Overview

The Board of Directors of Toxfree announces that Toxfree has entered into a Scheme Implementation Deed with Cleanaway under which it is proposed that Cleanaway will acquire 100% of the issued share capital of Toxfree for a cash price of \$3.425 per share by way of a Scheme.

Under the Proposal, regardless of whether the Scheme is implemented, Toxfree shareholders will be entitled to an interim dividend for FY2018 equal to \$0.05 per share if they continue to hold their shares on the record date for that dividend, which is expected to be in March 2018. The payment of the interim dividend will not reduce the Scheme Consideration that is payable pursuant to the Proposal. Together, the Scheme Consideration and the FY2018 interim dividend represent total proceeds to Toxfree shareholders of \$3.475 per share.

Toxfree may also declare and pay a fully-franked special dividend on or shortly before the implementation of the Scheme. The proposed quantum of the special dividend will be advised to Toxfree shareholders in due course. The Scheme Consideration of \$3.425 cash per share will be reduced by the amount of any such special dividend.

The Scheme Consideration of \$3.425 per share values Toxfree's fully diluted equity at approximately \$671 million,⁽⁵⁾ and at an enterprise value of \$831 million.⁽⁶⁾

Toxfree Directors Unanimously Recommend the Scheme

Toxfree's Board of Directors unanimously recommend that Toxfree shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an Independent Expert's Report concluding (and continuing to conclude) that the Scheme is in the best interests of Toxfree shareholders. Each Director of Toxfree intends to vote all the Toxfree shares that he or she holds in favour of the Scheme, subject to those same qualifications.

The Board of Directors of Toxfree believe that the Proposal is compelling for Toxfree shareholders for the following reasons:

- **Scheme Consideration premium:** The Scheme Consideration of \$3.425 per share, plus the FY2018 interim dividend payment of \$0.05 per share, represents an attractive premium of:
 - 29.4% to the 10 day VWAP of Toxfree shares of \$2.69 per share;⁽⁷⁾
 - 29.8% to the 1 month VWAP of Toxfree shares of \$2.68;⁽⁷⁾ and
 - 34.7% to the 3 month VWAP of Toxfree shares of \$2.58.⁽⁷⁾

⁵ Calculated based on 194,418,716 ordinary shares outstanding plus 1,560,834 Performance Rights and 1,293,859 Share Appreciation Rights that are expected to vest upon completion of the transaction; assumes a strike price for the Share Appreciation Rights of \$3.09 per share and an issuance price equivalent to the Scheme Consideration.

⁶ Based on reported net debt of \$159.9 million as at 30 June 2017, including \$2.5 million of non-controlling interests.

⁷ Volume weighted average price based on cumulative trading volume and value up to and including 8 December 2017. The Scheme Consideration (excluding the FY2018 interim dividend payment) represents a 27.5% premium to the 10 day VWAP, a 28.0% premium to the 1 month VWAP, and a 32.7% premium to the 3 month VWAP

- **An attractive acquisition multiple:** The Scheme Consideration of \$3.425 per share represents an enterprise value of \$831 million, and implies a FY2017 P/E multiple of 27.8x, a FY2017 EV/EBIT multiple of 20.0x, and a FY2017 EV/EBITDA multiple of 10.0x.⁽⁸⁾ This represents an attractive premium with reference to multiples paid in precedent waste management acquisitions in Australia and New Zealand,⁽⁹⁾ and recognises the high strategic value of Toxfree's business to Cleanaway, together with the potential for synergies post acquisition.
- **Certainty of value:** The 100% cash consideration provides Toxfree shareholders with certainty of value and the opportunity to realise their investment for cash, in full.
- **Special dividend:** There may be an opportunity for eligible shareholders, subject to their marginal tax rate, to receive an additional benefit from franking credits that may be attached to the payment of a special dividend.

Toxfree Chairman, Robert McKinnon, said: "The Toxfree Board has unanimously concluded that the Proposal from Cleanaway represents a compelling offer for Toxfree shareholders. The Scheme Consideration of \$3.425 per share plus the FY2018 interim dividend payment of \$0.05 per share reflects the strategic value of the Toxfree business to Cleanaway, as well as the potential synergies that can be realised from the combination of the two businesses."

