The Directors do not propose to declare a dividend in respect of the half year period ending 31 December 2005.

The Company has established, but not yet activated, a Dividend Reinvestment Plan ("DRP") to provide Shareholders with the opportunity of reinvesting dividends in new Shares rather than receiving dividends in cash. The Directors may alter, suspend or terminate the terms of the DRP at any time. It will not commence operation until the Directors so resolve and Shareholders will be notified accordingly.

Participation in the DRP is optional. A shareholder may participate in the DRP in respect of all of its Shares or in respect of some only. Participating Shareholders may terminate their participation or increase or decrease the number of Shares participating under the DRP.

The Directors may decline to accept an application to participate in the DRP if, in their opinion, the laws of Australia or another country makes the Shareholder's participation in the DRP illegal, impractical, or undesirable.

Shares issued under the DRP will be issued at a price which is 100%, or such lower percentage as the Directors may resolve, but which may not be less than 95%, of the average sale price, rounded to the nearest cent, of all Shares sold on the ASX on the date the Company's share register is closed to determine the entitlement to a dividend and the four trading days immediately preceding the date.

No brokerage, commission or other transaction costs will be payable by participating Shareholders on Shares issued under the DRP.
