COMPANY SECRETARY

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with section 317 of the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024, together with the directors' report and the auditor's report.

There is no requirement for Shareholders to approve these reports. However, Shareholders will be given a reasonable opportunity as a whole at the Meeting to ask questions and make comments on these reports and on the business, operations, financial position, management, and prospects of the Company. The Company's external auditor will be in attendance to respond to questions in relation to the conduct of the audit and the preparation and content of the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.centralpetroleum.com.au.

This item does not require a formal resolution and so no vote will be held.

2. ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at the Meeting, a resolution that the Remuneration Report be adopted must be put to Shareholders. However, such a resolution is advisory only and does not bind the Company or the Directors.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the directors' report contained in the annual financial report of the Company for a financial year.

The chair of the Meeting must allow a reasonable opportunity for Shareholders as a whole to ask questions about or make comments on the Remuneration Report at the Meeting.

2.2 Impact of first strike against the 2023 Remuneration Report

As a result of the comments made, and voting results, in relation to the Remuneration Report at last year's annual general meeting, the Board engaged an independent consultant to review the Company's remuneration policies and to provide recommendations on the Company's ongoing remuneration strategy. As a result, the Board has made significant adjustments to the remuneration structure to further align the performance of management and staff with the interests of shareholders. Initiatives include:

- a) Amending the Managing Director / CEO's remuneration arrangements, re-weighting the balance between fixed remuneration (reduced by 13%) and new at-risk incentives (refer (c) below);

- b) Frozen total fixed remuneration at FY2024 levels for other Key Management Personnel (**KMP**) for FY2025 (the second such freeze in five years);
- c) Introduced a new at-risk incentive plan for the CEO and other KMPs, which includes share price appreciation hurdles that would require the share price to triple in three years from 30 June 2024 to achieve the maximum reward;
- d) Frozen Non-executive Directors' fees for the sixth consecutive year;
- e) Held the number of KMPs at four, down from six two years ago; and
- f) Retained a smaller Board of four Non-executive Directors, down from five at the start of the year.

Details of the new at-risk incentive plan for FY2025 are included in the Remuneration Report, contained in the Annual Report. Details of the new LTIP, and its share price appreciation hurdles, are summarised in Item 6 and Schedule 4 of this Explanatory Statement.

If the Company receives a 'second strike' at the 2024 annual general meeting where 25% or more of the votes cast at the meeting are against the adoption of the Remuneration Report, a conditional resolution will be put to shareholders which, if passed, will result in another general meeting being held within 90 days of the 2024 annual general meeting, where all of the Directors (other than the Managing Director, Leon Devaney) who were in office when the Board approved the last Director's report must vacate office and stand for re-election.

This conditional resolution has been included in this Notice of Meeting at Item 7 – Contingent Business.

2.3 Directors' recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as described in the Remuneration Report), and that each Director (and any Closely Related Party of the Director) would be excluded from voting their Shares on the Item, **ALL** Directors recommend that Shareholders **VOTE IN FAVOUR** of this Item.

3. RE-ELECTION OF DIRECTORS

3.1 RE-ELECTION OF MR MICHAEL JOSEPH MCCORMACK

(a) General

Mr Michael "Mick" Joseph McCormack is retiring as a Director by rotation as required by the ASX Listing Rules and the Constitution and, being eligible, is seeking re-election. Mr McCormack holds office until the end of the Meeting, unless re-elected.

Mr McCormack has been a Director of the Company since 1 September 2020 and was last re-elected on 10 November 2021.

(b) Background on Mr Michael Joseph McCormack

Mr McCormack was appointed as a director on 1 September 2020 and has over 40 years' experience in the energy infrastructure sector in Australia and his career has encompassed all aspects of the sector, including commercial development, design, construction, operation and management of most of

Australia's natural gas pipelines and gas distribution systems. His experience extends to gas-fired and renewable power generation, electricity transmission, gas processing, LNG and underground storage.

Mr McCormack is a former Managing Director and CEO of APA Group (2004 – 2019), former non-executive Director of Austal Limited (2020 – 2024) and former Director of Envestra (now Australian Gas Infrastructure Group) and the Australian Pipeline Industry Association (now Australian Pipelines and Gas Association). He is a Non-executive director at Origin Energy Limited and Whitehaven Coal Limited, a Director of the Clontarf Foundation and is Chair of the Australian Brandenburg Orchestra Foundation and is the Patron of the Australian Ice Hockey League. He is also a Fellow of the Australian Institute of Company Directors.

In the last three years, Mr McCormack has also been a director of Origin Energy Limited, Whitehaven Coal Limited and Austal Limited.

(c) Directors' recommendation

ALL Directors (with Mr McCormack abstaining) recommend that Shareholders **VOTE IN FAVOUR** of his re-election.

4. ISSUE OF SHARE RIGHTS TO NON-EXECUTIVE DIRECTORS

4.1 General

The Board proposes to offer the issue of Share Rights under the Company's Employee Rights Plan to Mr Michael McCormack, Mr Stephen Gardiner, Ms Katherine Hirschfeld and Dr Agu Kantsler (**Non-Executive Directors**) (or their nominees) (**Proposed NED Issue**). The Share Rights will be issued in accordance with the terms of the 2025 NED Offer (**NED Offer**).

Under the NED Offer, Non-Executive Directors can elect to sacrifice up to 25% of their FY2025 Base Fees (inclusive of superannuation but excluding committee fees) in order to receive an equivalent value in the form of Share Rights issued under the Company's Employee Rights Plan. This in turn is to enable the Non-Executive Directors to progressively share in the growth and sustained value of CTP by acquiring a shareholding in the Company with a value equal to their total annual base fee remuneration (plus superannuation). The remainder of their FY2025 Base Fees will be paid in cash.

