FY17 Revenue Guidance

DTI Group Ltd (ASX: DTI) (DTI), a leading Australian company providing sophisticated surveillance and communications technologies to the global transit sector, confirms that it expects to report FY17 revenue (unaudited) of $15.5 million to $16.0 million. This is in line with the guidance provided during the past 12 months.

There continues to be strong demand for DTI's products and services and the Company remains focused on building its contracted backlog and successfully executing projects for its clients. Following a year of consolidation, the Board is confident of an improved revenue result in FY18.

DTI CEO Peter Tazewell, said "DTI has a strong pipeline of opportunities and has experienced strong tendering activity over the past three months. DTI's commitment to developing innovative solutions for the Transit industry has positioned the company strongly to participate in increased investment in public transit infrastructure".
