Section 4:	Resolution 1 - Adoption of Remuneration Report
Section 5:	Resolution 2 - Re-election of Director - Mr William Bosch
Section 6:	Resolution 3 - Approval of 10% Placement Capacity

2. Action to be taken by Shareholders

2.1 General

Shareholders should read the Notice including the Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (a) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

2.2 Proxy restrictions

Shareholders appointing a proxy for Resolutions 1 and 5 should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair), or a Closely Related Party of such a member as your proxy:

You must direct the proxy how they are to vote. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on Resolutions 1 and 5.

If the Chairman is given your proxy (where he/she is also a member of Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member):

You do not need to direct the Chairman how you wish them to exercise your vote on Resolutions 1 and 5, however if you do not direct the Chairman how to vote, by signing the proxy form you expressly acknowledge that the Chairman may exercise their discretion in exercising your proxy even though Resolutions 1 and 5 is connected directly or indirectly with the remuneration of Key Management Personnel.

If you appoint any other person as your proxy:

You do not need to direct your proxy how to vote, however you are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on this Resolution.

The Chairman intends to exercise all available proxies in favour of all Resolutions.

Ordinary business

3. Financial Statements and Reports

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the Annual Report together with the declaration of the Directors, the Directors' report, the Remuneration Report and the Auditor's Report.

Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No resolution is required to be moved in respect of this item. Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and

make comments on the accounts and on the management of the Company.

The Chair will also give shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to:

- (a) the conduct of the audit;
- (b) the preparation and content of the Audit Report;
- (c) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the Auditor in relation to the conduct of the audit.

The Chair will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

In accordance with amendments to the Corporations Act, the Company is no longer required to provide a hard copy of the Annual Report to Shareholders unless a Shareholder has specifically elected to receive a printed copy. These amendments may result in a reduction in the Company's printing costs.

Whilst the Company will not provide a hard copy of the Annual Report unless specifically requested to do so, Shareholders may view the Company's Annual Report on its website at www.botanixpharma.com.

4. Resolution 1 - Adoption of Remuneration Report

4.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the Annual Report.

A reasonable opportunity will be provided for the Shareholders to ask questions or make comments on the Remuneration Report at the Annual General Meeting.

4.2 Voting Consequences

Under the Corporations Act, if at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (**Spill Resolution**) at the second annual general meeting.

If more than 50% of shareholders vote in favour of the Spill Resolution, the company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the Company's annual financial report for the financial year ended immediately before the second annual general meeting) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors of the company is approved will be the Directors of the company.

4.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

5. Resolution 2 - Re-election of Director - Mr William Bosch

Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer.

Clause 6.3 of the Constitution requires that one third (or the number nearest one-third) of the Directors must retire at each annual general meeting, provided always that no Director (except a Managing Director) shall hold office for a period in excess of three years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

The Company currently has four Directors.

Accordingly at least one Director must retire. A Director who retires by rotation under clause 6.3 of the Constitution is eligible for re-election.

In accordance with the Constitution, Mr William Bosch retires by rotation and, being eligible, seeks re-election.

Dr Bosch is a seasoned Pharmaceuticals executive with more than 25 years of experience in the industry, focusing on applications of drug delivery technology to Pharmaceuticals product development. Dr Bosch also works with iCeutica Inc. and is a co-inventor of the SoluMatrix™ technology and has been instrumental in the development and scale up of the platform and the development of the three FDA approved products that use that drug delivery technology.

Before iCeutica, he was Director of Pharmaceuticals Research at Elan Corporation where he managed the development activities for four commercial products that incorporate nanotechnology. Dr Bosch was a co-founder of NanoSystems LLC in 1995 and a co-inventor of NanoCrystal® Technology.

Mr Bosch has been a Director since 1 July 2016. The Board does not consider Mr Bosch to be an independent Director as he holds an executive position with the Company.

The Board (excluding Mr Bosch) recommends that Shareholders vote in favour of Resolution 2.

Resolution 2 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 2.

6. Resolution 3 - Approval of 10% Placement Capacity

6.1 General

Listing Rule 7.1A provides that an eligible entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital over a period up to 12 months after the annual general meeting (**10% Placement Capacity**).

An eligible entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company currently has on issue 757,424,658 Shares and the last recorded closing price of the Shares on 1 October 2018 was \$0.095. The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of approximately \$71.96 million (based on the closing Share price on 1 October 2018).

If Shareholders approve Resolution 3, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out below).

