Market Update – Bill Express (Document No 39)

The Directors of Australian Pure Fruits Limited wish to announce that Bill Express is now operative. As reported 5th May 2003, Bill Express is an electronic form of bill payment, which provides an extension of the terminal technology offered by DialTime. Seven locations are trading in Newsagencies in Tasmania, with our first main land installations in New South Wales coming on line this week, being the commencement of a national rollout program.

Yours faithfully

Ian Christiansen
Company Secretary
