Dear Shareholder

On behalf of the Board of Directors of D'Aguilar Gold Limited ("D'Aguilar"), I would like to invite you to participate in D'Aguilar's Share Purchase Plan ("Plan").

Summary of the Plan

The Plan provides shareholders on the Company's register at the Record Date with an opportunity to subscribe for either \$3,000 or \$5,000 in new shares at 3.5 cents per share in D'Aguilar at an attractive discount to the market price in the period prior to the date of announcement of this Plan, being 26 March 2009. The Board has structured the Plan to encourage our loyal, smaller shareholders to apply and increase their participation in D'Aguilar.

It is only shareholders of D'Aguilar registered as at 7.00pm (AEST) on Wednesday, 15 April 2009 who are afforded the opportunity to participate in the Plan. Shareholders not registered as at this date will not receive an offer under the Plan. The rights of shareholders eligible to participate under this plan are not transferable.

The Company proposes a maximum raising of \$1,600,000 under the Plan, comprising the issue of some 45,714,286 new shares. The Plan has been underwritten to the extent of \$600,000 (representing 17,142,857 shares at 3.5 cents per share) by Samuel Capital Pty Ltd ("Samuel Capital"). A fee of 5% of the underwritten amount is payable to Samuel Capital. As Samuel Capital is a company associated with Nicholas Mather, the Managing Director of D'Aguilar Gold Ltd, shareholder approval will be sought for any participation by Samuel Capital in the Plan shortfall and to permit Samuel Capital to elect to take any part of the underwriting fee as shares at an issue price of 3.5 cents per share.

The proposed use of the funds raised under the Plan, assuming only the underwritten amount of \$600,000 is raised, together with funds raised from the recent placement undertaken by the Company, is to provide working capital to:

- pay current creditors;
- progress the Company's ongoing business plan to list its project based subsidiary companies;
- progress the identification and initial exploration of new projects; and
- meet the estimated costs of the Plan - \$105,000.

If the maximum amount under the Plan is raised (\$1,600,000), the additional funds raised will be used to accelerate the Company's ongoing business plan to list its project-based subsidiary companies and progress the identification and initial exploration of new projects, plus meet any additional costs of the Plan, estimated to be up to a further \$10,000.

Terms of the Plan

The terms and conditions of the Plan are outlined in the enclosed document. By making an application to purchase shares under the Plan, you will have agreed to be bound by those terms and conditions. The right to participate in this offer under the Plan is available exclusively to persons who were registered as holders of fully paid ordinary shares in D'Aguilar Gold Limited at 7.00pm (AEST) on the Record Date of Wednesday, 15 April 2009 and whose registered address was in Australia, or in any other jurisdiction where, in the reasonable opinion of the Company it is lawful and practical for D'Aguilar to offer and issue shares or interests under the Plan.

Eligible shareholders are entitled to apply for a *maximum* of \$5,000 of new shares, at 3.5 cents per new share, under the Plan.

You may apply only for shares in one of the following amounts:

- \$3,000 – for 85,714 shares; or
- \$5,000 – for 142,857 shares.

The Subscription Price will be \$0.035 (3.5 cents) per share which represents a discount of 15.8% to the volume-weighted average (closing) market price and a discount of 10.3% to the average (closing) market price over the last five days on which trading of D'Aguilar's shares on the ASX were recorded prior to the date of announcement of the Plan, which was 26 March 2009. The (closing) market price of D'Aguilar's shares over the last five days of trading prior to the announcement of the Plan are as follows:

Date	(Closing) Market Price	Volume (shares)
17 March 2009	3.2 cents	24,727
19 March 2009	3.8 cents	38,500
20 March 2009	4.0 cents	137,500
23 March 2009	4.0 cents	85,948
25 March 2009	4.5 cents	214,500

Average (Closing) Market Price (17 – 25 March 2009): 3.90 cents

Volume Weighted Average Price (17 – 25 March 2009): 4.16 cents

To enable you to properly consider the offer under the Plan, set out below is a brief price history of the trading price of D'Aguilar's shares on the ASX over the period commencing 2 March 2009 and ending on 17 April 2009:

Period	High	Low	Weighted Average
2 March 2009 to 17 April 2009	5.0 cents	3.1 cents	4.12 cents

Participation in the Plan is entirely at your discretion but the Plan is non-renounceable which means you cannot transfer your right to purchase shares under the Plan to anyone else.

