Change of Non-Executive Chairman

Berkut Minerals Limited ("Berkut" or "the Company") would like to announce the resignation of Mr Michael Bohm effective 30 June 2017, with current Non-Executive Director Mr Justin Tremain to assume the role of Non-Executive Chairman from 1 July 2017. This change has been necessitated by new and increased business commitments in other parts of Mr Bohm's portfolio.

Justin Tremain stated *"I'd like to take the opportunity to thank Mike for his time and input over the last 12 months. Berkut is very well positioned with exciting new cobalt projects in Scandinavia, a first-class management team lead by Neil Inwood, and a healthy funding position. Mike has been a part of the Berkut team achieving those milestones and we wish him well."*