The effect of Resolution 3 will be to allow the Directors to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity without obtaining prior Shareholder approval or using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

The Chairman intends to exercise all available proxies in favour of Resolution 3.

6.2 Listing Rule 7.1A

- (a) Equity Securities

Any Equity Securities issued pursuant to Listing Rule 7.1A must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of quoted Equity Securities on issue, Shares.

- (b) Formula for calculating 10% Placement Capacity

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$(A \times D) - E$

Where:

A is the number of Shares on issue 12 months before the date of issue or agreement to issue:

- (A) plus the number of Shares issued in the previous 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the previous 12 months;
- (C) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4; and
- (D) less the number of Shares cancelled in the previous 12 months.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the Shareholder approval under Listing Rule 7.1 or 7.4.

(c) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of the Notice, the Company has on issue 757,424,658 Shares and therefore has capacity to issue:

- (i) subject to Shareholder approval being obtained under Resolution 4, 113,613,698 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being obtained under Resolution 3, 75,742,465 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rules 7.1 and 7.1A will be calculated at the date of issue of or agreement to issue the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

6.3 Technical information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated

over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in Section 6.3(a)(i), the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

The company will only issue Equity Securities under the 10% Placement Capacity during the 10% Placement Capacity Period.

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below (in the case of convertible securities, only if they are exercised or converted). The table below shows the economic and dilution effect that an issue of the 10% Placement Capacity will have on existing Shareholders, calculated in accordance with the formula outlined in Listing Rule 7.1A.2. There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary

securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice.

The table also shows:

- (iii) two examples where the number of Shares on issue has increased by 50% and 100%. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rules 7.1 that are approved at a future Shareholders' meeting; and
- (iv) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Number of Shares	Dilution			
	Issue Price (\$ per Share)	50% decrease in Issue Price (\$0.0475)	Issue Price (\$0.095)	100% increase in Issue Price (\$0.19)
757,424,658 (Shares currently on issue)	10% voting dilution	75,742,658 Shares	75,742,658 Shares	75,742,658 Shares
	Funds raised	\$3,597,776	\$7,195,552	\$14,391,105
1,136,135,987 (50% increase)	10% voting dilution	113,613,599 Shares	113,613,599 Shares	113,613,599 Shares
	Funds raised	\$5,396,645	\$10,793,292	\$21,586,583
1,514,849,316 (100% increase)	10% voting dilution	151,484,932 Shares	151,484,932 Shares	151,484,932 Shares
	Funds raised	\$7,195,534	\$14,391,069	\$28,782,137

The table above uses the following assumptions:

1. The current shares on issue are the Shares on issue as at 1 October 2018.
2. The issue price set out above is the closing price of the Shares on the ASX on 1 October 2018 (to one decimal place).
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options or other convertible securities are exercised into Shares before the date of issue of the Equity Securities.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1, or pursuant to the 15% placement capacity under Listing Rule 7.1.

7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example at 10%.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use any funds raised towards its existing & new product development studies and intellectual property maintenance costs, and general working capital; or
- (ii) as non-cash consideration for the acquisition of new assets and investments, in such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

(e) Allocation under the 10% Placement Capacity

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders including substantial Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) Previous Approval under Listing Rule 7.1A

The Company obtained Shareholder approval pursuant to Listing Rule 7.1A at its annual general meeting held on 14 November 2017 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting and as at the date of this Notice, the Company has issued 208,505,096 Equity Securities (excluding exercise of Options), and this represents 35.39% of the total number of Equity Securities on issue at the commencement of that 12 month period.

During the year the Company issued 54,311,129 Shares pursuant to Listing Rule 7.1A. These issues were ratified by Shareholders on 11 May 2018.

Details of each issue of Equity Securities by the Company during the 12 months preceding the date of this Notice are in Schedule 2.

(g) **Voting Exclusion**

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not determined its allocation policy for the issue of Equity Securities under the 10% Placement Capacity (other than noting the persons to whom Equity Securities will be issued will be determined on a case by case basis, having regard to the factors outlined in paragraph (e) above), nor has it invited any existing Shareholder to participate in an issue of Equity Securities under Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

7. Resolution 4 - Ratification of issue of Shares to various sophisticated and professional investors under ASX Listing Rule 7.1

Listing Rule 7.1 broadly provides that a company may issue without shareholder approval equity securities up to 15% of its issued capital in any 12 month period.

