EXPLANATORY MEMORANDUM

INTRODUCTION

This Explanatory Memorandum has been prepared for the information of Shareholders of Uranium Equities Limited (ACN 009 799 553) ("**Company**") in connection with the business to be transacted at the Annual General Meeting of the Company to be held on 22 November 2011 ("**Meeting**").

The purpose of this Explanatory Memorandum is to provide information that the Board believes to be material to Shareholders in deciding whether or not to pass these Resolutions. It explains the Resolutions and identifies the Board's reasons for putting them to Shareholders. The Explanatory Memorandum should be read in conjunction with the accompanying Notice of Meeting.

FINANCIAL STATEMENT AND REPORTS

The Corporations Act requires the Company to lay before the Annual General Meeting the Financial report, Directors' report (including the remuneration report) and the Auditor's report for the last financial year that ended before the Annual General Meeting.

No resolution is required for this item, but Shareholders will be provided with a reasonable opportunity to ask questions or make comments in relation to these reports. The Company's auditor will also be present at the meeting and Shareholders will be given the opportunity to ask the auditor questions about the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company and the independence of the auditor.

RESOLUTION 1 – ADOPTION OF THE REMUNERATION REPORT

Section 298 of the Corporations Act requires the annual Directors' Report to contain a remuneration report prepared in accordance with section 300A of the Corporations Act.

The remuneration report of the Company for the financial year ended 30 June 2011 is set out in the Directors' Report contained in the 2011 Annual Report to Shareholders ("**Remuneration Report**").

The Remuneration Report sets out the Company's remuneration arrangements for the executive and non-executive Directors and key management personnel. A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting. However, the vote on this Resolution is only advisory and does not bind the Company or its Directors. The Directors will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on Resolution 1 by marking either "For", "Against" or "Abstain" on the Proxy Form. The Chairman of the meeting intends to vote all available proxies (directed and undirected) in favour of Resolution 1.

The Board unanimously recommends that Shareholders vote in favour of this resolution.

RESOLUTION 2 - ELECTION OF MR TOM POOL AS A DIRECTOR OF THE COMPANY

Mr Tom Pool was appointed to the Board on 21 April 2011. Under Listing Rule 14.4 and clause 71 of the Company's constitution, a Director who is newly appointed must stand for election at the next general meeting. Mr Pool, being eligible, has offered himself for election as a Director of the Company.

Tom is a mining engineer with more than 35 years experience in the resources industry, the last 25 years of which has focussed on assessment and evaluation of projects in the uranium and nuclear fuels sector. Tom is Chairman of International Nuclear Inc (iNi) based in Golden, Colorado, having previously held senior positions with Nuclear Fuels Corporation and the Concord Group of Companies.

The Board (other than Mr Pool) unanimously recommends that Shareholders vote in favour of this resolution.

RESOLUTION 3 - RE-ELECTION OF MR ANTHONY KIERNAN AS A DIRECTOR OF THE COMPANY

Mr Anthony Kiernan was first elected as a Director of the Company on 3 June 2003 and is required to retire by rotation in accordance with Listing Rule 14.4 and clause 75 of the Company's Constitution. Mr Kiernan, being eligible, has offered himself for re-election as a Director of the Company.

Details regarding Mr Kiernan are set out in the 2011 Annual Report.

The Board (other than Mr Kiernan) unanimously recommends that Shareholders vote in favour of this resolution.

RESOLUTION 4 – ISSUE OF OPTIONS TO MR TOM POOL

Resolution 4 seeks Shareholder approval for the Company to issue 500,000 unlisted options to Mr Tom Pool, a Director of the Company, or his nominee.

Shareholder approval for the issue of the options, the subject of Resolutions 4, is sought for the purposes of:

- (a) Division 3 of Part 2E.1 of the Corporations Act, which governs the giving of financial benefits to "related parties", such as directors of a company; and
- (b) Listing Rule 10.11, which requires the grant of securities to a Director of a company to be approved by shareholders.

Purpose of the Issue

The purpose of the proposed grant of options to Mr Pool is to provide Mr Pool with an added incentive in carrying out his duties as non-executive Director of the Company.

Given the size of the Company and its need to preserve cash, the issue of options is a valuable part of the compensation to be provided to Mr Pool.

