(b) **Exercise and lapse of Share Rights**

Upon vesting of the Share Rights, the Non-Executive Director may exercise any number of the Share Rights by delivering an exercise notice to the Company. No amount will be payable by the Non-Executive Director upon exercise of the Share Rights.

Upon exercise, the Company will issue the Non-Executive Director (or their nominee) one ordinary share in the Company for each Share Right Exercised. The Board may in its discretion, choose to make an equivalent cash payment in settlement of the Share Rights.

The expiry date of the Share Rights will be 30 June 2026 (**Expiry Date**). If a signed exercise notice is not delivered by this date, then the relevant Share Rights will automatically lapse and be forfeited.

(c) **Restriction Period**

Non-Executive Directors may not dispose of, or grant any security interest over, a Share allocated to them on settlement of a Share Right for a period of either 1, 3, 6, 9, 12 or 15 years from the issue date of the Share (**Restriction Period**), unless they otherwise elect for no such period to apply. The Restriction Period (if any) is elected by each Non-Executive Director upon accepting to participate in the NED Offer.

If a person ceases to be a Non-Executive Director of the Company, the Restriction Period will no longer apply.

(d) **Ceasing to be a Director and Lapsing of Share Rights**

If a person ceases to be a Non-Executive Director of the Company:

- (i) any Share Rights which have not yet been granted to them will no longer be granted to them;
- (ii) any Share Rights which have been granted to them, but which have not vested, will lapse and be forfeited on a pro rata basis; and
- (iii) they will continue to hold any vested but unexercised Share Rights granted to them under the NED Offer, and these Share Rights will not lapse or be forfeited upon them ceasing to be a Non-Executive Director of the Company.

The Board may determine that some or all of a Non-Executive Director's unvested Share Rights lapse if:

- (iv) they commit any act of fraud or defalcation or gross misconduct in relation to the affairs of the Company;
- (v) they hedge the value of, or enter into a derivative arrangement in respect of, any unvested Share Rights; or
- (vi) they purport to dispose of or otherwise deal with (including by granting any security interest over) a Share Right other than as permitted under the Employee Rights Plan.

(e) **Change of Control**

If a Change of Control Event (as defined in the Employee Rights Plan) occurs, the Board has the discretion to determine the appropriate treatment regarding any unvested or unexercised Share Rights.

SCHEDULE 2 – TERMS OF NON-EXECUTIVE DIRECTOR SHARE RIGHTS

In addition to the terms and conditions of the NED Offer referred in Schedule 1, the terms and conditions of the Proposed Issue will be under the Employee Rights Plan as provided below, which is the same Employee Rights Plan which applies to people who either are in full-time or permanent part-time employment of a member of the Group (including Directors employed in an executive capacity):

(a) **Nature of Share Rights**

The Board may, on behalf of the Company, make an offer to participate in the Employee Rights Plan to people who either are in full-time or permanent part-time employment of a member of the Group (including Directors employed in an executive capacity) or are Non-Executive Directors (**Eligible Employees**). An offer must include the number of share rights (**Share Rights**) to which the offer relates or the formula by which the number is to be calculated.

A Share Right is a right to be allocated a Share, subject to the terms of the Employee Rights Plan.

Share Rights will be issued for no consideration, unless otherwise determined by the Board (subject to any applicable requirements of the ASX Listing Rules and the Corporations Act).

The number of Share Rights (if any) to be offered to an Eligible Employee from time to time will be determined by the Board in its absolute discretion.

(b) **Grant of Share Rights**

An Eligible Employee may only accept an offer to participate in the Employee Rights Plan by returning a duly completed and signed valid acceptance form on or before the date specified in the offer as the latest date on which the acceptance form must be received by the Company (**Acceptance Date**). If, at the time of returning the duly completed and signed acceptance form and at the Acceptance Date, the Eligible Employee continues to be an Eligible Employee, then the Eligible Employee accepts the offer and agrees to be bound by the terms of the offer, the acceptance form and the rules of the Employee Rights Plan.

As soon as reasonably practicable following the receipt of a duly completed and signed valid acceptance form (or, if later, the Acceptance Date), the Company will, provided the relevant Eligible Employee continues to be an Eligible Employee, grant to that Eligible Employee the number of Share Rights the subject of the acceptance form. The Board may decide to reject an acceptance form, in which case the Company will give notice of the rejection to the relevant Eligible Employee and that acceptance form (and the relevant offer) will become null and void and of no effect.

An Eligible Employee becomes a participant in the Employee Rights Plan upon the Company granting Share Rights to that Eligible Employee.

The Board may, in its sole and absolute discretion, determine that an Eligible Employee may give notice that it renounces an offer of Share Rights under the Employee Rights Plan in favour of a nominee who is sufficiently related to the eligible employee as further detailed in the Employee Rights Plan. A person nominated in these circumstances becomes a participant in the Employee Rights Plan, and performance criteria or other conditions relating to employment attaching to those Share Rights (as described below) are referable to the

employment and performance (as applicable) of the Eligible Employee who nominated that nominee participant.

A participant in the Employee Rights Plan may not dispose of a Share Right or grant any security interest (meaning a mortgage, charge, pledge, lien, encumbrance or other third party interest of any nature) over a Share Right, except in respect of the transmission of a Share Right to a participant's legal representative upon death or legal incapacity.

