About Bioxyne Ltd.

Bioxyne Limited is an Australian pharmaceutical company focused on the development and commercialisation of innovative medicines and active pharmaceutical ingredients. Through its subsidiary, Breathe Life Sciences, Bioxyne is expanding into the production of psychedelic compounds for therapeutic use.

About Breathe Life Sciences (BLS)

Breathe Life Sciences (“BLS”) is a wholly owned subsidiary of Bioxyne Ltd (BXN:ASX) and GMP-licensed manufacturer, wholesaler, importer and exporter of controlled substances (S3, S4, S8, S9), including medicinal cannabis, Psilocybin, and MDMA.

BLS was founded in 2018 and has quickly expanded into a multi-national business focused on alternative therapeutics and investigational medicines. The company’s corporate head office is in Sydney, with operations and licensed manufacturing, warehousing, import/export, sales and distribution centres in Queensland (Australia), Nagoya (Japan), Scotland (UK), and Prague (Czechia).

The BLS business model is focused on manufacturing final dose form medicines, sales and distribution. BLS sources raw materials and API from suppliers in 5 continents and is the Australian market leading manufacturer of therapeutic goods including cannabis, MDMA, and Psilocybin.

Outside of Australia the BLS Group operates in pharmaceuticals, medical cannabis, consumer health products, and novel foods (CBD). In the UK, Europe and Japan, the Company engages in the following activities:

- a) Owner of the Dr Watson® brand in the UK, Japan, Australia and New Zealand. Internationally recognised for its cannabis-based food supplements, lifestyle products, functional mushrooms and nootropics, and prescription-only medicines.
- b) Contract medicine manufacture and white label manufacture of medicinal products for human use.
- c) Wholesale distribution, import and export of controlled drugs, finished medicinal products, and active pharmaceutical ingredients.
- d) Research and development of novel medicines.
- e) Direct sales via online and wholesale of BLS-owned consumer brands, such as Dr Watson®
