EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of shareholders of Cassius Mining Limited ("Cassius" or "the Company") in connection with the business to be transacted at the Annual General Meeting of shareholders of Cassius to be held at Regus, Level 4, Australia Square Plaza, 95 Pitt Street, Sydney, Australia at 11.00am (AEDST) on Friday, 29 November 2019.

The Directors recommend shareholders read the accompanying Notice of Annual General Meeting ("Notice") and this Explanatory Memorandum in full before making any decision in relation to the resolutions.

ITEM 1: Financial Statements

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2019 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

In accordance with amendments to the Corporations Act, the Company is no longer required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company's annual financial report on its website at www.cassiusmining.com

RESOLUTION 1: Adoption of Remuneration Report

The Corporations Act requires that at a listed company's Annual General Meeting, a resolution that the remuneration report be adopted must be put to Shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company. The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for the financial year ended 30 June 2019. A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

RESOLUTION 2: Re-election of a Director

The Constitution provides that at every annual general meeting, one third of the Directors (other than the managing director) must retire from office by rotation and are eligible for re-election. Mr James Arkoudis retires by rotation and is seeking re-election.

Mr Arkoudis boasts over twenty years commercial experience as a solicitor until 2013. Most recently he has developed an expertise in the mining Law and administrative practice of the mining sector in the Republic of Ghana. Mr Arkoudis also has wide experience in litigation matters including matters involving mining companies. Mr Arkoudis has also previously been a director of an ASX Listed mining Company.

The Directors other than Mr Arkoudis recommend Shareholders vote in favour of his re-election.

RESOLUTION 3: Approval of Additional 10% Placement Facility

Background

Listing Rule 7.1A enables an eligible entity to issue Equity Securities totalling up to 10% of its issued ordinary share capital through placements over a 12 month period following the entity's annual general meeting (**Additional 10% Placement Facility**). The Additional 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting. The Company's market capitalisation is currently approximately \$2.1 million. The Company is an eligible entity as at the date of this Notice of Annual General Meeting and is expected to be an eligible entity as at the date of the Annual General Meeting.

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Facility throughout the 12 months after the Annual General Meeting. The effect of Resolution 3 will be to allow the directors to issue Equity Securities under Listing Rule 7.1A during the period set out below (refer to section (c) under the Listing Rule 7.3A Requirements heading in this Explanatory Memorandum).

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the Annual General Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The exact number of Equity Securities that the Company may issue under the Additional 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section (b) under the Regulatory Requirements heading of this Explanatory Memorandum below).

The Company is seeking a mandate to issue securities under the Additional 10% Placement Facility to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

Equity Securities issued under the Additional 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of the Notice of Annual General Meeting, the Company has on issue one class of quoted Equity Securities, namely Shares.

Listing Rule 7.3A Requirements

In compliance with the information requirements of Listing Rule 7.3A, Shareholders are advised of the following information:

a. Minimum Issue Price

The issue price of Equity Securities issued under the Additional 10% Placement Facility must not be lower than 75% of the volume weighted average price for securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- i. The date on which the price at which the Equity Securities are to be issued is agreed; or
- ii. If the Equity Securities are not issued within 5 trading days of the date in paragraph (i) the date on which the Equity Securities are issued.

b. Dilution

As at the date of this Notice of Annual General Meeting, the Company has 261,246,390 Shares

Cassius Mining Limited | Level 14 3 Spring Street Sydney NSW 2000 GPO Box R383 Royal Exchange 1225 Australia

on issue. If Shareholders approve Resolution 3, the Company will have the capacity to issue approximately 26,124,639 Equity Securities under the Additional 10% Placement Facility in accordance with Listing Rule 7.1A.