Details of the Scheme Implementation Deed

The implementation of the Scheme is subject to a number of conditions, including approval of Toxfree shareholders, the Federal Court of Australia and the ACCC, settlement of the institutional component of a non-renounceable entitlement offer by Cleanaway occurring within 10 business days, there being no material adverse change or prescribed occurrence, and an Independent Expert's Report concluding that the Scheme is in the best interests of Toxfree shareholders (and not changing or withdrawing that conclusion). There is no due diligence condition.

Full details of the conditions to the Scheme, as well as other terms that have been agreed, are set out in the Scheme Implementation Deed. A copy of this document is attached to this announcement.

Special Dividend

Toxfree may declare and pay a fully-franked special dividend on or shortly before the implementation of the Scheme. The proposed quantum of the special dividend will be advised to Toxfree shareholders in due course. The Scheme Consideration will be reduced by the amount of any special dividend. Those shareholders who are entitled to a refundable tax offset for franking credits attached to a special dividend may receive this additional benefit in addition to the Scheme Consideration and fully franked interim dividend. The payment and the amount of a special dividend will be at the discretion of the Toxfree Board, and will be subject to tax advice.

⁸ Based on reported underlying EBITDA for the 12 months to 30 June 2017 ("FY2017") of \$82.8 million, underlying EBIT of \$41.5 million, and underlying profit after tax of \$24.1 million for the same period.

⁹ Based on Toxfree management's assessment of the trailing EBITDA multiples paid in a number of transactions where the target business was an Australia or New Zealand based waste management business, since 2010.

Indicative Timetable and Next Steps

Toxfree shareholders do not need to take any action at this point in time.

A Scheme Booklet containing information relating to the proposed acquisition, reasons for the Directors' recommendation, an Independent Expert's Report and details of the Scheme meeting will be prepared and provided to the Australian Securities and Investments Commission for review, which is expected in February 2018, and subsequently mailed to Toxfree shareholders.

Shareholders will then have the opportunity to vote on the Scheme at a meeting. Subject to shareholder approval and the other conditions of the Scheme being satisfied, the Scheme is expected to be implemented in the second quarter of 2018.

Toxfree expects to update the market on an indicative timetable during January 2018.

Morgan Stanley Australia Limited and Clayton Utz are advising Toxfree in relation to the Proposal.

- (c) The Conditions Precedent in clauses 3.1(c), 3.1(f), 3.1(h), 3.1(i) and 3.1(j) are for the sole benefit of Bidder and any breach or non-fulfilment of any of these Conditions Precedent may only be waived by Bidder (in its absolute discretion) in writing.
- (d) Prior to waiving the Condition Precedent in clause 3.1(c), Bidder must consult with Target (with such consultation recognising Bidder's obligation under clause 6.2 to

use best endeavours to implement the Scheme which is at all times subject to clause 3.2(e)(vi)) and in good faith consider any comments received from Target in relation to the proposed waiver.

- (e) The Condition Precedent in clause 3.1(k) is for the sole benefit of Target and any breach or non-fulfilment of such Condition Precedent may only be waived by Target (in its absolute discretion) in writing.
- (f) If Bidder or Target waives the breach or non-fulfilment of a Condition Precedent, that waiver does not prevent the relevant party from suing the other for any breach of this deed that resulted in such breach or non-fulfilment.
- (g) Waiver of a breach or non-fulfilment of a Condition Precedent does not constitute:
 - (i) a waiver of breach or non-fulfilment of any other Condition Precedent resulting from the same event; or
 - (ii) a waiver of breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.4 Termination on failure of Condition Precedent