Consequently, the Company is proposing, subject to obtaining Shareholder approval, to issue of Share Rights under the Company's Employee Rights Plan to each Non-Executive Director in accordance with the formula outlined in section 4.3 below upon the relevant Non-Executive Director electing to take part in the NED Offer.

4.2 Regulatory requirements

ASX Listing Rule 10.14 provides that an entity must not permit a director or an associate of a director to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities.

As the Non-Executive Directors are directors of the Company, the Proposed NED Issue requires Shareholder approval under ASX Listing Rule 10.14.

4.3 Issue of Share Rights

Shareholder approval is being sought for Proposed NED Issue pursuant to ASX Listing Rule 10.14 and for all purposes under the Corporations Act and the ASX Listing Rules.

If the resolutions in Items 4(a) to 4(d) are passed, the Company will be able to proceed with the Proposed NED Issue and each Non-Executive Director will be entitled under the Proposed NED Issue to elect up to the number of Share Rights in accordance with the following formula:

Maximum Share Rights to be granted to the relevant Non-Executive Director:

$$SR = (BF * FS) / VWAP$$

where:

SR is the maximum total number of Share Rights which may be granted to the relevant Non-Executive Director as part of the Proposed NED Issue.

BF is the total FY2025 Base Fee for the relevant Director (inclusive of superannuation but excluding committee fees).

FS is the relevant Director's FY2025 Base Fee they elect to sacrifice (up to a maximum of 25%) as provided in the table below:

Director	FY2025 Base Fee Sacrificed (FS)
Mr Michael McCormack	25%
Mr Stephen Gardiner	25%
Ms Katherine Hirschfeld	25%
Dr Agu Kantsler	25%

VWAP is the Volume Weighted Average Price of Shares over the period of 20 trading days immediately following the date on which CTP's 2024 financial year full year results are released.

The Share Rights will be issued under the Company's Employee Rights Plan and in accordance with the NED Offer and otherwise under the terms described in this Explanatory Statement. The relevant terms and conditions of the Employee Rights Plan and the NED Offer are summarised in Schedules 1 and 2 to this Explanatory Statement (respectively).

If any of the resolutions in Items 4(a) to 4(d) are not passed, the Company will not be able to proceed with the Proposed NED Issue in respect of the relevant Director, and their FY2025 Base Fee will be fully paid in cash.

4.4 Additional information required under ASX Listing Rule 10.15

ASX Listing Rule 10.15 requires this Notice of Meeting to include the following information in relation to the Share Rights which are proposed to be issued to the Non-Executive Directors:

- (a) The Share Rights will be issued to each of the Non-Executive Directors or their nominees. The Non-Executive Directors are Directors of the Company and

therefore fall within ASX Listing Rule 10.14.1. In the event that the Share Rights are issued to a nominee of a Non-Executive Director, those persons will fall within ASX Listing Rule 10.14.2.

- (b) The maximum number of Share Rights proposed to be granted to each Non-Executive Director will be determined in accordance with the formula outlined in section 4.3 above.
- (c) The Remuneration Report, in the 2024 CTP Annual Report, sets out the details of each Non-Executive Director's current remuneration. The framework of each participating Non-Executive Director's remuneration is set out in the table below:

- (g) The Share Rights are issued under and governed by the terms of the Employee Rights Plan and 2025 NED Offer. The relevant terms and conditions of the Employee Rights Plan and the NED Offer are summarised in Schedules 1 and 2 to this Explanatory Statement (respectively).
- (h) No loans will be provided to the Non-Executive Directors in relation to the issue of the Share Rights.
- (i) Details of any securities issued under the Employee Rights Plan will be published in the annual report of the Company relating to the period in which they are issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Employee Rights Plan after the resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that Rule.

4.5 Directors' recommendation

Noting that each Director eligible to participate in the Employee Rights Plan and their associates is excluded from voting their Shares in favour of the resolutions (as described in the 'Voting Exclusion' paragraph set out immediately after these resolutions in the section of this Notice entitled 'Business of the Meeting'), **ALL** Directors recommend that Shareholders **VOTE IN FAVOUR** of the resolutions in this Item.

5. SHARE RIGHTS TO MANAGING DIRECTOR UNDER THE FY2024 EXECUTIVE INCENTIVE PLAN

5.1 General

After assessing the achievement of the Corporate KPIs and the Company's performance during FY2024, the Company has calculated that, on average, Mr Leon Devaney, the Managing Director and Chief Executive Officer, achieved 51% of the maximum executive incentive plan bonus. Of this award, two-thirds is the subject of this approval to be granted as service based Share Rights that vest over the next three years in equal tranches beginning 12-months after 30 June 2024.

Accordingly, the Company is proposing, subject to obtaining Shareholder approval, to issue up to 5,530,701 Share Rights under the Company's Employee Rights Plan to Mr Devaney (or his nominee) under the Company's 2024 Executive Incentive Plan (**2024 EIP**) further described in the Remuneration Report, and more particularly refer to Section F of the Remuneration Report on pages 32 to 33 of the 2024 CTP Annual Report and otherwise under the terms described in this Explanatory Statement (**2024 Share Rights**). The terms and conditions of the 2024 Share Rights are summarised in Schedule 3 to this Explanatory Statement.

5.2 Regulatory requirements

ASX Listing Rule 10.14 provides that an entity must not permit a director or an associate of a director to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities.

As Mr Devaney is the Managing Director of the Company the issue of Share Rights under the Employee Rights Plan requires Shareholder approval under Listing Rule 10.14.

5.3 Issue of Service Contingent Share Rights

Shareholder approval is being sought for the issue of the 2024 Share Rights to Mr Devaney (or his nominee) pursuant to ASX Listing Rule 10.14 and for all purposes under the Corporations Act and the ASX Listing Rules.

