

Unmarketable Parcels Sale Facility Update

12 April 2024

Boom Logistics Limited (ASX: BOL, "**Boom**" or the "**Company**") confirms that its Unmarketable Parcels Sale Facility (the "**Facility**"), announced on 23 February 2024, closed as scheduled on 5 April 2024.

The Facility enabled eligible shareholders who held less than A\$500 worth of fully paid ordinary shares ("**shares**") in Boom ("**Unmarketable Parcel**") and whose registered address is in Australia or New Zealand as at 7:00pm (Sydney time) on Friday, 16 February 2024 to sell their Unmarketable Parcels without incurring any brokerage or handling costs, while also assisting the Company to reduce the administrative costs associated servicing smaller shareholdings. Based on the Company's share price of \$0.135 at the close of trade on the Record Date (16 February 2024), an Unmarketable Parcel was any shareholding of between 1 and 3,703 shares.

A total of 512 shareholders with an aggregate of 868,773 shares participated in the Facility. The shares were sold at a volume-weighted average price in the ordinary course of trading on ASX at \$0.1352 per share on 11 April 2024. The reduction in the shareholder base as a result of the Facility will reduce the Company's administrative costs.

Shareholders whose shares were sold under the Facility will have their proceeds remitted to them as soon as practicable.

For further information, shareholders can contact Computershare Investor Services Pty Limited on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia).

Share Buy-back Update

Boom's share buy-back program was paused on 31 December 2023 pending the announcement of the Company's 1H FY24 results, and has remained paused while Boom conducted the Facility.

The buy-back will recommence on 15 April 2024. Under the buy-back program, Boom has so far acquired 2,067,268 shares, representing 0.5% of its total issued share capital.

This announcement contains certain forward-looking statements with respect to the financial condition, results of operations and business of Boom and certain plans and objectives of the management of Boom. Forward-looking statements can generally be identified by the use of words such as 'project', 'believe', 'foresee', 'plan', 'expect', 'aim', 'potential', 'goal', 'target', 'intend', 'anticipate', 'believe', 'estimate', 'may', 'could', 'should', 'will' or similar expressions. All such forward looking statements involve known and unknown risks, significant uncertainties, assumptions, contingencies and other factors, many of which are outside the control of Boom, which may cause the actual results or performance of Boom to be materially different from any future results or performance expressed or implied by such forward looking statements. Such forward-looking statements reflect expectations at the date of this announcement. Factors that could cause actual results or performance to differ materially include without limitation the following: risks and uncertainties associated with the Australian and global economic environment and capital market conditions, fluctuations in foreign currency exchange and interest rates, competition, Boom's relationships with, and the financial condition of, its suppliers and customers, or legislative changes, or regulatory changes or other changes in the laws which affect Boom's business. The foregoing list of important factors is not exhaustive. There can be no assurance that actual outcomes will not differ materially from these statements. Readers are cautioned to not place undue reliance on any forward looking statements. Except as required by law and ASX Listing Rules, Boom undertakes no obligation to update publicly or otherwise revise any forward looking statement as a result of new information, future events or other factors. Past performance cannot be relied on as a guide to future performance. Readers are cautioned to not place undue reliance on forward-looking statements or guidance, particularly in light of the current economic climate and the significant volatility, uncertainty and disruption arising in connection with COVID-19.
