EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

The business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at www.buxtonresources.com.au.

Shareholders will be offered the following opportunities:

- (a) discuss the annual financial report for the financial period ended 30 June 2022;
- (b) ask questions and make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2022.

A reasonable opportunity will be provided for questions about or comments on the Remuneration Report at the Annual General Meeting.

2.2 Voting Consequences

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

2.4 Proxy restrictions

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on this Resolution (Remuneration Report) by marking either "For", "Against" or "Abstain" on the Proxy Form for this Resolution.

If you appoint a member of the key management personnel whose remuneration details are included in the Remuneration Report (who is not the Chairman) or a closely related party of that member as your proxy, and you do not direct that person on how to vote on this Resolution, the proxy cannot exercise your vote and your vote will not be counted in relation to this Resolution.

The Chairman intends to vote all undirected proxies in favour of this Resolution. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on this Resolution, by signing and returning the Proxy Form you are giving express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2022. Their closely related parties are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – SEAMUS CORNELIUS

Rule 7.3 of the Constitution requires that at each annual general meeting, one-third of directors for the time being (rounded down to the nearest whole number) shall retire from office. Additionally, Listing Rule 14.4 provides that a Director must retire from office no later than the longer of the third annual general meeting of the Company or 3 years following that Director's last election or appointment. The retirement rules do not apply to the managing director.

Mr Seamus Cornelius was last re-elected as a Director at the 2019 annual general meeting. Mr Cornelius retires by rotation in accordance with the Constitution, and being eligible, offers himself for re-election as a Director.

Mr Cornelius is the Non-Executive Chairman of the Company. Details of the qualifications and experience of Mr Cornelius is set out in the Company's 2022 Annual Report.

The Board of the Company recommends the re-election of Seamus Cornelius as a Director.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – STUART FOGARTY

Rule 7.3 of the Constitution requires that at each annual general meeting, one-third of directors for the time being (rounded down to the nearest whole number) shall retire from office. Additionally, Listing Rule 14.4 provides that a Director must retire from office no later than the

longer of the third annual general meeting of the Company or 3 years following that Director's last election or appointment. The retirement rules do not apply to the managing director.

Mr Stuart Fogarty was last re-elected as a Director at the 2019 annual general meeting. Mr Fogarty retires by rotation in accordance with the Constitution, and being eligible, offers himself for re-election as a Director.

Mr Fogarty is a Non-Executive Director of the Company. Details of the qualifications and experience of Mr Fogarty is set out in the Company's 2022 Annual Report.

The Board of the Company recommends the re-election of Stuart Fogarty as a Director.

5. RESOLUTION 4 – APPROVAL OF ADDITIONAL 10% CAPACITY

5.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "*eligible entity*" means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

5.2 Specific information required by Listing Rule 7.3A

(i) Period for which approval is valid

An approval under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (b) The time and date of the Company's next annual general meeting.
- (c) The time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2.

(ii) Minimum price at which equity securities may be issued

Any equity securities issued under Listing Rule 7.1A must be in an existing quoted class of the eligible entity's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (b) if the securities are not issued within 10 Trading Days of the date in paragraph (a), the date on which the securities are issued.

(iii) Purposes for which funds raised may be used

Equity securities can only be issued under Listing Rule 7.1A for a cash consideration. Funds raised by the issue of equity securities under Listing Rule 7.1A may be used for the continued development of the Company's current assets, the acquisition of new assets or other investments (including expenses associated with such acquisition), and for general working capital.

(iv) Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the equity securities in that class may be significantly lower on the issue date than on the date of the Shareholder approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for variable "A" in the formula in Listing Rule 7.1A.2. This includes one example that assumes that "A" is double the number of Shares on issue at the time of the approval under Listing Rule 7.1A and that the price of Shares has fallen by 50%.