The Company acknowledges that the issue of options to non-executive Directors is contrary to guidelines under recommendation 8.2 of the ASX Principles of Good Corporate Governance and Best Practice Recommendations. The Board considers the issue of options in Resolution 4 to be reasonable in the circumstances given the Company's size, stage of development, and the need to attract and retain directors of high calibre while still maintaining a cash reserve.

Terms of the Options

Subject to Shareholder approval, the options will be issued on the terms and conditions set out in Annexure A to this Notice of Meeting.

Part 2E of the Corporations Act

Part 2E.1 of the Corporations Act prohibits the Company from giving a financial benefit to a related party (such as a Director) unless either:

- the giving of the financial benefit falls within one of the nominated exceptions to the relevant provisions of the Corporations Act; or
- Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed grant of unlisted options to Mr Pool involves the provision of a financial benefit to a related party of the Company, and therefore, requires Shareholder approval.

In accordance with the requirements of Part 2E of the Corporations Act, and in particular sections 219 and 221, the following information is provided to Shareholders to allow them to assess the proposed issue of Options:

- (a) Mr Pool, as a Director, is a related party of the Company to whom Resolution 4 would permit a financial benefit to be given, if Resolution 4 is passed.
- (b) The nature of the financial benefit to be given is the grant of unlisted options on the terms noted above. Should Shares be trading on the ASX at a price in excess of the exercise price of the options granted to the related party (or his nominee) pursuant to the Resolution being passed at this Meeting, Mr Pool will obtain a financial gain on the exercise of the Options and subsequent sale of Shares.

- (c) The options will be issued to Mr Pool free of charge and therefore no funds will be raised from the grant of the options. A total of \$125,000 would be raised if the options were exercised by Mr Pool in full, proceeds of which will be used for the Company's general working capital requirements.
- (d) The options to be issued will be issued upon approval by Shareholders with an exercise price of \$0.25 exercisable on or before 24 November 2014.
- (e) Based on a Black & Scholes valuation method, the Company estimates that each option, the subject of Resolution 4, has a value of \$0.048 with assumptions detailed in the table below:

Exercise Price	\$0.25
Market value of underlying Shares at time of setting exercise price	\$0.105
Time to expiration of option	3 years
Volatility	98%
Risk free interest rate	4.75%
Annualised dividend yield	Nil

On the basis of that valuation, the total value of the options proposed to be issued to Mr Pool is \$23,892.

- (f) Over the past 12 months prior to the date of this Notice of Meeting, the lowest recorded price of Shares trading on ASX was \$0.064 on 16 June 2011 and the highest was \$0.200 on 3 February 2011. At the close of trading on 21 September 2011 the Share price was \$0.085.
- (g) Following the passing of Resolution 4, Mr Pool will hold an interest in 559,548 Shares and 500,000 options.
- (h) Mr Pool receives a director's fee of \$60,000 per annum. In addition, Mr Pool will receive an additional benefit of \$23,892, being the approximate value of the options proposed to be issued to Mr Pool in accordance with Resolution 4.
- (i) The Company has a total of 210,260,801 Shares and 12,400,000 options on issue. Assuming that all of the options to be issued pursuant to Resolution 4 are exercised, the Shares in the Company will be increased from 210,260,801 to 210,760,801 and (assuming that no other Options or Shares are issued) this will have the effect of diluting the shareholding of existing Shareholders by 0.24%.
- (j) The issue has no taxation consequences for the Company (including exposure to fringe benefits tax).
- (k) Ownership of Shares pursuant to the exercise of the options will entitle the holder of Shares to receive benefits of ownership/membership on the same basis as existing Shareholders.
- (l) Mr Pool has a material personal interest in the outcome of Resolution 4.
- (m) Neither the Directors nor the Company are aware of any other information that would be reasonably required by the Shareholders to make a decision whether it is in the best interests of the Company to pass Resolutions 4.

Recommendation

In respect of Resolution 4, those Directors who have no interest in the outcome of Resolution 4 (being all Directors other than Mr Pool) recommend that Shareholders vote in favour of Resolution 4 on the basis that the Options to be granted provide Mr Pool with an appropriate incentive in recognition of his extensive knowledge, experience and capabilities. Mr Pool makes no recommendation in relation to Resolution 4 on the basis that he has an interest in the outcome of the Resolution.

ASX Listing Rule 10.11

Listing Rule 10.11 requires Shareholders to approve the grant of the Options to Mr Pool. Listing Rule 10.11 requires Shareholders' approval by ordinary resolution for any issue by a listed company of securities to a related party. As approval of Shareholders is being sought pursuant to Listing Rule 10.11, approval under Listing Rule 7.1 is not required.

