BRAMBLES DIVIDEND REINVESTMENT PLAN (DRP)

As announced on 15 February 2011, Brambles' 2011 interim dividend of $0.13 per ordinary share, franked at 20%, is payable on 14 April 2011.

Brambles today announces that, following completion of the DRP pricing period from 15 March 2011 to 4 April 2011 inclusive, the price at which shares will be issued to participants will be $6.70 per ordinary share. This price was calculated in accordance with the DRP rules applicable to the 2011 interim dividend. A copy of the DRP rules is on the Brambles website at www.brambles.com.

Applications have been received from holders of approximately 45% of ordinary shares on issue to participate in the DRP for the 2011 interim dividend.

In line with the previously announced funding strategy for the acquisition of IFCO Systems, the DRP for the 2011 interim dividend is fully underwritten.
