3D.1 Any other information the entity wishes to notify to ASX about the buy-back

The update is required as, pursuant to ASIC Regulatory Guide 110, the company must commence purchasing shares under the buyback within two months of the start date. The company was not able to commence the buyback until now, mainly due to corporate events in H2 FY26, including capital raisings and two acquisitions. As a consequence, an amended start date is required. The company intends to commence purchasing shares under the buyback in late March.
