About Venturex Resources Limited

Venturex Resources Limited (ASX: VXR) is a diversified exploration and development company with a significant portfolio of VMS projects in the Western Pilbara region of Western Australia. Venturex owns or controls significant resources of copper, zinc, lead, silver and gold at Sulphur Springs, Kangaroo Caves, Whim Creek, Mons Cupri, Salt Creek and the Liberty-Indee Joint Venture.

The Company successfully completed a Feasibility Study in December 2012 as part of its strategy of consolidating VMS projects in the Western Pilbara and developing a centralised processing hub at the Sulphur Springs site, 120 kilometres south east of Port Hedland.