If Shareholder approval is obtained, the Company intends to implement the approval with Mr Devaney (or his nominee), which will include (without limitation) provisions that once the applicable vesting conditions attaching to the Share Rights are satisfied or waived, Mr Devaney (or his nominee) will be entitled to one Share for each Share Right subject to the valid exercise of those Share Rights by Mr Devaney (or his nominee).

The 2024 Share Rights will be issued under the Company's Employee Rights Plan and in accordance with the Company's 2024 EIP and otherwise under the terms described in this Explanatory Statement. The relevant terms and conditions of the Employee Rights Plan and 2024 EIP are summarised in this Explanatory Statement.

If the resolution in Item 5 is not passed, the Company will not be able to proceed with the issue of the 2024 Share Rights to Mr Devaney (or his nominee).

5.4 Additional information required under ASX Listing Rule 10.15

ASX Listing Rule 10.15 requires this Notice of Meeting to include the following information in relation to the Share Rights which are proposed to be issued to Mr Devaney.

- (a) The 2024 Share Rights will be issued to Mr Devaney or his nominee. Mr Devaney is a Director and therefore falls within Listing Rule 10.14.1. In the event the 2024 Share Rights are issued to a nominee of Mr Devaney, that person will fall within Listing Rule 10.14.2.
- (b) The Company is seeking shareholder approval to issue up to 5,530,701 2024 Share Rights, entitling Mr Devaney (or his nominee) to a maximum of 5,530,701 Shares if all 2024 Share Rights subsequently vest. The number of 2024 Share Rights (rounded down to the nearest whole number) was determined by reference to the 2024 EIP award to Mr Devaney comprising of the two-thirds long term component of the 2024 EIP equating to \$278,194.31 divided by \$0.0503 (being the Company's volume weighted average Share price for the 20 trading days immediately following the release of the Company's Quarterly Activity Statement for the performance period ending 30 June 2024). The Share Rights to be issued to Mr Devaney (or his nominee) will be under existing class ASX Code CTPAA.
- (c) The Remuneration Report, in the 2024 CTP Annual Report, sets out details of Mr Devaney's current remuneration. The framework of Mr Devaney's total current remuneration comprises:
 - (i) Total Annual Fixed Remuneration (includes compulsory superannuation contributions) (TFR) for FY2025 of \$595,000;
 - (ii) An at risk short term incentive opportunity valued at up to 50% of TFR at 'Target' (with a maximum stretch achievement at 62.5% of TFR) for FY2025 (further described on pages 34 and 35 of the 2024 CTP Annual Report); and
 - (iii) An at risk long term incentive opportunity valued at up to \$1,000,000 under the 2025 LTIP (as defined in Item 6.1 of this Explanatory Statement below).
- (d) Mr Devaney has previously been granted Share Rights (at no cost) under the Employee Rights Plan as follows:
 - (i) 9,514,893 Share Rights (ASX code: CTPAA) since being appointed a Director, under the LTIP for the financial year beginning 1 July 2018, the STIP for the financial year beginning 1 July 2019 and the Executive Incentive Plan for the financial years beginning 1 July 2022 and 1 July 2023. These grants were approved by shareholders on 7 November 2019, 10 November 2020, 10 November 2022 and 14 November 2023, respectively; and
 - (ii) 3,365,532 Share Rights (ASX code: CTPAA) allocated over a four year period, under the LTIP while acting as CTP's Chief Commercial Officer and Chief Financial Officer.

- (e) If approved by Shareholders, the Share Rights will be issued to Mr Devaney (or his nominee) as soon as practicable after the Meeting but, in any event, not later than 3 years after the Meeting.
- (f) No amount is payable on the grant or exercise of the 2024 Share Rights.
- (g) The 2024 Share Rights are issued under and governed by the terms of the Employee Rights Plan and 2024 EIP. The relevant terms and conditions of the Employee Rights Plan are summarised in Schedule 1 of this Explanatory Statement and the 2024 EIP terms (including the performance criteria) are summarised in Schedule 3 to this Explanatory Statement.
- (h) No loan will be provided to Mr Devaney (or his nominee) in relation to the issue of the 2024 Share Rights.
- (i) Details of any securities issued under the 2024 EIP will be published in each annual report of the entity relating to the period in which the securities were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the 2024 EIP after this Item is approved and who were not named in the Notice of Meeting will not participate until approval is obtained under that rule.
- (j) A voting exclusion statement is included in the Notice of Meeting.

5.5 Directors' recommendation

The Directors (with Mr Leon Devaney abstaining due to his personal interest as the proposed recipient of the Share Rights the subject of this Item) recommend that Shareholders **VOTE IN FAVOUR** of the resolution in Item 5.

6. ISSUE OF SHARE RIGHTS TO MANAGING DIRECTOR UNDER THE FY25 LONG TERM INCENTIVE PLAN

6.1 General

As outlined at Item 2.2 of this Explanatory Statement, following a review of the Company's remuneration practices, the Board has identified and agreed on a new remuneration structure to be implemented from FY2025. This new structure includes an LTIP tied to achieving certain Share price hurdles. Accordingly, the Company is proposing, subject to obtaining Shareholder approval, to issue 8,125,000 Share Rights under the Company's Employee Rights Plan to Mr Leon Devaney, the Managing Director and Chief Executive Officer (or his nominee) under the Company's 2025 Long Term Incentive Plan (**2025 LTIP**) further described in the Remuneration Report, and more particularly in Section I on pages 34 to 36 of the 2024 CTP Annual Report and otherwise under the terms described in this Explanatory Statement (**2025 LTI Share Rights**). The 2025 LTI Share Rights are split into two tranches, with each tranche vesting shortly after 30 June 2027 if certain Share price hurdles are achieved. The terms and conditions of the 2025 LTI Share Rights are summarised in Schedule 4 to this Explanatory Statement.

6.2 Regulatory requirements

ASX Listing Rule 10.14 provides that an entity must not permit a director or an associate of a director to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities.

