## Part 2 – Checklist Confirming Compliance with Admission Requirements

**Instructions:** please indicate in the "Location/Confirmation" column for each item below where the information or document referred to in that item is to be found (eg in the case of information, the specific page reference in the relevant document where that information is located or, in the case of a document, the folder tab number where that document is located). If the item asks for confirmation of a matter, you may simply enter "Confirmed" in the "Location/Confirmation" column. If an item is not applicable, please mark it as "N/A".

In this regard, it will greatly assist ASX and speed up its review of the application if the various documents referred to in this Checklist (other than the 2 hard copies of the applicant's prospectus (as lodged with ASIC) referred to in item 20 and the 10 printed versions of the final prospectus referred to in note 14) are provided in a folder separated by numbered tabs and if the entity's constitution and copies of all material contracts are provided both in hard copy and in electronic format.

Note that completion of this Checklist is not to be taken to represent that the entity is necessarily in full or substantial compliance with the ASX Listing Rules or that ASX will admit the entity to its official list. Admission to the official list is in ASX's absolute discretion and ASX may refuse admission without giving any reasons (see Listing Rule 1.19).
