Shareholders should read this document in full.

FINANCIAL STATEMENTS AND REPORTS

The first item of the Notice of Annual General Meeting deals with the presentation of the consolidated annual financial statements of the Company for the financial year ended 30 June 2025, together with the Directors’ Declaration and Report in relation to that financial year and the Auditor’s Report on those financial statements. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No vote or resolution is required to be moved in respect of this item.

Shareholders are also entitled to put forward written questions to the Company’s auditor, if the question is relevant to the content of the Auditor’s Report, or the conduct of the audit. Questions may be submitted by one of the following methods:

By email: comet@cometridge.com.au

By post: GPO Box 798, Brisbane Qld 4000

Questions for the Auditor must be received by no later than 5:00pm Friday 7 November 2025. Copies of the questions received, and any written answers that have been prepared, will be available at the Annual General Meeting.

Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the accounts and on the business, operations and management of the Company.

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

In accordance with Section 250R(2) of the Corporations Act the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company’s 2025 Annual Report. The Remuneration Report is contained in the Annual Report and is also available on the Company’s website:

<http://www.cometridge.com.au/reports/>

The Board believes that the Company’s remuneration policy and framework as detailed in the Remuneration Report are appropriate given the size of the Company and its current strategic objectives.

Shareholders should note that this Resolution is advisory only and does not bind the Directors or the Company. However, if at least 25% of the votes cast on the resolution at the Annual General Meeting are against adoption of the report, then:

- if comments are made on the report at the Annual General Meeting, the Company's Remuneration Report for the financial year ending 30 June 2026 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- if, at the Company's 2026 Annual General Meeting, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report for the relevant financial year are against its adoption, the Company will be required to put to shareholders a resolution proposing that a general meeting (**Spill Meeting**) be called to consider the election of Directors of the Company (**Spill Resolution**). For any Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all of the Directors (other than any Managing Director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

RESOLUTION 2 – RE-ELECTION OF MR CHRISTOPHER PIETERS AS A DIRECTOR

The Company's Constitution provides that at every Annual General Meeting one-third of the Directors, or if their number is not a multiple of three, then such number as is appropriate shall retire from office to ensure that no Director holds office for more than three (3) years.

Chris holds both Bachelor of Science (Geology) and Bachelor of Business degrees from The University of Queensland and a First Class Honours degree in Petroleum Geology and Geophysics from the Australian School of Petroleum in Adelaide.

Recommendation

The Directors (with Mr Pieters abstaining) recommend that Shareholders vote **FOR** this Resolution.

RESOLUTION 3 - RATIFICATION OF PRIOR ISSUE OF WARRANTS TO PURE – LISTING RULE 7.4

As announced 3 August 2021 Comet Ridge entered into a binding agreement with Pure Asset Management Pty Ltd (PURE) to provide a \$10 million loan facility (Loan) to provide funding for the Company's Mahalo Gas Hub assets. The Loan originally had a maturity date of 4 years from the drawdown of the first tranche.

The first drawdown of \$6.5 million occurred on 17 September 2021 and the second tranche of \$3.5 million was drawn on 31 March 2022 bringing the total of the Loan to \$10million.

On drawdown of the respective tranches, Comet Ridge issued warrant shares entitling PURE to acquire one Comet Ridge share per warrant at the exercise prices outlined below with expiry dates of 17 September 2025 and 31 March 2026 respectively.

For further details of the Loan Facility please refer to the Company's ASX Announcements dated 3 August 2021 and 31 March 2022.

At the time of the drawdown of the first two tranches PURE had the option to exercise 65,909,091 warrants at the following exercise prices at any point in time prior to the respective expiry dates noted above:

- Tranche 1 warrants 39,393,939 issued on 12 August 2021 at an exercise price of \$0.165
- Tranche 2 warrants 26,515,152 issued on 31 March 2022 at an exercise price of \$0.132

On 26 March 2024, PURE exercised 3,787,879 Tranche 2 warrant shares at \$0.132 per share for cash consideration received by Comet Ridge of \$500,000. These funds were used to make a partial repayment on the Loan, reducing the balance of the Loan balance to \$9.5 million.

On 21 May 2025, Comet Ridge announced that the \$9.5 million Loan had been refinanced with the repayment date extended to 30 June 2027 at an interest rate of 12% per annum. The existing 39,393,939 Tranche 1 warrant shares were cancelled and 55,000,000 new warrant shares expiring 30 June 2028 at an exercise price of \$0.16 per warrant share were issued.

The 55,000,000 Warrants announced 21 May 2025 were issued utilising the Company's existing available Listing Rule 7.1 capacity.

Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period, to 15% of the fully paid ordinary shares on issue at the start of that period.

