¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

CORPORATE GOVERNANCE STATEMENT 2017

This Corporate Governance Statement is current as at 29 September 2017 and has been approved by the Board of the Company on that date.

This Corporate Governance Statement discloses the extent to which the Company will follow the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that will not be followed have been identified and reasons provided for not following them along with what (if any) alternative governance practices the Company intends to adopt in lieu of the recommendation.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board and Executive Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

The Company's Corporate Governance Plan is available on the Company's website at berkutminerals.com.au.

RECOMMENDATIONS (3 RD EDITION)	COMPLY	EXPLANATION
Principle 1: Lay solid foundations for management and oversight		
Recommendation 1.1 A listed entity should have and disclose a charter which sets out the respective roles and responsibilities of the Board, the Chair and management, and includes a description of those matters expressly reserved to the Board and those delegated to management.	YES	The Company has adopted a Board and Executive Charter that sets out the specific roles and responsibilities of the Board, the Chair and management and includes a description of those matters expressly reserved to the Board and those delegated to management. The Board and Executive Charter sets out the specific responsibilities of the Board, requirements as to the Board's composition, the roles and responsibilities of the Chairman and Company Secretary, the establishment, operation and management of Board Committees, Directors' access to Company records and information, details of the Board's relationship with management, details of the Board's performance review and details of the Board's disclosure policy. A copy of the Company's Board and Executive Charter is available on the Company's website.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a Director; and (b) provide security holders with all material information relevant to a decision on whether or not to elect or re-elect a Director.	YES	(a) The Company has guidelines for the appointment and selection of the Board in its Nomination and Remuneration Committee Charter. This Charter requires appropriate checks (including checks in respect of character, experience, education, criminal record and bankruptcy history (as appropriate)) are undertaken before appointing a person, or putting forward to security holders a candidate for election, as a Director. (b) The Company ensures that all material information in its possession relevant to a shareholder's decision whether to elect or re-elect a director, including the information referred to in Recommendation 1.2, is provided to shareholders in the Company's Notice of Annual General Meeting.

RECOMMENDATIONS (3 RD EDITION)	COMPLY	EXPLANATION
Recommendation 1.3 A listed entity should have a written agreement with each Director and senior executive setting out the terms of their appointment.	YES	Each director and Executive of the Company has an agreement in writing with the Company which sets out the key terms and conditions of their appointment including their duties, rights and responsibilities and (to the extent applicable) the matters referred to in the commentary to Recommendation 1.3.
Recommendation 1.4 The company secretary of a listed entity should be accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.	YES	The Board and Executive Charter outlines the roles, responsibility and accountability of the Company Secretary. In accordance with this, the Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.
Recommendation 1.5 A listed entity should: (a) have a diversity policy which includes requirements for the Board or a relevant committee of the Board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them; (b) disclose that policy or a summary of it; and (c) disclose as at the end of each reporting period: (i) the measurable objectives for achieving gender diversity set by the Board in accordance with the entity's diversity policy and its progress towards achieving them; and (ii) either: (A) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined	PARTIALLY	(a) The Company has adopted a Diversity Policy which provides a framework for the Company to establish and achieve measurable diversity objectives, including in respect of gender diversity. The Diversity Policy allows the Board to set measurable gender diversity objectives, if considered appropriate, and to assess annually both the objectives and the Company's progress in achieving them. (b) The Diversity Policy is available on the Company's website. (c) (i) The Board does not presently intend to set measurable gender diversity objectives because: - the Board does not anticipate there will be a need to appoint any new Directors or senior executives due to limited nature of the Company's existing and proposed activities and the Board's view that the existing Directors and senior executives have sufficient skill and experience to carry out the Company's plans; and

“senior executive” for these purposes); or (B) if the entity is a “relevant employer” under the Workplace Gender Equality Act, the entity’s most recent “Gender Equality Indicators”, as defined in the Workplace Gender Equality Act.		- if it becomes necessary to appoint any new Directors or senior executives, the Board considered the application of a measurable gender diversity objective requiring a specified proportion of women on the Board and in senior executive roles will, given the small size of the Company and the Board, unduly limit the Company from applying the Diversity Policy as a whole and the Company’s policy of appointing based on skills and merit; and (ii) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined “senior executive” for these purposes) as at 29 September 2017 was as follows; - the Company had no female employees out of a total of 2 employees; and - the Company had no women in a senior management position and no women on the board.
Recommendation 1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the Board, its committees and individual Directors; and (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.	NO	(a) The Board and Executive Charter provides that the Board’s performance shall be evaluated in such a manner as the Board deems appropriate. A copy of this Charter is available on the Company’s website. (b) In the coming year, each Director performance will be discussed informally, whereby the performance of individual members and the performance of the Board as a whole, will be assessed. A standalone board performance review may be conducted.

RECOMMENDATIONS (3 RD EDITION)	COMPLY	EXPLANATION
Recommendation 1.7 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of its senior executives; and (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.	YES	The Company's process for evaluating the performance of the Executive's is stated in the Board and Executive Charter, a copy of which is available on the Company's website. The evaluation is required to include: ▪ assessment of performance against the requirements of the Board and Executive Charter; ▪ measurement of performance against previously agreed key performance indicators ('KPIs'); and ▪ setting new KPIs. A review of the performance of Executive's will be carried out annually. The review will be conducted by the Chairman or Managing Director.

(b) The Company does not have a Nomination Committee as the Board considers the Company will not currently benefit from its establishment. In accordance with the Company's Board and executive Charter, the Board carries out the duties that would ordinarily be carried out by the Nomination Committee under the Nomination Committee Charter, including the following processes to address succession issues and to ensure the Board has the appropriate balance of skills, experience, independence and knowledge of the entity to enable it to discharge its duties and responsibilities
