About Data#3

Data#3 Limited (ASX: DTL) provides market leading technology solutions across a wide range of industries throughout Australia and Asia Pacific.

We consult with our customers to help them design, deploy and manage technology solutions through our five specialist businesses:

- **Licensing Solutions:** for software licensing, asset management and business productivity
- **Product Solutions:** for hardware procurement, warehousing, configuration, deployment and disposal
- **Integrated Solutions:** for strategic consulting, and the design and deployment of the datacentre, network and desktop infrastructure
- **Managed Services:** for essential support and hardware maintenance, selective outsourcing, and cloud-based infrastructure and software as a service
- **People Solutions:** for contractor and permanent recruitment, and human capital performance management

Data#3 reported revenues of \$811 million in the 2011/12 financial year, and has approximately 1,000 permanent and contracted employees. The company is headquartered in Brisbane and has offices across Australia.
