

IM Medical Limited (IMI)

IM Medical appoints new Director

Melbourne, {Thursday 21st April 2005}: IM Medical (ASX : IMI) is pleased to announce Dr Laurie Williams will join its Board as Non-Executive Director effective immediately.

Dr Laurie Williams is a Specialist Medical Practitioner and Fellow of the Australian Institute of Company Directors. Dr Williams is a major shareholder in Sync International: an IT development company providing communication solutions for the medical community.

"Dr Williams brings a wealth of experience and valuable skills to the IM Medical Board, and I am pleased to welcome him as a new Director," said Andrew Batty, Chief Executive Officer. "IM Medical will benefit from Dr William's background in medicine and commercialisation of products for the medical community"

Dr Williams joins Dr Jack Minas, Mr Allan Blood and Mr Andrew Batty on the board of IM Medical.

For And On Behalf Of The Board

A handwritten signature in black ink, appearing to read "A. Batty".

Andrew Batty
Chief Executive Officer

About IM Medical:

IM Medical is a company operating in the life sciences sector. In September 2004 the Company completed the acquisition of Intelliheart Pty Ltd, a company commercialising the Intelliheart System. This System enables the early diagnosis of an individual's risk of developing cardiovascular disease. For more information see www.immedical.com.au or call the Company on 03 9804 5298.