- (a) If:
 - (i) there is a breach or non-fulfilment of a Condition Precedent that has not been waived in accordance with clause 3.3 by the time or date specified in this deed for the satisfaction of that Condition Precedent;
 - (ii) there is an act, failure to act or occurrence which will, or which either party becomes aware will, prevent a Condition Precedent being satisfied by the time or date specified in this deed for the satisfaction of that Condition Precedent and the breach or non-fulfilment of that Condition Precedent that has occurred, or would otherwise occur, has not been waived in accordance with clause 3.3; or
 - (iii) the Scheme has not become Effective by the End Date,then Bidder and Target must give the other written notice (**Consultation Notice**) within 10 Business Days of becoming aware of the relevant event (**Termination Event**), provided that there is no obligation for Bidder or Target to notify the other if it has already received a Consultation Notice from the other. Bidder and Target must then consult in good faith and acting reasonably to determine whether they can reach agreement with respect to:
 - (iv) extending the time for satisfaction of the relevant Condition Precedent or the End Date (as the case may be);
 - (v) changing the date on which an application is made to the Court for an order under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application to a date agreed between Bidder and Target (as applicable); or
 - (vi) the Transaction proceeding by way of alternative means or methods.
- (b) If Bidder and Target are unable to reach such agreement within 10 Business Days after a Consultation Notice is given (or any shorter period ending at 5:00pm on the day before the Second Court Date), then, subject to clause 3.4(c), either Bidder or

Target (in this clause 3.4, the **Terminating Party**) may terminate this deed by giving written notice (**Termination Notice**) to the other, provided that:

- (i) if the basis upon which the Terminating Party is seeking to terminate this deed is the occurrence of an event described in clause 3.4(a)(i) or 3.4(a)(ii), the Terminating Party has the benefit of the relevant Condition Precedent;
 - (ii) there has been no failure by the Terminating Party to comply with its obligations under this deed, where that failure directly contributed to the occurrence of the Termination Event; and
 - (iii) the Termination Event has not arisen as a result of a deliberate act or omission of the Terminating Party.
- (c) If:
- (i) an application is made to the ACCC under Part VII of the Competition and Consumer Act; and
 - (ii) the ACCC rejects the application before the End Date,
- and
- (iii) the Queen's Counsel or Senior Counsel jointly briefed by the parties has advised that, in his or her view, there is no reasonable prospect of success of an application for review or appeal of the decision (or of the decision of the Australian Competition Tribunal under Part IX of the Competition and Consumer Act if the decision of the ACCC has already been reviewed) in sufficient time for the Scheme to become Effective before the End Date; or
 - (iv) the Federal Court of Australia declares or makes orders before the End Date to the effect that the acquisition by Bidder of all of the Scheme Shares under the Scheme will contravene section 50 of the Competition and Consumer Act; or
 - (v) Competition Approval is not otherwise obtained by the End Date and the Condition Precedent in clause 3.1(c) has not been waived,
- then either Bidder or Target may terminate this deed by written notice without any liability to the other because of that termination, other than the payment by Bidder of the Cost Compensation Amount if it is required to do so under clause 10.4.
- (d) Where a Termination Notice is given under this clause 3.4, this deed will terminate with immediate effect and clause 13.4 will apply.

3.5 Certain notices

Each of Bidder and Target must promptly notify the other in writing if it becomes aware:

- (a) that a Condition Precedent has been satisfied or breached, in which case the notifying party must also provide reasonable evidence that it has been satisfied;
- (b) of any fact, matter or circumstance that has resulted or may result in:
 - (i) a Condition Precedent becoming incapable of satisfaction or otherwise not being satisfied in accordance with its terms;

- (ii) a Representation and Warranty provided by that party (or, where Bidder is the relevant party, by the Guarantor) under this deed ceasing to be true and correct in all material respects; or
 - (iii) a material breach of this deed by that party (or, where Bidder is the relevant party, by the Guarantor).
-

4 Scheme Consideration

4.1 Scheme

Target and Bidder agree to implement the Scheme on and subject to the terms and conditions of this deed, and Target:

- (a) agrees to propose the Scheme on and subject to the terms of this deed; and
- (b) must not consent to any modification of, or amendment to, the Scheme, or to the making or imposition by a court of any condition in respect of the Scheme, without the prior written consent of Bidder.