Additional Information

For the purposes of Listing Rule 10.13, the following information is provided to Shareholders:

- (a) The options will be granted to Mr Pool on the basis described above.
- (b) The maximum number of options to be granted is 500,000.
- (c) The options the subject of Resolution 4 will be issued within one month of Shareholder approval.
- (d) The options will be granted for no consideration.
- (e) No funds will be raised by the grant of the options. A total of \$125,000 would be raised if the options were exercised by Mr Pool in full, proceeds of which will be used for the Company's general working capital requirements.
- (f) The terms and conditions of the Options are set out in Annexure A to this Explanatory Statement.

The Chairman of the meeting intends to vote all undirected proxies in favour of Resolution 4.

RESOLUTION 5: TO APPROVE THE EMPLOYEE & CONSULTANT OPTION PLAN

Resolution 5 seeks Shareholder approval for the Company's Employee & Consultant Option Plan (the "**Plan**").

Listing Rule 7.1 provides that an entity must not issue or agree to issue more than 15% of its total equity securities without the approval of shareholders, unless one of the exceptions contained in Listing Rule 7.2 applies.

An issue of equity securities under an employee incentive scheme will fall within exception 9 of Listing Rule 7.2 if, within 3 years before the date of the issue, holders of ordinary securities have approved the issue of securities under the scheme as an exception to Listing Rule 7.1.

The Company has an established Plan to provide a means to reward its employees, upon whom the responsibility for the successful growth of the Company rests, and to recognise the ability and efforts of those who have contributed to the successes of the Company. In order to allow the Company to issue equity securities under the Plan, Shareholder approval is sought pursuant to Listing Rule 7.2, exception 9.

The Plan was last approved at the meeting of Shareholders dated 27 November 2008.

Terms of the Plan

The Plan is available to both full-time and part-time employees (including Directors) and consultants and its salient terms and conditions are set out below.

Pursuant to the Plan, the Board may issue invitations to eligible employees or eligible consultants inviting applications for a grant of free Options up to a number specified in the invitation ("**Invitation**").

An eligible employee is an employee or a Director of the Company who, in the opinion of the Board, will be substantially responsible for the continued growth and prosperity of the Company. An eligible consultant is a consultant of the Company who, in the opinion of the Board, will provide substantial input to the continued growth and prosperity of the Company.

An application from the eligible employee or eligible consultant for the Options must be received by the Company within the acceptance period, together with any information the Board considers necessary in relation to the applicant's entitlement to lodge an application.

If the Board so determines, the Options will be issued and exercisable by such date as advised in writing by the Company to the participant and if not exercised by that date will lapse and be forfeited.

The Board has the exclusive power to select participants to receive such Options and to determine the amount of Options that will be issued and any conditions that may attach to the grant.

Options must be exercised in multiples of 10,000, unless the holder exercises all Options able to be exercised at that time.

Each issued option shall entitle the holder upon exercise to one Share, which will rank equally with all other Shares. Options will be granted free of charge.

The Board shall not offer or issue Options to a participant if the total number of Shares the subject of the Options, when aggregated with:

- (a) the number of shares in the same class which would be issued if each outstanding offer or invitation or option to acquire unissued shares in the Company, being an offer or invitation made or option acquired pursuant to the Plan or under an employee share scheme, were to be accepted or exercised (as the case may be); and
- (b) the number of shares in the same class issued during the previous 5 years pursuant to the Plan or any other employee share scheme, (but disregarding any offer or invitation made, or option acquired or share issued following the making of an offer or invitation, to a person situated at the time of receipt of the offer or invitation outside Australia or by way of excluded offer or invitation within the meaning of the Corporations Act),

would exceed 5% of the total number of issued Shares as at the time of the proposed offer or issue.

If in the opinion of the Board, a participant acts fraudulently or dishonestly or is in breach of his or her obligations to the Company, then the Board may deem any unexercised Options of the participant to have lapsed or be forfeited.

Options may only be exercised by notice in writing to the Company delivered to the registered office of the Company. The notice must specify the number of Options being exercised and must be accompanied by:

- (a) the exercise price, that is amount required to exercise the Options; and
- (b) the certificate for those Options for cancellation by the Company.

Within 10 business days of the notice becoming effective, the Board must allot and issue the number of Shares specified in the notice to the participant, cancel the certificate for the Options being exercised and if applicable, issue a new certificate for any remaining Options covered by the certificate in the accompanying notice.

