The respective roles and responsibilities of the Board and management are detailed in the Board Charter available on the Company's website.

The Board Charter also sets out the matters expressly reserved to the Board and those delegated to management (see Management section of this Statement).

Appointment, Induction and Training

In selecting new Directors, the Board must ensure that the candidate has the appropriate range of skills, experience and expertise that will best complement Board effectiveness.

The Company ensures that appropriate background checks are undertaken regarding a potential new Director's character, experience, education, criminal record and bankruptcy history before appointing or putting forward a candidate to shareholders for election as a Director.

The Company also provides its shareholders with all material information in its possession that is relevant to their decision on whether or not to elect or re-elect a Director through the Notice of Meeting, Director Resumes and other information contained in the Annual Report and on the Company's website.

Upon appointment, each Director will receive a written agreement which sets out the terms of their appointment. New Directors will also attend an induction program where they are briefed on the Company's:

- operations and the industry sectors in which it operates;
- financial, strategic, operational and risk management position;
- governance matters, policies and procedures; and
- the Director and committee member's rights, duties and responsibilities.

Directors are also provided with regular professional development opportunities to develop and maintain the skills and knowledge needed to perform their role as Directors effectively.

Board Performance

The Company believes that it is important that the Board reviews its own performance to ensure it is performing at a high level. Under the Board Charter, the Board must conduct an annual performance review. The Charter sets out the process for this review.

A Board review was undertaken during the year by the Chairman.

Corporate Governance Statement (Continued)

Board Committees

The board has two committees:

- Audit and Risk Management Committee
- Remuneration Committee

Audit and Risk Management Committee

The committee has a formal audit charter approved by the board. The charter is available under Corporate Governance in the investor section of the Company's website.

It is the board's responsibility to ensure that an effective internal control framework exists within the entity. This includes internal controls to deal with both the effectiveness and efficiency of significant business processes, the safeguarding of assets, the maintenance of proper accounting records, and the reliability of financial information as well as non-financial considerations such as the benchmarking of operational key performance indicators. The board has delegated the responsibility for the establishment and maintenance of a framework of internal control and ethical standards for the management of the Company to the audit committee.

The audit committee reviews the efficiency and effectiveness of the external auditors on a regular basis and determines from those reviews the performance of the external auditors. The Company requires that the external auditors rotate their audit engagement partners every five years. The committee also provides the board with additional assurance regarding the reliability of financial information for inclusion in the financial reports.

The members of the Audit and Risk Management Committee are:

- Patrick Ford (chairman)
- Anthony Ho

Only two independent directors have been appointed to the Audit and Risk Management Committee. This is sufficient given size and scale of the Company.

Qualifications of Audit and Risk Management Committee members

Mr Ford holds a Commerce degree and is a stockbroker with experience of financial and accounting matters.

Mr Ho has a Bachelor of Commerce degree from the University of New South Wales, is a Fellow of the Australian Institute of Company Directors and the Institute of Chartered Accountants of Australia and New Zealand.

The Audit and Risk Management Committee convened twice during the year. Attendance by Committee members are as follows:

	Attended	Eligible to Attend
Patrick Ford	2	2
Anthony Ho	2	2

Risk

The Board oversees the Company's risk management framework and internal control systems through regular monitoring, assessment and review. The Board is required to review, at least annually, the effectiveness of the Company's risk management and internal control systems.

The Board reviews and assesses the Company's exposure to economic, environmental and social sustainability risks and determines the Company's approach to managing those risks.

Remuneration and Nomination

The Board has a number of processes that it uses for setting the level and composition of remuneration for Directors and ensuring that such remuneration is appropriate. These are described in the Remuneration section of the Annual Report. The Remuneration Report also includes a summary of policies and practices regarding the remuneration of Directors. The Remuneration Policy is also available on the Company's website.

The Board addresses succession issues and ensures that the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively through regular review and assessment. The Board does not have a Remuneration and Nomination Committee and addresses these matters as a board.

Internal Audit

The Company does not have an internal audit function, and due to its size. Based on current activities the Board does not believe that one is warranted at this time. The Board evaluates and monitors internal control processes to continually improve the effectiveness of its risk management.

External Auditor

The Company's external auditor, RSM Australia Pty Ltd, attends the Annual General Meeting (AGM) and a representative is available to answer questions from shareholders relevant to the audit at the AGM.

RSM Australia Pty Ltd independence declaration is contained in the 2018 Annual Report.

Management

The Company has:

- written agreements which set out the terms of their appointment;
- a process for periodically evaluating their performance; and
- policies and practices regarding remuneration for each of its employees and contractors.

CEO and CFO Declaration

The director acting as CEO during the year and the CFO have made a declaration required by the section 295A of the Corporation Act and recommended under Recommendation 4.1 and Recommendation 7.2 of the ASX Principles.

The declaration states to the board in writing that to the best of their knowledge the integrity of the financial statements is in accord with relevant accounting standards, present a true and fair view, and are founded on a sound system of risk management and internal compliance and controls which operates efficiently and effectively in all material respects.

Company Secretary

The Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board. The role of the Company Secretary is set out in more detail in the Board Charter.

Code of Conduct

The Company is committed not only to complying with its legal obligations, but also to acting ethically and responsibly. The Company expects a high level of honesty, care, fair dealing and integrity in the conduct of all business activities.

The Company has a Code of Conduct which sets the minimum standards of conduct expected of all Directors, officers, executives, employees and contractors of the Company. The Code of Conduct is available on the Company's website.

Diversity Policy

The Company is committed to ensuring an inclusive workplace that encourages and embraces diversity. However, the Company has not formally established measurable objectives for achieving gender diversity given the current stage of its operations and number of employees.

Continuous Disclosure

The Company must comply with continuous disclosure requirements arising from legislation and the ASX Listing Rules. The Company has in place a written policy for complying with its continuous disclosure obligations under the ASX Listing Rules. The Continuous Disclosure Policy is available on the Company's website.

Shareholder Communication

The Company is committed to regularly communicating with its shareholders in a timely and accessible manner, and to encouraging shareholder participation at its general meetings.