Number of Shares on Issue (Variable "A" in Listing Rule 7.1A.2)	Number of Shares issued under additional 10% capacity	Dilution		
		Funds raised based on issue price of [*] cents	Funds raised based on issue price of [*] cents	Funds raised based on issue price of [*] cents
		(50% decrease in current issue price)	(Current issue price)	(100% increase in current issue price)
145,829,094 (Current)*	14,582,909	\$ 729,145.47	\$1,458,290.94	\$2,916,581.88
218,743,641 (50% increase)*	21,874,364	\$1,093,718.21	\$2,187,436.41	\$4,374,872.82
291,658,188 (100% increase)*	29,165,819	\$1,458,290.94	\$2,916,581.88	\$5,833,163.76

*The number of Shares on issue (variable "A" in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata

rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

1. The current Shares on issue are the Shares on issue as at 7 October 2022.
2. The issue price set out above is the closing price of the Shares on the ASX on 7 October 2022.
3. The Company issues the maximum number of equity securities available under the additional 10% capacity.
4. No Options are exercised into Shares before the date of the issue of the equity securities.

(v) Allocation Policy

The Company's allocation policy for the issue of equity securities under the additional 10% capacity will depend on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- (b) the effect of the issue of the equity securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the additional 10% capacity have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company and may include new investors who have not previously been Shareholders.

(vi) Equity securities issued under Listing Rule 7.1A.2 in the previous 12 months

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding this Meeting.

(vii) Voting Exclusion Statement

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

6. RESOLUTION 5 – APPROVAL TO RENEW PROPORTIONAL TAKEOVER PROVISIONS

6.1 Background

Under the Corporations Act, a company may include provisions in its constitution to enable it to refuse to register shares acquired under a proportional takeover bid unless a resolution approving the bid is passed by the shareholders.

The Company obtained Shareholder approval on 22 November 2019 to adopt proportional takeover approval provisions in the new Constitution that was also adopted at that meeting. By section 648G of the Corporations Act, the proportional approval takeover provision ceases to apply after 3 years (being 22 November 2022). The Company may renew the proportional takeover provision for a period of up to 3 years.

The proportional takeover approval provision is set out in Annexure 1 to the Notice and the provision forms Schedule 3 of the Constitution.

By this Resolution the approval of Shareholders is sought to renew the proportional takeover approval provision in the Constitution for a further 3 year period from the date of this Meeting. The Corporations Act requires the Company to provide Shareholders with various material including an explanation of the proposed proportional takeover approval provision. This information is set out below so that Shareholders may make an informed decision on whether to support or oppose the Resolution.

6.2 What is a proportional takeover bid?

A proportional takeover bid is a takeover bid where the offer made to each Shareholder is only for a proportion of that Shareholder's securities in the relevant bid class.

Accordingly, if a Shareholder accepts in full the offer under a proportional takeover bid, the Shareholder will dispose of the specified portion of their bid class securities and retain the balance of their bid class securities. This means that control of the Company may pass without members having the chance to sell all their securities to the bidder. It also means the bidder may take control of the Company without paying an adequate amount for gaining control.

6.3 Effect of the provision to be renewed

If a proportional takeover bid is made to Shareholders of the Company, the Board will be required to convene a meeting of Shareholders to vote on a resolution to approve the proportional takeover bid ("**Approving Resolution**"). That meeting must be held at least 14 days before the offer under the proportional takeover bid closes.

The resolution shall be taken to have been passed if a majority of Shares voted at the meeting, excluding the securities of the bidder and its associates, vote in favour of the resolution. If no resolution is voted on before the end of the 14th day before the close of the offer, the resolution will be deemed to have been passed.

Where the Approving Resolution is passed or deemed to have been passed, transfers of Shares resulting from accepting the offer will be registered provided they otherwise comply with relevant regulatory requirements. If the resolution is rejected, then in accordance with the Corporations Act, the offer will be deemed to be withdrawn.

The proportional takeover approval provision does not apply to full takeover bids.

6.4 Reasons for proposing the resolution

The Directors consider that Shareholders should continue to have the proportional takeover approval provision in the Constitution. Without the inclusion of such a provision, a proportional takeover bid for the Company may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their securities to the bidder.

Accordingly, Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their Shares whilst leaving themselves as part of a minority interest in the Company.

The provision deals with this possibility by providing that if a proportional takeover bid is made for Shares in the Company, Shareholders must vote on whether or not a proportional takeover bid should be permitted to proceed.

The benefit of the provision is that Shareholders are able to decide collectively whether the proportional offer is acceptable in principle and it may ensure that any partial offer is appropriately priced.