(c) **Exercise price of Share Rights**

The exercise price of the Share Rights will be nil, unless otherwise determined by the Board (subject to any applicable requirements of the ASX Listing Rules and the Corporations Act).

(d) **When Share Rights may be exercised**

The Board may, in its absolute discretion, prescribe performance criteria (which may include a condition that the relevant participant in the Employee Rights Plan remains an employee for a specified period) that must be satisfied as a condition for all or any of the Shares the subject of particular Share Rights to be exercised. An offer to an Eligible Employee to participate in the Employee Rights Plan must include the performance criteria (if any) applicable to the relevant Share Rights.

Once a Share Right is capable of exercise, it may be exercised at any time up until 5.00pm (Brisbane time) on the expiry date (which is the date 5 years after the date of the grant of the Share Right, or such earlier date as is determined by the Board and specified in the offer).

Share Rights will become capable of exercise if the performance criteria (if any) prescribed in an offer in respect of those Share Rights have been satisfied or waived prior to the expiry date. Once Share Rights are validly exercised, the Company will, as soon as reasonably practicable, allocate and issue to the relevant participant the number of Shares the subject of those exercised Share Rights. Those Shares must be registered in the name of that participant or a permitted nominee.

If the performance criteria prescribed in an offer in respect of Share Rights are not wholly satisfied prior to the expiry date, the participant's rights in relation to those Share Rights will lapse except to the extent otherwise provided in the offer or unless the Board determines otherwise.

Shares issued in accordance with the plan will rank equally with all other Shares on issue as at the time of allocation. The Company must apply for ASX quotation of Shares issued in accordance with the plan (provided the Company's Shares are quoted on the ASX at that time).

A participant's Share Rights will lapse on the earliest to occur of:

- (i) the expiry date;
- (ii) the Board determining that the participant:
 - (A) committed any act of fraud or defalcation or gross misconduct in relation to the affairs of any member of the Group;

- (B) hedged the value of, or entered into a derivative arrangement in respect of, unvested or unexercised Share Rights; or
- (C) purported to dispose of, or grant any security interest over, a Share Right (except in respect of the transmission of a Share Right to a participant's legal representative upon death or legal incapacity),

unless the Board determines that any such condition does not result in the lapse of the participant's Share Rights;

- (iii) in the case of the participant's unvested Share Rights – automatically on the date of termination of the participant's employment for any reason other than an 'uncontrollable event' (being death, permanent disablement, retirement, retrenchment or such other circumstances which the Board determines is an 'uncontrollable event'); or
- (iv) in the case of the participant's vested but unexercised Share Rights:
 - (A) where the participant ceases to be an employee for any reason other than an 'uncontrollable event' – fifteen Business Days after the date of termination of the participant's employment; or
 - (B) where the participant ceases to be an employee as a result of an 'uncontrollable event' – thirty Business Days after the date of termination of the participant's employment.

Where the participant ceases to be an employee, the Board may, in its discretion, determine in relation to the participant's unvested Share Rights that:

- (v) some or all of those unvested Share Rights continue subject to their performance criteria;
- (vi) the performance criteria applying to some or all of those unvested Share Rights will be waived; or
- (vii) some or all of those unvested Share Rights will lapse.

(e) Change of control events

If any of the following 'change of control events' occur:

- (i) any person, either alone or together with any associate (as defined in the Corporations Act), acquires a relevant interest (as defined in the Corporations Act) in more than 50% of the issued Shares in the Company as a result of a takeover bid;
- (ii) any person, either alone or together with any associate (as defined in the Corporations Act), acquires a relevant interest (as defined in the Corporations Act) in more than 50% of the issued Shares in the Company through a scheme of arrangement;
- (iii) a material change in the composition of the Board, such change being initiated as a result of a change in ownership of the Company's securities and the purchaser of the securities requiring (or agreeing with other security holders to require) that change in Board composition; or

- (iv) any other similar event (including a merger of the Company with another company) which the Board determines, in its absolute discretion, to be a 'change of control event',

or the Board determines in its absolute discretion that such a 'change of control event' is likely to occur, the Board will determine in its absolute discretion appropriate treatment regarding any unvested or unexercised Share Rights such determination to be stated in the offer.

(f) **Effect of re-organisation of capital**

In the event of any re-organisation of the issued ordinary capital of the Company, the number of Share Rights (or the number of Shares subject to Share Rights, or both) will be reconstructed to the extent necessary to comply with, and in accordance with, the ASX Listing Rules applying to a re-organisation of capital at the time of the re-organisation.

If the Company makes a bonus issue to Shareholders (other than in lieu of dividends or by way of dividend reinvestment pursuant to any shareholder election), the number of Shares that may be allocated to a participant in the Employee Rights Plan will include the number of bonus Shares that would have been allotted to the participant if their Share Rights had been exercised and the Shares the subject of those Share Rights allocated to the participant before the record date for the bonus issue.

Subject to the above and the ASX Listing Rules, the Board may in its absolute discretion adjust the number of Share Rights in relation to a participant, issue a further offer to a participant for additional Share Rights or determine that Shares will be allocated to a participant in respect of some or all of their unvested or unexercised Share Rights and that their remaining share rights will wholly or partly lapse, if the Board determines it is appropriate having regard to a variation in the equity share capital of the Company, a demerger, a special dividend to be paid to all Shareholders or any other event that the Board determines appropriate.