As Mr Devaney is the Managing Director of the Company the issue of Share Rights under the Employee Rights Plan requires Shareholder approval under Listing Rule 10.14.

6.3 Issue of Service Contingent Share Rights

Shareholder approval is being sought for the issue of the 2025 LTI Share Rights to Mr Devaney (or his nominee) pursuant to ASX Listing Rule 10.14 and for all purposes under the Corporations Act and the ASX Listing Rules.

If Shareholder approval is obtained, the Company intends to implement the approval with Mr Devaney (or his nominee), which will include (without limitation) provisions that once the applicable vesting conditions attaching to the Share Rights are satisfied or waived, Mr Devaney (or his nominee) will be entitled to one Share for each Share Right subject to the valid exercise of those Share Rights by Mr Devaney (or his nominee).

The 2025 LTI Share Rights will be issued under the Company's Employee Rights Plan and in accordance with the Company's 2025 LTIP and otherwise under the terms described in this Explanatory Statement. The relevant terms and conditions of the Employee Rights Plan and 2025 LTIP are summarised in this Explanatory Statement.

If the resolution in Item 6 is not passed, the Company will not be able to proceed with the issue of 2025 LTI Share Rights to Mr Devaney (or his nominee).

6.4 Additional information required under ASX Listing Rule 10.15

ASX Listing Rule 10.15 requires this Notice of Meeting to include the following information in relation to the 2025 LTI Share Rights which are proposed to be issued to Mr Devaney.

- (a) The 2025 LTI Share Rights will be issued to Mr Devaney or his nominee. Mr Devaney is a Director and therefore falls within Listing Rule 10.14.1. In the event the 2025 LTI Share Rights are issued to a nominee of Mr Devaney, that person will fall within Listing Rule 10.14.2.
- (b) The Company is seeking shareholder approval to issue 8,125,000 2025 LTI Share Rights, entitling Mr Devaney (or his nominee) to a maximum of 8,125,000 Shares if all 2025 LTI Share Rights subsequently vest upon satisfying the maximum Share Price Hurdle as detailed in Schedule 4 of this Explanatory Statement (i.e. the Company's Share price tripling from 30 June 2024 to at least \$0.16 per Share (calculated as detailed in Schedule 4 of this Explanatory Statement) at 30 June 2027).

If the Share price (calculated as detailed in Schedule 4 of this Explanatory Statement) at 30 June 2027 has not increased by at least 51% from the 30 June 2024 Share price and is less than the \$0.08 threshold Share Price Hurdle, no 2025 LTI Share Rights will vest.

3,750,000 LTI Share Rights will vest if the Share price (calculated as detailed in Schedule 4 of this Explanatory Statement) at 30 June 2027 has increased more than 51% from the 30 June 2024 Share price to more than the \$0.08 threshold Share Price Hurdle.

A further 4,375,000 Share Rights will vest on a pro rata basis between the \$0.08 threshold Share Price Hurdle and the maximum \$0.16 Share Price Hurdle depending on the Share price (calculated as detailed in Schedule 4 of this Explanatory Statement) at 30 June 2027.

The Share Rights to be issued to Mr Devaney (or his nominee) will be under existing class ASX Code CTPAA.

- (c) Details of Mr Devaney's current remuneration are set out in Item 5.4(c) of this Explanatory Statement above.
- (d) Details of Share Rights previously granted to Mr Devaney are set out in Item 5.4(d) of this Explanatory Statement above.
- (e) If approved by Shareholders, the 2025 LTI Share Rights will be issued to Mr Devaney (or his nominee) as soon as practicable after the Meeting but, in any event, not later than 3 years after the Meeting.
- (f) No amount is payable on the grant or exercise of the 2025 LTI Share Rights.
- (g) The 2025 LTI Share Rights are issued under and governed by the terms of the Employee Rights Plan and 2025 LTIP. The relevant terms and conditions of the Employee Rights Plan are summarised in Schedule 1 to this Explanatory Statement and the 2025 LTIP terms are summarised in Schedule 4 to this Explanatory Statement.
- (h) No loan will be provided to Mr Devaney (or his nominee) in relation to the issue of the 2025 LTI Share Rights.
- (i) Details of any securities issued under the 2025 LTIP will be published in each annual report of the entity relating to the period in which the securities were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the 2025 LTIP after this Item is approved and who were not named in the Notice of Meeting will not participate until approval is obtained under that rule.
- (j) A voting exclusion statement is included in the Notice of Meeting.

6.5 Directors' recommendation

The Directors (with Mr Leon Devaney abstaining due to his personal interest as the proposed recipient of the Share Rights the subject of this Item) recommend that Shareholders **VOTE IN FAVOUR** of the resolution in Item 6.

7. CONTINGENT BUSINESS – SPILL RESOLUTION

7.1 General

The Corporations Act includes a 'two-strike' rule in relation to remuneration reports. The two-strike rule provides that if at least 25% of the votes cast on the resolution to adopt the Remuneration Report at two consecutive annual general meetings are against adopting the Remuneration Report, shareholders will have the opportunity to vote on a Spill Resolution (described below) at the second annual general meeting.

At last year's annual general meeting, 47.31% of the votes cast on the resolution to adopt the remuneration report were against adopting the report (the first strike).

Accordingly, if at least 25% of the votes cast on the resolution in Item 2 are against adopting the Remuneration Report at the Meeting, this will constitute a 'second-strike' and the resolution in Item 7 will be put to the Meeting and voted on as required by s250V of the Corporations Act (the **Spill Resolution**).

If less than 25% of the votes cast on the resolution in Item 2 are against adopting the Remuneration Report at the Meeting, then there will be no second-strike and the resolution in Item 7 will not be put to the Meeting.

If the Spill Resolution is put to the Meeting, it will be considered as an ordinary resolution, which means that, to be passed, the Item requires the approval of a simple majority of the votes cast by or on behalf of Shareholders entitled to vote on the Item.

