# DISCLAIMER

Certain statements contained in this presentation, including, without limitation, statements containing the words **"believes,"** "**plans**," "**expects**," "**anticipates**," and words of similar import, constitute "forward-looking statements." Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of Chimeric (collectively, "Chimeric" or the "Company") to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements.

Such factors include, among others, the following: the risk that our clinical trials will be delayed and not completed on a timely basis; the risk that the results from the clinical trials are not as favourable as we anticipate; the risk that our clinical trials will be more costly than anticipated; and the risk that applicable regulatory authorities may ask for additional data, information or studies to be completed or provided prior to their approval of our products.

Given these uncertainties, undue reliance should not be placed on such forward-looking statements. The Company disclaims any obligation to update any such factors or to publicly announce the results of any revisions to any of the forward-looking statements contained herein to reflect future events or developments except as required by law.

This presentation may not contain all the details and information necessary for you to make a decision or evaluation. Neither this presentation nor any of its contents may be used for any other purpose without the prior written consent of the Company.