Options may not be transferred or assigned. Quotation of the Options and the right to be issued an Option on the ASX will not be sought; however the Company will apply to ASX for official quotation of the Shares issued on the exercise of the Options.

Unless determined otherwise by the Board, Options may only be exercised during the period commencing one year from their date of issue and prior to the date specified in the Invitation.

A participant shall forfeit his or her unvested entitlement to Options and shall be required to exercise Options that have vested within three (3) months of termination, in the event his/her employment, directorship or consultancy with the Company (as the case may be) is terminated for any reason other than wilful misconduct, gross negligence, death, disability or redundancy prior to the date specified in the Invitation.

In the event that a participant's employment or directorship with the Company terminates due to death, disability or redundancy, any of his/her Options that have vested or vest during this period may be exercised at any time prior to the second anniversary date of such termination or such other period as determined by the Board in its absolute discretion and any Options that have not vested or been exercised by that date shall be forfeited.

Termination of employment, directorship or consultancy for wilful misconduct or gross negligence will result in the participant forfeiting all right to vested and unvested Options.

If:

- (a) the Company enters into a scheme of arrangement;
- (b) a takeover bid for the Company's Shares is announced; or
- (c) a party (or parties) acquires a sufficient interest in the Company to enable them to replace the Board, where that ability was not already held by that person (or its associate) ("**Trigger Event**"),

the Directors may determine:

- (i) that the Options (whether vested or not) may be exercised at any time from the date of such determination, and in any number until the date determined by the Directors acting bona fide so as to permit the holder to participate in the Trigger Event, provided that the Directors will forthwith advise in writing each holder of such determination. Thereafter, the Options shall lapse to the extent they have not been exercised; or
- (ii) to use their reasonable endeavours to procure that an offer is made to holders of Options on like terms (having regard to the nature and value of the Options) to the terms proposed under the Trigger Event, in which case the Directors shall determine an appropriate period during which the holder may elect to

accept the offer and, if the holder has not so elected at the end of that period, the Options shall immediately become exercisable and if not exercised within 10 days, shall lapse.

There are no participating rights or entitlements inherent in the Options and optionholders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options. However, the Company will ensure that the record date for determining entitlements to any such issue will be at least 10 business days after the issue is announced. Optionholders shall be afforded the opportunity to exercise all options which they are entitled to exercise pursuant to the Plan prior to the date for determining entitlements to participate in such issue.

If the Company makes an issue of Shares to Shareholders by way of capitalisation of profits or reserves ("**Bonus Issue**"), each optionholder holding any Options which have not expired at the time of the record date for determining entitlements to the Bonus Issue shall be entitled to have issued to him upon exercise of any of those options the number of Shares which would have been issued under the Bonus Issue ("**Bonus Shares**") to a person registered as holding the same number of Shares as that number of Shares to which the optionholder may subscribe pursuant to the exercise of those Options immediately before the record date determining entitlements under the Bonus Issue (in addition to the Shares which he or she is otherwise entitled to have issued to him or her upon such exercise). The Bonus Shares will be paid by the Company out of the profits or reserves (as the case may be) in the same manner as was applied in relation to the Bonus Issue and upon issue rank pari passu in all respect with the other Shares issued upon the exercise of the Options.

In the event of any reconstruction (including a consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the expiry of any Options, the number of Options to which each optionholder is entitled or the exercise price of his or her Options or both or any other terms will be reconstructed in a manner determined by the Board which complies with the provisions of the Listing Rules.

Under current taxation laws, any taxation liability in relation to the Options, or the Shares issued on the exercise of the options will fall on the participants. The Company will not be liable to fringe benefits tax in relation to Options or Shares issued under the Plan.

The issue of Options does not give a participant any right to continue in the employ or services of the Company and the right to dismiss any participant or terminate the services of any non-employee participant is specifically reserved to the Company.

Participants agree that the issue of Options under the Plan shall not be considered compensation for the purposes of any other benefit, plan or program of the Company.

A copy of the complete rules of the Plan is available upon request by contacting the Company Secretary, Mr Rolf Heinrich on (08) 8110 0700.

The following Options have been issued under the Plan since it was last approved by Shareholders on 27 November 2008:

If the shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half the votes.
2. A duly appointed proxy need not be a shareholder of the Company.

3. **Signing Instructions**
