About Cuscal Limited

Cuscal is an authorised deposit-taking institution (ADI), with the licences, connectivity and processing capability to support all payment types and regulated data services. The combination of these capabilities and credentials within a single organisation in Australia is limited to the four major Australian banks and Cuscal. Cuscal powers seamless and secure connections for its clients and their customers. Having originally been formed in 1966 to service Australia's mutual banking organisations, Cuscal's business has focused on innovation and investment to expand its capabilities to be a leading player in Australian payments.