On the basis of the issue price of shares under the Plan, the independent directors recommend the Plan to shareholders. All of the Directors intend, in respect of their own shareholdings, to apply for their maximum entitlement of new shares under the Plan.

As detailed in the Plan, the Directors intend to accept subscriptions for shares on a "first come, first served basis". The application period will close at 5.00pm (AEST) on Friday, 15 May 2009. Therefore, if you wish to apply for any shares under the Plan, you should follow the instructions outlined in the attached Application Form so payment is received at our Share Registry by that date in cleared funds. Payment may be made by cheque, bank draft or BPAY®.

It is proposed that the following timetable apply in respect of the Plan:

Record Date of the Plan	Wednesday	15 April 2009
Opening Date of the Plan	Wednesday	22 April 2009
Closing Date of the Plan	Friday	15 May 2009
Shortfall Applications and funds received from the underwriters of the Plan	Monday	25 May 2009
Issue and Allotment of new shares under the Plan	Friday	29 May 2009

The above timetable is indicative only. D'Aguilar reserves the right to vary any of the key dates above, including the Closing Date and the Issue Date, without further notice.

The Plan has been underwritten to the extent of \$600,000 (representing 17,142,857 shares at 3.5 cents per share) by Samuel Capital. A fee of 5% of the underwritten amount is payable to Samuel Capital. As Samuel Capital is a company associated with Nicholas Mather the Managing Director of D'Aguilar Gold Ltd, shareholder approval will be sought for any participation by Samuel Capital in the Plan shortfall and to permit Samuel Capital to elect to take any part of the underwriting fee as shares at an issue price of 3.5 cents per share. A meeting of shareholders has been convened for 22 May 2009 to seek such approval.

As announced on 9 April 2009, the Company has reached arrangements with respect to the settlement of convertible notes with three parties maturing on 30 April 2009 that had provided the finance for drilling and pre-feasibility study work on the Anduramba Molybdenum Project over the past two years. 6.1 The Subscription Price of the Shares will be three and a half cents (\$0.035) per share.

6.2 The Subscription Price represents a discount of 15.8% to the volume-weighted average (closing) market price and a discount of 10.3% to the average (closing) market price of D'Aguilar's shares on the ASX over the last five (5) days on which sales in D'Aguilar shares were recorded prior to the date of announcement of the Plan. pay for the Shares may exceed the Market Price of the Shares at the Issue Date. The Company does not make any assurance as to the Market Price of Shares and there can be no certainty that Shares in the Company will trade at or above the Subscription Price following the Issue Date. Shareholders should seek their own financial advice in relation to this Offer and participation in the Plan.

Eligible Shareholders who are not residents of Australia should consult their professional advisers as to whether any formalities need to be observed (either by them or the Company) to enable them to apply for Shares. It is the responsibility of such Eligible Shareholders to obtain all necessary approvals so they may legally apply for Shares. The return of a completed application form and cheque or bank draft, or the forwarding of payment using BPAY® from a non-resident Eligible Shareholder will be taken by the Company to constitute a representation and warranty by that Eligible Shareholder that all relevant approvals have been obtained and that the Company may legally offer the Shares to that Eligible Shareholder.

8. GENERAL

- 8.1 The Board may change or terminate the Plan at any time prior to the Issue Date. In the event that the Board does so, it will advise the ASX. Any omission to give notice of changes to, or termination of, the Plan, or the non-receipt of any such notice, will not invalidate the change or termination.
- 8.2 If the Plan is withdrawn, all application money will be refunded. No interest will be paid on any refunded application money.
- 8.3 In addition to any rights of the Board to reject applications as set out in these Terms and Conditions, the Board also reserves the right to allocate fewer, or no, Shares than an Eligible Shareholder applies for under the Plan if the Board believes that the allotment of those Shares would contravene any of the Listing Rules. In any such case, excess application monies will be returned to the relevant applicant(s). No interest will be paid on application monies so returned.
- 8.4 D'Aguilar may settle in any manner it deems appropriate, any disputes or anomalies which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any applicant or application of shares.
