The Options have an exercise price of \$7.00 (subject to adjustment in the event of bonus issues or pro rata issues of ordinary shares in the Company or of securities convertible into ordinary shares in the Company or reconstructions in accordance with the ASX Listing Rules).

Each Option may be exercised at any time during the 30 day period following the release to the ASX of the Company's half-year or full-year results or the date of the Company's annual general meeting or on the date prior to any record date for determining entitlements under a bonus issue or pro-rata issue.

The Options may also be exercised following a takeover bid, scheme of arrangement or other transaction relating to the Company's ordinary shares which has become unconditional and as a consequence a person will become entitled to cast more than 50% of the votes which may ordinarily be cast on a poll at a general meeting of the Company.

If they are not exercised sooner, the Options will expire on the later of 7 November 2012 or the date of the 2012 annual general meeting of the Company.
