

Boom Secures BMA and Hunter Valley Energy Contract Extensions

14 April 2023:

HIGHLIGHTS

- The Company has been awarded a contract extension with BMA (at Blackwater and Hay Point in QLD) and a contract extension with Hunter Valley Energy (at Mt Arthur in NSW).
- The BMA contract is expected to generate circa \$50 million in revenue over the initial 5-year term with further 3+2 year options to renew by agreement.
- The Hunter Valley Energy contract is expected to generate circa \$52.5 million in revenue over the 7-year term.

Boom Logistics Limited (ASX: BOL, "the Company"), a lifting solutions company, is pleased to announce the award of contracts to extend existing services and provision of additional services to BHP Mitsubishi Alliance ("BMA") at Blackwater and Hay Point in QLD, and extension of existing services with Hunter Valley Energy at Mt Arthur in NSW. The contracts are expected to commence in April 2023.

The BMA contract is expected to generate circa \$50 million in revenue over the initial 5-year term with further 3+2 year options to renew by agreement. Boom will continue to provide maintenance and shutdown services at Blackwater and Hay Point and will now also provide additional ad hoc services to all contracted BMA sites.

The Hunter Valley Energy contract is expected to generate circa \$52.5 million in revenue over the 7-year term. Boom will continue to provide maintenance and shutdown services to the Hunter Valley Energy site at Mt Arthur.

BMA is a joint venture between BHP Group and Mitsubishi and Hunter Valley Energy is a wholly owned subsidiary of the BHP Group.

Ben Pieyre, Boom's Interim CEO said

"These contracts further build on our longstanding relationship with the BHP Group, where we are active across multiple sites and have executed large project work. Boom's high quality team and range of crane assets continue to safely meet our customer's requirements."

This announcement contains certain forward-looking statements with respect to the financial condition, results of operations and business of Boom and certain plans and objectives of the management of Boom. Forward-looking statements can generally be identified by the use of words such as 'project', 'believe', 'foresee', 'plan', 'expect', 'aim', 'potential', 'goal', 'target', 'intend', 'anticipate', 'believe', 'estimate', 'may', 'could', 'should', 'will' or similar expressions. All such forward looking statements involve known and unknown risks, significant uncertainties, assumptions, contingencies and other factors, many of which are outside the control of Boom, which may cause the actual results or performance of Boom to be materially different from any future results or performance expressed or implied by such forward looking statements. Such forward-looking statements reflect expectations at the date of this announcement. Factors that could cause actual results or performance to differ materially include without limitation the following: risks and uncertainties associated with the Australian and global economic environment and capital market conditions, fluctuations in foreign currency exchange and interest rates, competition, Boom's relationships with, and the financial condition of, its suppliers and customers, or legislative changes, or regulatory changes or other changes in the laws which affect Boom's business. The foregoing list of important factors is not exhaustive. There can be no assurance that actual outcomes will not differ materially from these statements. Readers are cautioned to not place undue reliance on any forward looking statements. Except as required by law and ASX Listing Rules, Boom undertakes no obligation to update publicly or otherwise revise any forward looking statement as a result of new information, future events or other factors. Past performance cannot be relied on as a guide to future performance. Readers are cautioned to not place undue reliance on forward-looking statements or guidance, particularly in light of the current economic climate and the significant volatility, uncertainty and disruption arising in connection with COVID-19.