Listing Rule 7.4 permits the ratification of previous issues of securities made without prior Shareholder approval, provided the issue did not breach the 15% threshold set by Listing Rule 7.1. The effect of the ratification is to restore the Company's maximum discretionary power to issue further Shares up to 15% of the issued capital of the Company without requiring Shareholder approval.

Resolution 4 seeks ratification under Listing Rule 7.4 of the issue of 72,727,273 Shares that were made on 27 June 2018 in order to restore the ability of the Company to issue further Shares within the 15% limit during the next 12 months.

The following information in relation to the Shares is provided to Shareholders for the purposes of Listing Rule 7.5:

- (a) 72,727,273 Shares were issued;
- (b) the Shares were issued at an issue price of \$0.11 each;
- (c) the Shares issued were fully paid ordinary Shares in the capital of the Company and rank equally in all respects with the existing fully paid ordinary Shares on issue;
- (d) the Shares were issued to various sophisticated and professional investors, all of whom were unrelated parties of the Company; and

8. Resolution 5 - Approval of issue of securities under Employee Securities Incentive Plan

8.1 General

Resolution 5 seeks Shareholders approval for the issue of securities under the employee share option plan titled “Botanix Pharmaceuticals Limited Employee Securities Incentive Plan” (**Plan**) in accordance with Listing Rule 7.2 exception 9(b).

A summary of Listing Rule 7.1 is contained in Section 7 above.

8.2 Listing Rule 7.2, exception 9(b)

Listing Rule 7.2, exception 9(b) provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 5 is passed, the Company will be able to issue Equity Securities under the Plan to eligible participants over a period of 3 years without impacting on the Company’s ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

The Plan was previously approved by Shareholders. A total of 18,630,356 Equity Securities have been issued pursuant to the Plan

The objective of the Plan is to attract, motivate and retain key Directors, employees and contractors and it is considered by the Company that the future issue of Equity Securities under the Plan will provide selected participants with the opportunity to participate in the future growth of the Company.

Any future issues of Equity Securities under the Plan to a related party or a person whose relation with the Company or the related party is, in ASX’s opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

A summary of the key terms and conditions of the Plan is set out in Schedule 3. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

A voting exclusion statement has been included for the purposes of Resolution 5.

8.3 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 5.

Resolution 5 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 5.

9. Resolution 6 - Approval of proportional takeover provisions in Constitution

The proportional takeover provisions contained in Schedule 5 of the Company's Constitution requires the renewal of approval for the provisions every three years or the provisions cease to have effect. The proportional takeover provisions were adopted by Shareholders at the General Meeting held on 14 June 2016.

Resolution 6 seeks Shareholder approval for the proportional takeover provisions to be included in the Constitution with effect from the close of the Meeting, and is a special resolution, requiring approval of 75% of the votes cast by Shareholders entitled to vote on the resolution in order to be passed.

If Resolution 6 is passed, then Schedule 5 of the Constitution will have effect as and from the close of the Meeting for a period of three years. After a period of three years, Schedule 5 of the Constitution would cease to apply unless renewed by a further special resolution of Shareholders.

Section 648G(5) of the Corporations Act requires certain information to be included in a notice of meeting where a company seeks the approval of its members to adopt proportional takeover provisions. This information is set out below.

9.1 Proportional takeover bid

A proportional takeover bid is a takeover offer sent to all shareholders of a company, offering to purchase only a specified proportion of each shareholder's shares. If a shareholder accepts, the shareholder disposes of that specified portion of shares and retains the balance.

9.2 Effects of the proposed proportional takeover provisions

The effects of the proposed proportional takeover provisions in the Company's new Constitution are that:

- (a) if a bidder makes a proportional takeover bid for any class of shares in the Company, the Directors must ensure that a general meeting of members of that class is convened where a resolution to approve the bid is voted upon. The vote is decided on a simple majority. The bidder and its associates are excluded from voting on that approving resolution;
- (b) the resolution will be required to be passed in a general meeting before the time stated in section 648D of the Corporations Act, being the 14th day before the last day of the bid period ("approving resolution deadline"); and
- (c) if the approving resolution is:
 - (i) not voted on at the end of the day before the approving resolution deadline, the bid will be taken to have been approved;
 - (ii) put to members and rejected before the approving resolution deadline, the bid cannot proceed and the offer will be taken to have been withdrawn. Any transfers giving effect to takeover contracts for the bid will not be registered and all offers under the takeover bid are taken to be withdrawn and all takeover contracts must be rescinded; or

- (iii) passed (or taken to have been approved), the transfers must be registered (subject to other provisions of the Corporations Act and the Company's Constitution).