6.5 No knowledge of present acquisitions proposals

As at the date on which this Explanatory Statement is prepared, no Director is aware of a proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

6.6 Potential advantages and disadvantages for the Directors and Shareholders of the Company

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages for Shareholders include the following:

- (a) Shareholders have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) they may assist Shareholders from being locked in as a minority;
- (c) they increase the bargaining power of Shareholders and may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders and assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages for Shareholders including the following:

- (a) proportional takeover bids for Shares in the Company may be discouraged;
- (b) Shareholders may lose an opportunity to sell some of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

6.7 Review of advantages and disadvantages of the proportional takeover approval provision

While the proportional takeover approval provision has been in effect under the Company's Constitution, no takeover bids for the Company have been made, either proportional or otherwise. Accordingly, there are no actual examples against which the advantages or disadvantages of the existing proportional takeover provision (that is, Schedule 3 of the Constitution) could be reviewed for the Directors and Shareholders of the Company. The Directors are not aware of any potential takeover bid that was discouraged by the proportional takeover approval provision.

6.8 Directors' Recommendation

On balance, the Directors consider that the possible advantages outweigh the possible disadvantages such that renewal of the proportional takeover approval provision is in the interests of Shareholders.

The Directors recommend that Shareholders vote in favour of this Resolution.

If this Resolution is approved, then the proportional takeover approval provision will take effect for a further 3 years from the date of the Meeting.

7. RESOLUTION 6 – APPOINTMENT OF AUDITOR

7.1 Background

As announced on 19 August 2022, the Company appointed Rothsay Audit & Assurance Pty Ltd ("Rothsay Audit & Assurance") as the auditor of the Company effective on 15 July 2022.

The process involved in the appointment is the Company received the resignation of Rothsay Auditing which occurred with ASIC's consent pursuant to section 329(5) of the Corporations Act. Rothsay Audit & Assurance was then appointed by the Board as auditor to fill a casual vacancy pursuant to section 327C of the Corporations Act. Rothsay Audit & Assurance holds office as auditor until the Company's next annual general meeting (being this Meeting) at which time the auditor must be appointed by Shareholders.

By section 327B(1) of the Corporations Act, a public company must appoint an auditor to fill any vacancy in the office of auditor at each annual general meeting. An auditor so appointed holds office until the auditor dies, is removed or resigns from office, ceases to be capable of acting as an auditor or ceases to be an auditor.

By this Resolution the Company is seeking Shareholder approval to the appointment of Rothsay Audit & Assurance as auditor with effect from the close of the Meeting.

In accordance with the Corporations Act, a Shareholder has given to the Company a written notice of nomination of Rothsay Audit & Assurance as auditor of the Company. A copy of this written notice is attached as Annexure 2. Rothsay Audit & Assurance has consented to the appointment as auditor pursuant to section 328A(1) of the Corporations Act.

7.2 Recommendation

The Directors of the Company recommend that Shareholders vote in favour of appointing Rothsay Audit & Assurance as the Company's auditor.

If this Resolution is not passed, there will be a vacancy in respect of the Company's auditor, which the Board will be obliged to fill within one month in accordance with section 327C of the Corporations Act.

1.3 Resolution

- (a) Where offers have been made under a proportional takeover bid, the directors must:
 - (i) convene a meeting of the persons entitled to vote on the approving resolution for the purpose of considering and, if thought fit, passing a resolution to approve the proportional takeover bid; and
 - (ii) ensure that such a resolution is voted on in accordance with this paragraph 1.3, before the approving resolution deadline.
- (b) The provisions of this constitution relating to general meetings apply, so far as they can and with such changes as are necessary, to a meeting that is convened pursuant to paragraph 1.3(a).

- (e) An approving resolution is to be taken as passed if the proportion that the number of votes in favour of the resolution bears to the total number of votes on the resolution is greater than one half, and otherwise is to be taken to have been rejected.
- (f) If an approving resolution has not been voted on in accordance with this paragraph 1.3 before the approving resolution deadline, an approving resolution will be taken to have been passed in accordance with this paragraph 1.3 on the approving resolution deadline.
