STATUS OF RENEWALS

Core Exploration Ltd (the **Company**), hereby advises that renewals for EL 4174, 4177 and 4379 are still pending grant and the Company has not received any notification that the tenements will not be renewed

Under section 30A(5) of the Mining Act 1971 (SA) (5), if an application for the renewal of an exploration licence is not decided before the date on which the licence is due to expire, then the licence continues in operation until the application is decided and, if the licence is renewed, the renewal dates from the date on which the licence would, but for this subsection, have expired.

Yours faithfully,

Greg English
Director
Core Exploration Ltd
