

ASX RELEASE | CLEARVUE TECHNOLOGIES LIMITED
(ASX:CPV | OTCQX:CVUEF)

Clarifying statement - ClearVue secures solar building envelope order for solar cladding on iconic Perth building

2 October 2024: ClearVue Technologies Limited (ASX: CPV) (**ClearVue** or the **Company**) provides the following further information in relation to its announcement titled “ClearVue secures solar building envelope order for solar cladding on iconic Perth building” released on 1 October 2024:

ClearVue advises that the sale in the announcement is material to the Company as:

- (a) the purchase order for the more than 200 building envelope solution panels with associated proprietary framing system as referred to in the announcement is valued at just under A\$190,000 before GST; and
- (b) more significantly, this is the first sale of ClearVue’s recently announced BIPV building envelope modules, opening a new market segment on a high-profile project and with a high-profile end-customer that has a clearly stated ESG mandate.

Authorised by the Chairman of ClearVue Technologies Limited.
