Dear Andrew,

We enclose our Appendix 4C, Quarterly Report as at 30 June 2004.

The following information is pertinent:

1. The Company has the facility to make a placement of 15% of its share capital in accordance with the ASX Listing Rules. This facility will enable the Company to meet its future commitments in an orderly manner.

Loan funds will also be available should the company require additional funding.
In addition, as previously reported to the market, the sale of our forestry assets is proceeding and a draft contract has now been forwarded to the purchaser. Realisation of this sale is expected in the near future.
2. Revenues and expenses for the latest quarter were not within the company's expectations and additional loan funds of \$210,000 were raised in June. Sufficient working capital will be available should there be any future shortfall.
3. Advance Conveyors continues to pursue additional business with a view to obtaining significant contracts in the near future.

The rationalisation of operating costs and overheads in the conveyor business is continuing.
4. The Company affirms that it is in compliance with the listing rules, and in particular listing rule 3.1. The Directors believe that the Company has complied with its responsibility in respect of continuous disclosure and in particular the supply of any information that might have a material effect on the price or value of Harrington's securities.
5. The Company believes that it is in compliance with listing rule 12.2 and in particular that the Company is in a sound financial position and that the current capital raising program will underpin this situation in the months to come.

In conclusion we hope that the above explanations are adequate for your purposes.

Yours sincerely
HARRINGTON GROUP LIMITED