If the Spill Resolution is passed, a further general meeting (**Spill Meeting**) must be held within 90 days after the Meeting and, immediately before the end of the Spill Meeting, each of:

- Mr Michael McCormack;
- Mr Stephen Gardiner,
- Ms Katherine Hirschfeld; and
- Dr Agu Kantsler,

being the Directors (other than the Managing Director) who were in office when the Board approved the last directors' report (the **Relevant Directors**), will cease to hold office.

The Spill Meeting would consider the election or re-election of Directors, and each of the Relevant Directors would be eligible to seek re-election.

It is proposed that any vote would be conducted by a poll. Such a process results in each Shareholder having one vote for each Share held and in respect of which a vote is cast (subject to the voting exclusions).

7.2 Directors' recommendation

Noting that each Relevant Director would have a personal interest in any such Item, and that each of them (and their Closely Related Parties) would be excluded from voting their Shares on the resolution, **ALL** Directors unanimously recommend that shareholders **VOTE AGAINST** Item 7.

SCHEDULE 1 – EMPLOYEE RIGHTS PLAN TERMS

The terms and conditions of the Employee Rights Plan are as follows:

(a) **Nature of Share Rights**

The Board may, on behalf of the Company, make an offer to participate in the Employee Rights Plan to people who either are in full-time or permanent part-time employment of a member of the Group (including Directors employed in an executive capacity) or are Non-Executive Directors (**Eligible Employees**). An offer must include the number of share rights (**Share Rights**) to which the offer relates or the formula by which the number is to be calculated.

A Share Right is a right to be allocated a Share, subject to the terms of the Employee Rights Plan.

Share Rights will be issued for no consideration, unless otherwise determined by the Board (subject to any applicable requirements of the ASX Listing Rules and the Corporations Act).

The number of Share Rights (if any) to be offered to an Eligible Employee from time to time will be determined by the Board in its absolute discretion.

(b) **Grant of Share Rights**

An Eligible Employee may only accept an offer to participate in the Employee Rights Plan by returning a duly completed and signed valid acceptance form on or before the date specified in the offer as the latest date on which the acceptance form must be received by the Company (**Acceptance Date**). If, at the time of returning the duly completed and signed acceptance form and at the Acceptance Date, the Eligible Employee continues to be an Eligible Employee, then the Eligible Employee accepts the offer and agrees to be bound by the terms of the offer, the acceptance form and the rules of the Employee Rights Plan.

As soon as reasonably practicable following the receipt of a duly completed and signed valid acceptance form (or, if later, the Acceptance Date), the Company will, provided the relevant Eligible Employee continues to be an Eligible Employee, grant to that Eligible Employee the number of Share Rights the subject of the acceptance form. The Board may decide to reject an acceptance form, in which case the Company will give notice of the rejection to the relevant Eligible Employee and that acceptance form (and the relevant offer) will become null and void and of no effect.

An Eligible Employee becomes a participant in the Employee Rights Plan upon the Company granting Share Rights to that Eligible Employee.

The Board may, in its sole and absolute discretion, determine that an Eligible Employee may give notice that it renounces an offer of Share Rights under the Employee Rights Plan in favour of a nominee who is sufficiently related to the eligible employee as further detailed in the Employee Rights Plan. A person nominated in these circumstances becomes a participant in the Employee Rights Plan, and performance criteria or other conditions relating to employment attaching to those Share Rights (as described below) are referable to the employment and performance (as applicable) of the Eligible Employee who nominated that nominee participant.

A participant in the Employee Rights Plan may not dispose of a Share Right or grant any security interest (meaning a mortgage, charge, pledge, lien, encumbrance or other third party interest of any nature) over a Share Right, except in respect of the transmission of a Share Right to a participant's legal representative upon death or legal incapacity.

(c) **Exercise price of Share Rights**

The exercise price of the Share Rights will be nil, unless otherwise determined by the Board (subject to any applicable requirements of the ASX Listing Rules and the Corporations Act).

(d) **When Share Rights may be exercised**

The Board may, in its absolute discretion, prescribe performance criteria (which may include a condition that the relevant participant in the Employee Rights Plan remains an employee for a specified period) that must be satisfied as a condition for all or any of the Shares the subject of particular Share Rights to be exercised. An offer to an Eligible Employee to participate in the Employee Rights Plan must include the performance criteria (if any) applicable to the relevant Share Rights.

Once a Share Right is capable of exercise, it may be exercised at any time up until 5.00pm (AEST) on the expiry date (which is the date 5 years after the date of the grant of the Share Right, or such earlier date as is determined by the Board and specified in the offer).

Share Rights will become capable of exercise if the performance criteria (if any) prescribed in an offer in respect of those Share Rights have been satisfied or waived prior to the expiry date. Once Share Rights are validly exercised, the Company will, as soon as reasonably practicable, allocate and issue to the relevant participant the number of Shares the subject of those exercised Share Rights. Those Shares must be registered in the name of that participant or a permitted nominee.

If the performance criteria prescribed in an offer in respect of Share Rights are not wholly satisfied prior to the expiry date, the participant's rights in relation to those Share Rights will lapse except to the extent otherwise provided in the offer or unless the Board determines otherwise.

Shares issued in accordance with the plan will rank equally with all other Shares on issue as at the time of allocation. The Company must apply for ASX quotation of Shares issued in accordance with the plan (provided the Company's Shares are quoted on the ASX at that time).

