DIAL TIME TRANSACTIONS BREAK NEW GROUND – DOCUMENT 79

The Directors of Australian Pure Fruits Limited are pleased to announce that the wholly owned subsidiary, Dial Time Pty Ltd revenue for March exceeded \$28 million, which when compared with the \$12 million of March the previous year highlights Dial Time's excellent growth in the electronic prepaid telephony field.

The revenue for March exceeded our previous best month, being December 2003, as reported in the 22nd January 2004 announcement.

More than 7,250 terminals now transact Dial Time business across Australia with in excess of 1,750 terminals also being payment points for over-the-counter BILL ExpressTM bill payment transactions.

Yours faithfully