The proportional takeover provisions do not apply to full takeover bids.

9.3 Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all of their Shares. By making a proportional bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of not being able to exit their investment in the Company by selling their entire shareholding and consequently being left as a minority shareholder in the Company. The bidder may be able to acquire control of the Company without payment of an adequate control premium.

The proportional takeover provisions allow Shareholders to decide if a proportional takeover bid is acceptable in principle, and may assist in ensuring that any proportional takeover bid is appropriately priced. To assess the merits of the proportional takeover provisions, Shareholders should make a judgement as to what events are likely to occur in relation to the Company during the three year life of the proposed provisions.

9.4 Advantages and disadvantages

The Corporations Act requires this Explanatory Memorandum to discuss the advantages and disadvantages for Directors and Shareholders of the proportional takeover provisions which are proposed to be included in the Constitution.

The potential advantages for Shareholders of the proportional takeover provisions include the following:

- (a) Shareholders have the right to decide, by majority vote, whether an offer under a proportional takeover bid should proceed. The proposal would enable Shareholders to act in a cohesive manner and thereby avoid the coercion of Shareholders that arises where they believe the offer to be inadequate, but nevertheless accept through fear that other Shareholders will accept;
- (b) the provisions may assist Shareholders and protect them from being locked in as a minority;
- (c) the existence of the approval machinery in the Company's new Constitution may make it more probable that any takeover bid will be a full bid for the whole shareholding of each Shareholder, so that Shareholders may have the opportunity of disposing of all their shares rather than of a proportion only;
- (d) the provisions may increase the bargaining power of Shareholders and may assist in ensuring that any proportional takeover bid is adequately priced; and
- (e) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders and assist in deciding whether to accept or reject an offer under a proportional takeover bid.

The potential disadvantages for Shareholders include the following:

- (a) proportional takeover bids for Shares in the Company may be discouraged;
- (b) Shareholders may lose an opportunity to sell some of their Shares at a premium;
- (c) it is possible that the existence of the provisions might have an adverse effect on the market value of the Company's Shares by making a proportional takeover bid less likely and thereby reducing any takeover speculation element in the Share price;
- (d) individual Shareholders may consider that the proportional takeover provisions would restrict their ability to deal with their Shares as they see fit; and
- (e) the likelihood of a proportional takeover bid succeeding may be reduced.

9.5 Knowledge of any acquisition proposal

At the date of this Notice of Meeting, no Director of the Company is aware of any proposal by any person to acquire, or to increase the extent of a substantial interest in the Company.

9.6 Right to set aside Resolution

If Resolution 6 is passed, then within 21 days after the meeting, the holders of at least 10% of the Company's Shares have the right to apply to the court to have the Resolution set aside. The court may set aside the Resolution if the court is satisfied in all the circumstances that it is appropriate to do so.

9.7 Directors' recommendation

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provisions in the Constitution are in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 6.

Schedule 3 - Summary of Botanix Pharmaceuticals Limited Employee Securities Incentive Plan

The Company has established an employee incentive plan (**Plan**).

The full terms of the Plan may be inspected at the registered office of the Company during normal business hours and (unless otherwise defined) capitalised terms below have the definition ascribed in the Plan. A summary of the terms of the Plan is set out below.

1. Eligible Participant

Eligible Participant means a person that:

- (a) is an "eligible participant" (as that term is defined in ASIC Class Order 14/1000) in relation to the Company or an Associated Body Corporate (as that term is defined in ASIC Class Order 14/1000); and
- (b) has been determined by the Board to be eligible to participate in the Plan from time to time.

2. Purpose

The purpose of the Plan is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

3. Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

4. Eligibility, invitation and application

- (a) The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.
- (b) On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.
- (c) If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

5. Grant of Securities

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and

conditions set out in the invitation, the Plan rules and any ancillary documentation required.

6. Terms of Convertible Securities

Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to an Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

7. Vesting of Convertible Securities

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

8. Exercise of Convertible Securities and cashless exercise

To exercise an Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

9. Delivery of Shares on exercise of Convertible Securities

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a

substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

10. Forfeiture of Convertible Securities

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

11. Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.

12. Rights attaching to Plan Shares

All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

13. Disposal restrictions on Plan Shares

If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or

- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

14. Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

15. Participation in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

16. Amendment of Plan

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

17. Plan duration

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

If you are attending the meeting in person, please bring this with you for Securityholder registration.