A participant's Share Rights will lapse on the earliest to occur of:

- (i) the expiry date;
- (ii) the Board determining that the participant:
 - (A) committed any act of fraud or defalcation or gross misconduct in relation to the affairs of any member of the Group;
 - (B) hedged the value of, or entered into a derivative arrangement in respect of, unvested or unexercised Share Rights; or

- (C) purported to dispose of, or grant any security interest over, a Share Right (except in respect of the transmission of a Share Right to a participant's legal representative upon death or legal incapacity),

unless the Board determines that any such condition does not result in the lapse of the participant's Share Rights;

- (iii) in the case of the participant's unvested Share Rights – automatically on the date of termination of the participant's employment for any reason other than an 'uncontrollable event' (being death, permanent disablement, retirement, retrenchment or such other circumstances which the Board determines is an 'uncontrollable event'); or
- (iv) in the case of the participant's vested but unexercised Share Rights:
 - (A) where the participant ceases to be an employee or Non-Executive Director for any reason other than an 'uncontrollable event' – fifteen Business Days after the date the participant ceased to be an employee or Non-Executive Director; or
 - (B) where the participant ceases to be an employee or Non-Executive Director as a result of an 'uncontrollable event' – thirty Business Days after the date the participant ceased to be an employee or Non-Executive Director.

Where the participant ceases to be an employee or Non-Executive Director, the Board may, in its discretion, determine in relation to the participant's unvested Share Rights that:

- (i) some or all of those unvested Share Rights continue subject to their performance criteria;
- (ii) the performance criteria applying to some or all of those unvested Share Rights will be waived; or
- (iii) some or all of those unvested Share Rights will lapse.

(e) Change of control events

If any of the following 'change of control events' occur:

- (i) any person, either alone or together with any associate (as defined in the Corporations Act), acquires a relevant interest (as defined in the Corporations Act) in more than 50% of the issued Shares in the Company as a result of a takeover bid;
- (ii) any person, either alone or together with any associate (as defined in the Corporations Act), acquires a relevant interest (as defined in the Corporations Act) in more than 50% of the issued Shares in the Company through a scheme of arrangement;
- (iii) a material change in the composition of the Board, such change being initiated as a result of a change in ownership of the Company's securities and the purchaser of the securities requiring (or agreeing with other security holders to require) that change in Board composition; or

- (iv) any other similar event (including a merger of the Company with another company) which the Board determines, in its absolute discretion, to be a 'change of control event',

or the Board determines in its absolute discretion that such a 'change of control event' is likely to occur, the Board will determine in its absolute discretion appropriate treatment regarding any unvested or unexercised Share Rights.

(f) **Effect of re-organisation of capital**

In the event of any re-organisation of the issued ordinary capital of the Company, the number of Share Rights (or the number of Shares subject to Share Rights, or both) will be reconstructed to the extent necessary to comply with, and in accordance with, the ASX Listing Rules applying to a re-organisation of capital at the time of the re-organisation.

If the Company makes a bonus issue to Shareholders (other than in lieu of dividends or by way of dividend reinvestment pursuant to any shareholder election), the number of Shares that may be allocated to a participant in the Employee Rights Plan will include the number of bonus Shares that would have been allotted to the participant if their Share Rights had been exercised and the Shares the subject of those Share Rights allocated to the participant before the record date for the bonus issue.

Subject to the above and the ASX Listing Rules, the Board may in its absolute discretion adjust the number of Share Rights in relation to a participant, issue a further offer to a participant for additional Share Rights or determine that Shares will be allocated to a participant in respect of some or all of their unvested or unexercised Share Rights and that their remaining share rights will wholly or partly lapse, if the Board determines it is appropriate having regard to a variation in the equity share capital of the Company, a demerger, a special dividend to be paid to all Shareholders or any other event that the Board determines appropriate.

SCHEDULE 2 – NON-EXECUTIVE DIRECTOR OFFER TERMS

The Proposed NED Issue will be made under the Company's Employee Rights Plan as further described in Schedule 1 of the Explanatory Statement and in accordance with the terms and conditions of the NED Offer as follows:

(a) **Nature of the Share Rights**

Subject to obtaining Shareholder approval, the Share Rights will be granted to each Non-Executive Director as soon as practicable following this Meeting.

The number of Share Rights granted to each director will be equal to the portion of the dollar value of the relevant Director's FY2025 Base Fee they elect to sacrifice (up to a maximum of 25%), divided by the volume weighted average price of the Company's Shares for the 20 trading days immediately following the date on which CTP's 2024 financial year full year results are released.

The amount of each Non-Executive Director's FY2025 Base Fee payable in cash will be reduced by the value of any Share Rights granted as part of the NED Offer.

The Share Rights are not subject to any performance criteria, and the Share Rights will automatically vest on 30 June 2025 (**Vesting Date**).

If a Non-Executive Director ceases to be a Director prior to the Vesting Date, then a portion of their unvested Share Rights granted to them under the NED Offer will lapse and be forfeited on a pro rata basis, calculated on and from the first day of the calendar month immediately following the grant of Share Rights under the NED Offer.

(b) **Exercise and lapse of Share Rights**

Upon vesting of the Share Rights, the Non-Executive Director may exercise any number of the Share Rights by delivering an exercise notice to the Company. No amount will be payable by the Non-Executive Director upon exercise of the Share Rights.

Upon exercise, the Company will issue the Non-Executive Director (or their nominee) one ordinary share in the Company for each Share Right Exercised. The Board may in its discretion, choose to make an equivalent cash payment in settlement of the Share Rights.

The expiry date of the Share Rights will be 30 June 2029 (**Expiry Date**). If a signed exercise notice is not delivered by this date, then the relevant Share Rights will automatically lapse and be forfeited.

(c) **Restriction Period**

Non-Executive Directors may not dispose of, or grant any security interest over, a Share allocated to them on settlement of a Share Right for a period of either 1, 3, 6, 9, 12 or 15 years from the issue date of the Share (**Restriction Period**), unless they otherwise elect for no such period to apply. The Restriction Period (if any) is elected by each Non-Executive Director upon accepting to participate in the NED Offer.

If a person ceases to be a Non-Executive Director of the Company, the Restriction Period will no longer apply.

