Dear Sir

RELOCATION OF MON BEVERAGES (Document no 31)

As previously disclosed, Australian Pure Fruits subsidiary MON Beverages, is the occupier of rented premises in Echuca. These premises have been sold to a supermarket chain necessitating the relocation of the MON manufacturing facility.

The Board has resolved to consolidate its operations into suitable food manufacturing premises in nearby Barooga with MON continuing to draw upon local produce. The Barooga plant should deliver more efficient production runs and maintain MON's dedication to quality all-Australian products.

MON distributors will remain based in Echuca and provide the traditional MON service and delivery, retaining a local warehouse and factory sales.

MON Beverages is committed to enhancing its reputation for attention to quality, local produce and traditional homespun recipes in its range of food and beverages produced under the MON label and contract packed for other brand names

Yours faithfully

Ian Christiansen
Secretary
