securities

The directors of Intiger Group Limited ("**Intiger Group**" or the "**Company**") wish to provide further clarity to the Company's ASX release on 01 March 2017 following numerous shareholder and media enquiries.

The Company wishes to clarify that, although the ASX release of 01 March 2017 describes the arrangement between the Company and NAB Financial Planning (**NABFP**) as a non-binding Memorandum of Understanding (**MOU**), the actual title of the document setting out the terms of the arrangement is "summary of understanding". The document provides for a proposed initial pilot program under which the Company will produce mock statements of advice utilizing the Company's advice creation processes and technology.

The Company wishes to confirm that the payment in respect of this initial pilot program is immaterial and that the initial pilot program may or may not lead to a longer term relationship. Intiger Group looks forward to working with NABFP on the initial pilot program.

Yours faithfully,

Sonu Cheema
Company Secretary