(d) **Ceasing to be a Director and Lapsing of Share Rights**

If a person ceases to be a Non-Executive Director of the Company:

- (i) any Share Rights which have not yet been granted to them will no longer be granted to them;
- (ii) any Share Rights which have been granted to them, but which have not vested, will lapse and be forfeited on a pro rata basis calculated on and from the first day of the calendar month immediately following the grant of Share Rights under the NED Offer; and
- (iii) they will continue to hold any vested but unexercised Share Rights granted to them under the NED Offer, and these Share Rights will not lapse or be forfeited upon them ceasing to be a Non-Executive Director of the Company.

The Board may determine that some or all of a Non-Executive Director's unvested Share Rights lapse if:

- (i) they commit any act of fraud or defalcation or gross misconduct in relation to the affairs of the Company;
- (ii) they hedge the value of, or enter into a derivative arrangement in respect of, any unvested Share Rights; or
- (iii) they purport to dispose of or otherwise deal with (including by granting any security interest over) a Share Right other than as permitted under the Employee Rights Plan.

(e) **Change of Control**

If a Change of Control Event (as defined in the Employee Rights Plan) occurs, the Board has the discretion to determine the appropriate treatment regarding any unvested or unexercised Share Rights.

SCHEDULE 3 – 2024 EIP SHARE RIGHTS TERMS

The 2024 Share Rights are issued under the Company's Employee Rights Plan as further described in Schedule 1 of the Explanatory Statement and in accordance with the terms and conditions of the 2024 EIP as follows:

(a) **Performance criteria – 2024 Share Rights**

After assessment of the achievement of the Corporate KPIs (refer Section G of the Remuneration Report on pages 33 and 34 of the 2024 CTP Annual Report) and the Company's performance during the year, the Company has calculated that, on average, Mr Devaney achieved 51% of the maximum EIP bonus. Of this award, two-thirds is the subject of this approval to be granted as service based Share Rights that vest over the next three years in equal tranches beginning 12-months after 30 June 2024 (being the end of the initial 12-month performance period).

The 2024 Share Rights are service based rights meaning there will be a performance condition that Mr Devaney must remain employed by the Company in the following periods for the 2024 Share Rights to vest over a series of tranches (each a **Service Period**) and 2024 Share Rights that do not vest will lapse.

The number of total 2024 Share Rights that will vest in each tranche, and the timing of each tranche, is outlined in the table below.

Employment Period (performance criteria)	Vesting tranche	Number of Share Rights that will vest
On and from 1 July 2024 to and including 30 June 2025	As soon as reasonably practicable following 30 June 2025	1,843,567
On and from 1 July 2025 to and including 30 June 2026	As soon as reasonably practicable following 30 June 2026	1,843,567
On and from 1 July 2026 to and including 30 June 2027	As soon as reasonably practicable following 30 June 2027	1,843,567

Upon vesting of any 2024 Share Rights, subject to the terms of the Employee Rights Plan and the 2024 EIP, Mr Devaney (or his nominee) will be sent a notice by CTP notifying that the relevant 2024 Share Rights have vested (**2024 EIP Vesting Notice**). Unless and until Mr Devaney (or his nominee) has received a 2024 EIP Vesting Notice, the 2024 Share Rights will not be considered to have vested. Once vested, 2024 Share Rights are capable of being exercised.

In accordance with the terms of the Employee Rights Plan, the Board has a discretion to waive the performance criteria prescribed in Mr Devaney's (or his nominee's) Plan Offer prior to the expiry date for the Share Rights, including (but without limitation) if there is a 'change in control event' or Mr Devaney ceases employment as described below.

If the performance criteria is not wholly satisfied prior to the expiry date, Mr Devaney's (or his nominee's) rights in relation to those Share Rights will lapse unless the Board determines otherwise.

The Company will determine whether Mr Devaney satisfied the requirement to remain employed during the relevant Service Period in order to determine whether the 2024 Share Rights have vested.

(b) Exercise and lapse of Share Rights

In the event Mr Devaney ceases to be an employee with a termination date being within one of the Service Periods outlined in paragraph (a) above, by way of resignation, redundancy, or other reason as determined by the Board, the number of 2024 Share Rights will be adjusted downwards on a pro-rata basis. The vesting of 2024 Share Rights will be made as per the Vesting tranche outlined in paragraph (a) above.

The Board has discretion to determine that if Mr Devaney ceases employment with CTP, he (or his nominee) will continue to hold any unvested or unexercised 2024 Share Rights granted under the 2024 EIP, and the 2024 Share Rights will not lapse or be forfeited upon Mr Devaney ceasing employment unless the Board determines otherwise (in its absolute discretion) having regard to the circumstances of Mr Devaney's cessation of employment.

The Board may determine that some or all of Mr Devaney's (or his nominee's) unvested 2024 Share Rights lapse if Mr Devaney (or his nominee):

- (i) commits any act of fraud or defalcation or gross misconduct in relation to the affairs of CTP;
- (ii) hedges the value of, or enter into a derivative arrangement in respect of, any unvested 2024 Share Rights; or
- (iii) purports to dispose of or otherwise deal with (including by granting any security interest over) a 2024 Share Right other than as permitted under the Employee Rights Plan.

The vesting, exercise and lapse of the Share Rights will otherwise generally be in accordance with the terms of the Employee Share Plan, as described in Schedule 1 of the Explanatory Statement.

(c) Change of control events

If a Change of Control Event (as defined in the Employee Rights Plan) occurs, the Board has the discretion to determine the appropriate treatment regarding any unvested or unexercised Share Rights.

(d) Effect of re-organisation of capital

In the event of any re-organisation of the issued ordinary capital of the Company, the Share Rights will be reconstructed in accordance with the terms of the Employee Share Plan, as described in Schedule 1 of the Explanatory Statement.

