg Shoemaker (Chief Scientist) from Antares Energy will discuss the company's prospects as well as opportunities and challenges facing the industry. Antares Energy is an ASX-listed operator with nearly 19,000 acres within the oil window of the Eagle Ford. The company's initial well tested at 790 bopd.

Those unable to join us live can email questions they would like to be asked to **Biju Perincheril** at bperincheril@jefferies.com prior to the call or **Subash Chandra** at schandra@jefferies.com.

HOSTED BY:

Subash Chandra, E&P Analyst, Jefferies & Co.

Biju Perincheril, E&P Analyst, Jefferies & Co.

GUEST SPEAKER:

James A. Cruickshank – Chairman/CEO, Antares Energy