The issue of the 55,000,000 Warrants does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval, under Listing Rule 7.1 for the 12 month period following the date of issue of the 55,000,000 Warrants.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

Accordingly, the Company is seeking shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Tranche 2 Warrants.

Technical information required by ASX Listing Rule 14.1A

If Resolution 3 is passed, the prior issue of the 55,000,000 Warrants may be treated as having been made with approval under ASX Listing Rule 7.1. The Company will therefore be able to issue additional equity securities, without the issue of the Tranche 2 Warrants counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1.

If Resolution 3 is not passed, the 55,000,000 Warrants will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without shareholder approval, over the 12-month period following the date of issue.

Technical information required by ASX Listing Rule 7.5

For the purpose of ASX Listing Rule 7.5, shareholders are advised of the following particulars of the allotment and issue:

- (a) the Warrants were issued to PURE Asset Management Pty Ltd ("Warrant Holder") which is not a related party of the Company, or a member of the Company's Key Management Personnel;
- (b) 55,000,000 Warrants were issued. Each Warrant entitles the Warrant Holder, on exercise, to one fully paid ordinary share in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the 55,000,000 Warrants were issued on 26 May 2025;
- (d) the 55,000,000 Warrants were issued at nil issue price, in consideration for refinance of the Loan as detailed above. The Company has not and will not receive any other consideration for the issue of the 55,000,000 Warrants (other than in respect to the funds received on the exercise of the 55,000,000 Warrants);
- (e) the exercise price of the 55,000,000 Warrants if exercised is \$0.16;
- (f) the purpose of the issue of the 55,000,000 Warrants was to satisfy the Company's obligations under the terms of refinance of the Loan; and
- (g) the 55,000,000 Warrants were issued to PURE Asset Management Pty Ltd.

A summary of the material terms of the refinanced Loan and the 55,000,000 Warrants is set out below:

Recommendation

The Directors unanimously recommend that Shareholders vote **FOR** this Resolution.
The Chair intends to vote all available proxies in favour of this Resolution.

SPECIAL RESOLUTION 4 – APPROVAL OF 10% PLACEMENT CAPACITY

ASX Listing Rule 7.1A enables eligible entities to seek shareholder approval by special resolution passed at an annual general meeting to have capacity to issue Equity Securities up to 10% of its issued share capital at the time of issue calculated in accordance with the formula prescribed in Listing Rule 7.1A.2. **(10% Placement Facility)**.

The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. At the date of the Notice of Meeting the Company is an eligible entity. Note however that if, on the date of the Meeting, the market capitalisation of the Company exceeds \$300 million or the Company has been included in the S&P/ASX 300 Index, then this Resolution will no longer be effective and will be withdrawn.

The Company is now seeking shareholder approval by way of a Special Resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2, which is detailed below.

The effect of Special Resolution 4 will be to allow the Directors to issue the Equity Securities in any existing quoted class, under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

If Special Resolution 4 is passed the Company will be able to issue Equity Securities up to the combined limit of both Listing Rules 7.1 and 7.1A. If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities provided for in Listing Rule 7.1A and will remain subject to the 15% capacity limit under Listing Rule 7.1 only.

Description of ASX Listing Rule 7.1A

a) Shareholder approval

This resolution is a Special Resolution and therefore requires approval of 75% of the votes cast by Shareholder's present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) are cast in favour of the resolution at an Annual General Meeting.

b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue only one type of Equity Securities quoted on ASX being ordinary shares.

Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides those eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 10% Placement Period, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A = has the same meaning as in rule 7.1;

D = is 10%.

E = is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under rule 7.4; and

"relevant period" has the same meaning as in rule 7.1.

"A" is the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- i. plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2 (other than exception 9, 16 or 17);
- ii. plus the number of fully paid ordinary securities issued in the 12 months on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
 - a) the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or
 - b) the issue of, or agreement to issue, the convertible securities was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
- iii. plus the number of fully paid ordinary securities issued in the 12 months under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
 - a) the agreement was entered into before the commencement of the 12 months; or
 - b) the agreement or issue was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
- iv. plus the number of partly paid shares that became fully paid in the 12 months;
- v. plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4;

Note: This may include fully paid ordinary securities issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 17 where the issue is subsequently approved under ASX Listing Rule 7.1.
- vi. less the number of fully paid shares cancelled in the 12 months.

ASX Listing Rules 7.1 and 7.1A

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

At the date of this Notice, the Company has on issue 1,196,438,720 ordinary shares and at the date of this Notice has the following remaining capacity to issue:

- 1) 41,366,380 Equity Securities under ASX Listing Rule 7.1; and
- 2) 97,350,000 Equity Securities under ASX Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2, which is detailed above.

Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the Volume Weighted Average Price of Equity Securities in that same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- 1) the date on which the price at which the Equity Securities are to be issued is agreed; or
- 2) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (1) above, the date on which the Equity Securities are issued.

10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- 1) the date that is 12 months after the date of the AGM at which the approval is obtained; or
- 2) the date and time of the Company's next annual AGM; or
- 3) the time and date of the approval by the holders of the Company's ordinary securities of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

("10% Placement Period").

Use of funds

The Company may seek to issue the Equity Securities under LR 7.1A and if it does so these must only be issued for cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expenses associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

Allocation policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue, pursuant to the 10% Placement Facility. No decision has been made in relation to an issue of Equity Securities under the Additional Issuance Capacity, including whether the Company will engage with new investors or existing Shareholders, and if so the identities of any such persons.

The allocation policy and the identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- 1) the methods of raising funds that are available to the Company, including but not limited to, placement, rights issue or other issue in which existing security holders can participate;

- 2) the effect of the issue of the Equity Securities on the control of the Company;
- 3) the financial situation and solvency of the Company; and
- 4) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Previous approval under ASX Listing Rule 7.1A

The Company last obtained approval under Listing Rule 7.1A at its 2024 Annual General Meeting held 25 November 2024.

In the period between the date of the 2024 AGM and the date of this Notice of Meeting the Company has issued the following ordinary shares:

- (a) 85,914,286 Ordinary Shares issued 18 December 2024, representing the shares issued for the \$12 million placement to institutional and sophisticated investors announced 12 December 2024;

The 85,914,286 Ordinary Shares issued 18 December 2024 were issued utilising the Company's capacity under listing rules 7.1 and 7.1A where 72,211,843 Ordinary Shares were issued under listing rule 7.1 and 13,702,443 Ordinary Shares were issued under listing rule 7.1A which were the only Shares that were issued in the period of 12 months preceding the date of the 2025 AGM pursuant to the previous approval sought under LR 7.1A.

Voting exclusion

A voting exclusion statement is included in the Notice of Meeting. At the date of the Notice, the Company is not proposing to make and issue of Equity Securities under LR 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Meeting.

Dilution Risk

If Resolution 4 is passed by Shareholders as a Special Resolution and the Company issues Equity Securities under the 10% Placement Facility, there is a risk of economic and voting dilution to existing ordinary security holders, including the risk that:

- 1) the market price for the Company's Equity Securities in that class may be significantly lower on the date of the issue of the Equity Securities than on the date of approval under LR 7.1A; and
- 2) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

*The Deemed Price was the closing price of the Company's Shares on the ASX on 25 September 2025, being \$0.115.

**All Voting Dilution and Funds Raised numbers in the table have been rounded down to nearest whole number.

The above table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the Deemed Price.

The table has been prepared on the following assumptions:

- i) There are 1,196,438,720 ordinary shares on issue as at the date of this Notice of Meeting.
- ii) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- iii) No unlisted options or Performance Rights are exercised into Shares or any of the unlisted performance rights vest and are converted into Shares before the date of the issue of the Equity Securities under ASX Listing Rule 7.1A. The Company has Nil Options on issue, Nil Performance Rights and 77,727,273 unlisted Warrants on issue as at the date of this Notice.
- iv) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- v) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- vi) The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A and does not consider issues under the 15% placement capacity under ASX Listing Rule 7.1.
- vii) The issue of Equity Securities under the 10% Placement Facility consists only of ordinary shares in the Company. The table does not demonstrate the effect of listed or unlisted options or Performance Rights being issued under ASX Listing Rule 7.1A.
- viii) The issue price for ordinary shares in the Company is deemed for the purposes of the table to be \$0.115 (**Deemed Price**), being the closing price of these shares on ASX on 25 September 2025. This price is indicative only and does not consider the 25% discount to market that these shares may be issued at.
- ix) 'A' is the current number of fully paid ordinary shares on issue and assumes full placement capacity available.

The Company will only issue and allot the Equity Securities pursuant to the 10% Placement Capacity within 12 months of the date of this Annual General Meeting. Further, the approval under Resolution 4 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 upon issue of any Equity Securities.

Recommendation

The Directors consider that the approval of the issue of the 10% Placement Facility described above is beneficial for the Company as it provides the Company with the flexibility to issue up to the maximum number of securities permitted under ASX Listing Rule 7.1A in the next 12 months (without further Shareholder approval), should such an issue be required. Accordingly, each of the Directors recommends that Shareholders vote **FOR** Special Resolution 4.

The Chair of the Meeting intends to vote all available proxies in favour of this Special Resolution.
