

ASX release

IXUP Appointment of Joint Company Secretary

12 April 2018: Data collaboration company IXUP Limited (ASX: IXU) (IXUP) is pleased to announce the appointment of David Bonham as Joint Company Secretary, effective immediately.

David recently joined IXUP as Chief Financial Officer (CFO) after ten years at Bupa Dental Corporation where he was Managing Director Australia having joined as Chief Financial Officer in 2007.

David is a qualified accountant and brings extensive experience in financial management, business development, strategic planning and project management.

He is a member of CPA Australia and holds a Bachelor of Business in Accounting from Western Sydney University, and an MBA from Deakin University.

David will continue in his role as CFO of IXUP, in addition to his appointment as Joint Company Secretary. Mr Andrew Whitten, IXUP's existing Company Secretary, will remain as Joint Company Secretary of IXUP.

About IXUP

Founded in 2011, IXUP is next generation software that allows two or more organisations to connect data without necessarily sharing all their information. The company's disruptive data collaboration platform is equipped with a proprietary patent protected, multi-layer encryption process. The technology helps organisations gain a significant time and cost advantage by eliminating complex challenges around securely connecting and matching data. The platform's unique approach to matching data enables organisations to create deeper insights to inform strategy and gain a significant competitive advantage. IXUP is headquartered in Sydney, Australia.
