Notification of Expiry of DTRAS Options

Dateline Resources Limited (ASX: DTR) (**Dateline** or the **Company**) reminds holders of certain unquoted options over unissued shares in the Company (each, a **DTRAS Option**) that the DTRAS Options expire at 5pm (Sydney time) on Monday, 18 May 2026 (**Expiry Date**).

Each DTRAS Option may be exercised into a new fully paid ordinary share in the Company (each, a **New Share**) by paying the exercise price of \$0.03 (**Exercise Price**).

There are two courses of action available to holders of DTRAS Options (each, a **DTRAS Optionholder**). These courses of action are set out below:

1. Exercise your DTRAS Options

If you wish to exercise your DTRAS Options and subscribe for New Shares, you may do so by making payment of the appropriate exercise monies by BPAY® or Electronic Funds Transfer (**EFT**) in accordance with the payment instructions on your personalised Notice of Exercise and Application Form (**Application Form**).

Payment via BPAY® or EFT will be deemed by the Company as an application for the number of New Shares that your exercise monies will pay for in full. Exercise monies must be received by Automic Group (**Share Registry**) by 5pm (Sydney time) on the Expiry Date.

The online version of your personalised Application Form is available at <https://portal.automic.com.au/investor/home>.

2. Do nothing

The DTRAS Options will expire at 5pm on the Expiry Date. If you do not wish to exercise your DTRAS Options and apply for New Shares, you do not need to take any action.

Please note that if you do not exercise your DTRAS Options, your DTRAS Options will expire worthless and you will not receive any value.