4.2 Obligations in respect of the Scheme Consideration

- (a) Subject to the Scheme becoming Effective, Bidder agrees in favour of Target that, in consideration of the transfer to Bidder of each Scheme Share under the Scheme, Bidder will:
 - (i) accept such transfer; and

4.3 Fractional entitlements and share splitting or division

- (a) If the number of Scheme Shares held by a Scheme Shareholder at the Scheme Record Date is such that the aggregate entitlement of the Scheme Shareholder to Scheme Consideration is such that a fractional entitlement to a cent arises, then the fractional entitlement will be rounded, up or down to the nearest cent (with any such fractional entitlement of less than 0.5 being rounded down to the nearest whole cent, and any such fractional entitlement of 0.5 or more being rounded up to the nearest whole cent).
- (b) If Bidder is of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares which results in rounding in accordance with clause 4.3(a)) have, before the Scheme Record Date for the Scheme, been party to shareholding splitting or division in an attempt to obtain unfair advantage by reference to such rounding, then Bidder may give notice to those Scheme Shareholders:

- (i) setting out their names and registered addresses as shown in the Target share register;
- (ii) stating that opinion; and
- (iii) attributing to one of them specifically identified in the notice of the Scheme Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the provisions of the Scheme, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the provisions of the Scheme, be taken to hold no Scheme Shares. Bidder, in complying with the provisions of the Scheme relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme.

5.3 Calculation of the Special Dividend

- (a) Following the agreement of this deed, the Bidder and the Target will work together to ascertain the precise amount of the Special Dividend which may be payable under law and to ensure the Target's franking account balance does not fall into

deficit. If the parties, acting reasonably and having taken advice agree that the amount of the Special Dividend can be declared and paid without:

- (i) contravening the Corporations Act, any applicable Tax Laws or any other law; or

4.2 Transfer of Scheme Shares

On the Implementation Date:

- (a) subject to the provision of the Scheme Consideration in the manner contemplated by clause 5.2(a) and Target having provided Bidder with written confirmation thereof, the Scheme Shares, together with all rights and entitlements attaching to them as at the Implementation Date, must be transferred to Bidder, without the need for any further act by any Scheme Shareholder (other than acts performed by Target as attorney and agent for Scheme Shareholders under clause 8.5), by:

- (b) immediately following receipt of the Scheme Transfer in accordance with clause 4.2(a), Target must enter, or procure the entry of, the name of Bidder in the Share Register in respect of all the Scheme Shares transferred to Bidder in accordance with this Scheme.

5 Scheme Consideration

5.1 Entitlement to Scheme Consideration

Subject to the terms of this Scheme, each Scheme Shareholder will be entitled to the Scheme Consideration for each Scheme Share.

5.2 Provision of Scheme Consideration

- (a) Bidder will provide the Scheme Consideration by depositing in cleared funds an amount equal to the Aggregate Scheme Consideration into the Trust Account by no later than the Business Day before the Implementation Date (provided that any interest on the amount so deposited (less bank fees and other charges) (**Accrued Interest**) will accrue for the benefit of Bidder).
- (b) Subject to Bidder having provided the Scheme Consideration in accordance with clause 5.2(a), Target must, on the Implementation Date and from the Trust Account, pay or procure the payment to each Scheme Shareholder the proportion of the Aggregate Scheme Consideration attributable to that Scheme Shareholder based on the number of Scheme Shares held by that Scheme Shareholder as at the Scheme Record Date, which obligation will be satisfied by Target:

- (i) where a Scheme Shareholder has, before the Scheme Record Date, made an election in accordance with the requirements of the Share Registry to receive dividend payments from Target by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election; or
 - (ii) whether or not a Scheme Shareholder has made an election referred to in clause 5.2(b)(i), dispatching, or procuring the dispatch of, a cheque in Australian currency for the relevant amount to the Scheme Shareholder by prepaid post to their Registered Address, such cheque being drawn in the name of the Scheme Shareholder (or in the case of joint holders, in accordance with clause 5.3).
- (c) In the event that:
- (i) either:
 - (A) a Scheme Shareholder does not have a Registered Address; or
 - (B) Target as the trustee for the Scheme Shareholders believes that a Scheme Shareholder is not known at the Scheme Shareholder's Registered Address,

and no account has been notified in accordance with clause 5.2(b)(i) or a deposit into such an account is rejected or refunded; or
 - (ii) a cheque issued under this clause 5 has been cancelled in accordance with clause 5.4(a),

Target as the trustee for the Scheme Shareholders may credit the amount payable to the relevant Scheme Shareholder to a separate bank account of Target (**Separate Account**) to be held until the Scheme Shareholder claims the amount or the amount is dealt with in accordance with the *Unclaimed Money Act 1990* (WA). To avoid doubt, if the amount is not credited to a Separate Account, the amount will continue to be held in the Trust Account until the Scheme Shareholder claims the amount or the amount is dealt with in accordance with the *Unclaimed Money Act 1990* (WA).