The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

$$(A \times D) - E$$

where:

A is the number of fully paid shares on issue 12 months before the date of issue or agreement:

- A: plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- B: plus the number of partly paid shares that became fully paid in the 12 months;
- C: plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 or 7.4;
- D: less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Facility, existing Shareholders' voting power in the Company will be diluted as shown in the table below to the extent Shareholders do not receive any Shares under such issues. There is a risk that:

- i. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than the date of the Annual General Meeting; and
- ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Annual General Meeting.

The table (over page) also shows:

- i. two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rate entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.004 50% decrease in Issue Price	\$0.008 Issue Price	\$0.012 50% increase in Issue Price
Current Variable A 261,246,390 Shares	Shares issued	26,124,638 New Shares	26,124,638 New Shares	26,124,639 New Shares
	Funds raised	\$104,499	\$208,997	\$313,496
50% increase in current Variable A 391,869,585 Shares	Shares issued	39,186,958 New Shares	39,186,958 New Shares	39,186,958 New Shares
	Funds raised	\$156,748	\$313,496	\$470,243
100% increase in current Variable A 522,492,790 Shares	Shares issued	52,249,279 New Shares	52,249,279 New Shares	52,249,279 New Shares
	Funds raised	\$208,997	\$417,994	\$626,991

The table has been prepared on the following assumptions:

1. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Facility.
2. No Options are exercised into Shares before the date of the issue of the Equity Securities. The Company currently has 12,374,999 unquoted options on issue.
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
4. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
5. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% Placement capacity under Listing Rule 7.1.
6. The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
7. The issue price is \$0.008, being the closing price of the Shares on ASX on 18 October 2018.

c. Issue Period

If Shareholders approve Resolution 3, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Facility under Listing Rule 7.1A from the date of the Annual General Meeting until the earlier of the following to occur:

- i. The date that is 12 months after the date of the Annual General Meeting; and

- ii. The date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature of scale of activities) or 11.2 (disposal of main undertaking).

(the Additional 10% Placement Period).

The Company will only issue and allot Equity Securities under the Additional 10% Placement Facility during the Additional 10% Placement Period.

d. Purpose of Issues

The Company may seek to issue the Equity Securities for the following purposes:

- i. Non-cash consideration for the acquisition of the new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- ii. Cash consideration. In such circumstances, the Company intends to use the funds raised on continued exploration expenditure and/or general working capital.

The Company will provide further information at the time of issue of any Equity Securities under the Additional 10% Placement Facility in compliance with its disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A.

e. Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- i. the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- ii. the effect of the issue of the Equity Securities on the control of the Company;
- iii. the financial situation and solvency of the Company; and
- iv. advice from corporate, financial and broking advisers (if applicable).

No issue will be made to any related party.

f. Previous issues

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting on 30 November 2018. The Company has not issued any Equity Securities pursuant to Listing Rule 7.1A in the 12 months preceding the date of the Annual General Meeting.

In accordance with Listing Rule 7.3A.6(a), details of the total number of Equity Securities issued in the 12 months preceding the date of the Annual General Meeting and the percentage those issues represent of the total number of Equity Securities on issue at the commencement of the 12 month period preceding the date of the Annual General Meeting are as follows:

Equity Securities issued in 12 months prior to the Annual General Meeting on 29 November 2019	Nil
Percentage previous issues represent of total number of Equity Securities on issue at commencement of the 12 month period prior to the 30 November 2018 Annual General Meeting	-

g. Voting exclusion statement

A voting exclusion statement for Resolution 3 is included in the Notice of Annual General Meeting preceding this Explanatory Memorandum.

At the date of the Notice of Annual General Meeting, the Company has not approached any particular existing security holder or an identifiable class of existing security holders to participate in the issue of the Equity Securities. Accordingly, the proposed allottees of any Equity Securities under the Additional 10% Placement Facility are not as yet known or identified.

In these circumstances, for a person's vote to be excluded it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

Board Recommendation

The Board believes that the Additional 10% Placement Facility is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months after the Annual General Meeting. Accordingly, the Board unanimously recommend that Shareholders approve Resolution 3.