SCHEDULE 4 – 2025 LTI SHARE RIGHTS TERMS

The 2025 LTI Share Rights are issued under the Company's Employee Rights Plan as further described in Schedule 1 of the Explanatory Statement and in accordance with the terms and conditions of the 2025 LTIP as follows:

(a) Offer of the Share Rights

The number of Share Rights offered to Mr Devaney have been determined by taking the LTI Opportunity (as specified in the table of relevant details below), splitting that figure into two tranches, and then dividing the amount of the LTI Opportunity allocated to the tranche by the Share price hurdle for the tranche to end up with the number of Share Rights for that tranche.

Relevant details are shown in the table below.

FY25 LTI Opportunity (\$)	Tranche	FY25 LTI Opportunity per tranche (%)	Tranche Hurdle Price (\$ per share)	Share Rights per tranche	Total Share Rights grant
\$1,000,000	1	30% = \$300,000	Threshold: \$0.08	3,750,000	8,125,000
	2	70% = \$700,000	Maximum: \$0.16	4,375,000	

(b) Performance hurdles

The Share Rights will vest to the extent the following Share prices are achieved as at 30 June 2027 (**Share Price Hurdle**) and provided Mr Devaney remains an employee of CTP at that date.

Tranche	Share Price Hurdle	Vesting basis	# of Share Rights
1	Threshold: \$0.08	100% vest if threshold Share Price Hurdle achieved	3,750,000
2	Maximum: \$0.16	Vest pro-rata between the threshold Share Price Hurdle and the maximum Share Price Hurdle	4,375,000

The Tranche 1 threshold Share Price Hurdle is a binary, all-or nothing, hurdle. If the Share price at 30 June 2027 is less than \$0.08, no Share Rights will vest. If the Share price is at least \$0.08, an increase of 51% from the 30 June 2024 share price, 3,750,000 Share Rights would vest, representing an award of approximately 50% of Mr Devaney's FY2025 Total Fixed Remuneration (**TFR**).

Vesting for Tranche 2 is on a linear basis between the threshold and maximum Share Price Hurdles, vesting from \$0.08 to \$0.16 on a straight-line basis. For example, a \$0.12 Share price at 30 June 2027, more than double the 30 June 2024 Share price, would result in 100% of Tranche 1 Share Rights vesting and 50%

of Tranche 2 Share Rights vesting, an award with a value of 120% of Mr Devaney's FY2025 TFR.

At the maximum vesting Share Price Hurdle, with the Share price having more than tripled to \$0.16, 100% of both tranches would vest with a value of approximately 218% of Mr Devaney's FY2025 TFR.

The Share price for the purpose of the Share Price Hurdle will be calculated using the volume weighted average price of Shares traded over the 20 trading days ending on 30 June 2027. The Share Price Hurdles will be adjusted for any dividends or return of capital paid during 1 July 2024 to 30 June 2027 (**Performance Period**). For example, a \$0.01 dividend or return of capital would reduce the Share Price Hurdles to \$0.07 and \$0.15 respectively.

Following expiry of the Performance Period, subject to the terms of the Employee Rights Plan and the 2025 LTIP, Mr Devaney (or his nominee) will be sent a notice by CTP notifying that the relevant 2025 LTI Share Rights have vested (**2025 LTI Vesting Notice**). Unless and until Mr Devaney (or his nominee) has received a 2025 LTI Vesting Notice, the 2025 LTI Share Rights will not be considered to have vested. Once vested 2025 LTI Share Rights are capable of being exercised. Share Rights that do not vest will lapse.

In accordance with the terms of the Employee Rights Plan, the Board has a discretion to lapse some, none or all of Mr Devaney's (or his nominee's) Share Rights prior to the expiry date for the Share Rights, including (but without limitation) if there is a 'change in control event' or Mr Devaney ceases employment as described below.

If the Share Rights have not been exercised prior to the expiry date, being 30 June 2029, Mr Devaney's (or his nominee's) rights in relation to those Share Rights will lapse unless the Board determines otherwise.

Following exercise of the Shares, the Board may convert the vested Share Rights into either Shares or cash or a combination thereof.

(c) **Exercise and lapse of Share Rights**

In the event Mr Devaney ceases to be an employee, the number of 2025 LTI Share Rights may be adjusted downwards on a pro-rata basis. The vesting of 2025 LTI Share Rights will be made as per the Vesting tranche outlined in paragraph (b) above.

The Board has discretion to determine that if Mr Devaney ceases employment with CTP, he (or his nominee) will continue to hold any unvested or unexercised 2025 LTI Share Rights granted under the 2025 LTIP, and the 2025 LTI Share Rights will not lapse or be forfeited upon Mr Devaney ceasing employment unless the Board determines otherwise (in its absolute discretion) having regard to the circumstances of Mr Devaney's cessation of employment.

The Board may determine that some or all of Mr Devaney's (or his nominee's) unvested 2025 LTI Share Rights lapse if Mr Devaney (or his nominee):

- (i) commits any act of fraud or defalcation or gross misconduct in relation to the affairs of CTP;
- (ii) hedges the value of, or enter into a derivative arrangement in respect of, any unvested 2025 LTI Share Rights; or

- (iii) purports to dispose of or otherwise deal with (including by granting any security interest over) a 2025 LTI Share Right other than as permitted under the Employee Rights Plan.

The vesting, exercise and lapse of the Share Rights will otherwise generally be in accordance with the terms of the Employee Share Plan, as described in Schedule 1 of the Explanatory Statement.

(d) **Change of control events**

If a Change of Control Event (as defined in the Employee Rights Plan) occurs, the Board has the discretion to determine the appropriate treatment regarding any unvested or unexercised Share Rights.

(e) **Effect of re-organisation of capital**

In the event of any re-organisation of the issued ordinary capital of the Company, the Share Rights will be reconstructed in accordance with the terms of the Employee Share Plan, as described in Schedule 1 of the Explanatory Statement.