Until such time as the amount is dealt with in accordance with the *Unclaimed Money Act 1990* (WA), Target must hold the amount on trust for the relevant Scheme Shareholder, but any interest or other benefit accruing from the amount will be to the benefit of Bidder. An amount credited to the Separate Account or Trust Account (as applicable) is to be treated as having been paid to the Scheme Shareholder when credited to the Separate Account or Trust Account (as applicable). Target must maintain records of the amounts paid, the people who are entitled to the amounts and any transfers of the amounts.

- (d) To the extent that there is a surplus in the amount held by Target as the trustee for the Scheme Shareholders in the Trust Account, that surplus may be paid by Target as the trustee for the Scheme Shareholders to Bidder following the satisfaction of Target's obligations as the trustee for the Scheme Shareholders under this clause 5.2.
- (e) Target must pay any Accrued Interest to any account nominated by Bidder following satisfaction of Target's obligations under clause 5.2(b) (and, in any event, on the Implementation Date).

 - (i) is returned to Target; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Target (or the Share Registry) (which request may not be made until the date which is 5 Business Days after the Implementation Date), a cheque that was previously cancelled under clause 5.4(a) must be reissued.

5.5 Unclaimed monies

- (a) The *Unclaimed Money Act 1990* (WA) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 3 of the *Unclaimed Money Act 1990* (WA)).
- (b) Any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of Bidder.

5.6 Orders of a court

If written notice is given to Target (or the Share Registry) of an order or direction made by a court of competent jurisdiction or by another Government Agency that:

- (a) requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Shareholder, which sum would otherwise be payable to that Scheme Shareholder by Target in accordance with this clause 5, then Target will be entitled to make that payment (or procure that it is made) in accordance with that order or direction; or
- (b) prevents Target from making a payment to a particular Scheme Shareholder in accordance with clause 5.2(b), or such payment is otherwise prohibited by applicable law, Target will be entitled to retain an amount, in Australian dollars, equal to the amount of the relevant payment until such time as payment in accordance with this clause 5 is permitted by that order or direction or otherwise by law.

6 Dealings in Target Shares

6.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Target Shares or other alterations to the Share Register will only be recognised if:

and Target must not accept for registration, nor recognise for any purpose (except a transfer to Bidder pursuant to this Scheme and any subsequent transfer by Bidder or its successors in title), any transfer or transmission application or other request received on or after the Scheme Record Date, or received prior to the Scheme Record Date but not in registrable or actionable form.

6.2 Share Register

- (a) Target must register registrable transmission applications or transfers of Target Shares in accordance with clause 6.1(b) at or before the Scheme Record Date, provided that nothing in this clause 6.2(a) requires Target to register a transfer that would result in a Target Shareholder holding a parcel of Target Shares that is less than a 'marketable parcel' (as defined in the operating rules of ASX).
- (b) If this Scheme becomes Effective, a Scheme Shareholder (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of, any Scheme Shares or any interest in them after the Scheme Record Date otherwise than pursuant to this Scheme, and any attempt to do so will have no effect and Target will be entitled to disregard any such disposal, purported disposal or agreement.
- (c) For the purpose of determining entitlements to the Scheme Consideration, Target must maintain the Share Register in accordance with the provisions of this clause 6.2 until the Scheme Consideration has been paid to the Scheme Shareholders. The Share Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) All statements of holding for Target Shares (other than statements of holding in favour of Bidder) will cease to have effect after the Scheme Record Date as documents of title in respect of those shares and, as from that date, each entry current at that date on the Share Register (other than entries in respect of Bidder) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Target Shares relating to that entry.
- (e) As soon as possible after the Scheme Record Date, and in any event within two Business Days after the Scheme Record Date, Target will ensure that details of the names, Registered Addresses and holdings of Target Shares for each Scheme Shareholder as shown in the Share Register as at the Scheme Record Date are available to Bidder in the form Bidder reasonably requires.
