11 November 2025 – Perth, Australia – ClearVue Technologies Limited (ASX:CPV) (ClearVue or the Company) announced today plans to hold a live Q&A session via multiple live streaming platforms on Monday, 17 November.

"With the AGM fast approaching, I wanted to take time to answer questions from our shareholders. We as a company have issued many updates over the last several weeks and it is important that we ensure the impact of these steps are fully understood. Our shareholders are from many countries and may not have the opportunity to join us at our Perth headquarters on Friday, 28 November," said Mr. Douglas (Doug) Hunt, Managing Director and CEO, ClearVue Technologies. "This live session will provide a platform for our shareholders and partners to ask questions prior to the AGM. This is our continuation of our commitment to transparency and open communications with all our stakeholders."

Authorised by the Board of ClearVue Technologies Limited.

ABOUT CLEARVUE TECHNOLOGIES LIMITED

ClearVue Technologies Limited (ASX: CPV; OTCX: CVUEF) is an Australian technology company that integrates solar technology into building façade and rooftop surfaces to provide renewable energy generation and offset the operational carbon footprint of buildings. The Company's advanced, patented glass technology preserves glass transparency maintaining building aesthetics while generating energy.

ClearVue has extended solar energy-generation to vision glass, cladding, spandrel, balustrade, and skylight solutions. These solutions can offset operational energy requirements significantly contributing to the net zero building.

ClearVue's integrated solar façade is revolutionizing the way buildings are designed, constructed, and renovated. Experience how building façades will become a major contributing factor to reducing operational carbon by visiting ClearVue at www.clearvuepv.com.
